**Magic Wonderland** Sanda Boca, 2022-12-05 My mom used to tell us to me and my sister stories about the heroes of the legends and their mythical animals. As a young child I read many fairy tales. I was always amazed of their world. And then I started to wonder if they were only fantasy. I travelled inside these stories throughout my mind and the more I read the more they seemed real to me. I felt alive just imagining that I am a part of their world where I was always welcomed by everything and everybody. My sister was always my companion in all my travels and she always took good care of me. Before I knew it I grew up and I was blessed with a wonderful child. His innocence and beautiful heart reminded me of our childhood where innocence was the name of our world. My son was and is an inspiration for a fantasy world of my own. Just for my him I decided to bring the myths and legends into our world. I decided to give them life. This book is a blend of magic fantasy and reality. Here is the place where I brought together the mythical animals heroes stories about underworld life reality and magic. The legends are so real in my book you feel like they were always part of us. I always imagined reading stories to my grandchildren when they will go to bed at night. I hope someday my wish will come true. It is a happy book with happy ending. In fact this is not the end it is the beginning of an adventure of a lifetime and never ending knowledge.
