Global Marketing Strategy Bodo B. Schlegelmilch, 2016-03-02 This book has been written for experienced managers and students in postgraduate programs such as MBA or specialized Masters programs. In a systematic yet concise manner, it addresses all major issues companies face when conducting business across national and cultural boundaries, including assessing and selecting the most promising overseas markets, evaluating market entry alternatives, examining the forces that drive adaptation versus standardization of the marketing mix. It looks at the various global marketing challenges from a strategic perspective and also addresses topics not usually found in international marketing texts, such as aligning marketing strategies with global organizational structures, managing the relationship between national subsidiaries, regional headquarters, and global headquarters, as well as corporate social responsibility challenges and pertinent future trends that are likely to affect global business.

Handbook of Marketing Strategy Venkatesh Shankar, Gregory S. Carpenter, James Farley/Booz Allen Hamilton, 2012 This authoritative, comprehensive, and accessible volume by leading global experts provides a broad overview of marketing strategy issues and questions, including its evolution, competitor analysis, customer management, resource allocation, dynamics, branding, advertising, multichannel management, digital marketing, and financial aspects of marketing. The Handbook comprises seven broad topics. Part I focuses on the conceptual and organizational aspects of marketing strategy, while Part II deals with understanding competition. Customers and customer-based strategy, marketing strategy decisions, and branding and brand strategies are covered in the next three parts, while Part VI looks at marketing strategy dynamics. The final part discusses the impact of marketing strategy on performance variables such as sales, market share, shareholder value, and stakeholder value. All of the chapters in this Handbook offer in-depth analyses of research developments, provide frameworks for analyzing key issues, and highlight important unresolved problems in marketing strategy. Collectively, they provide a deep understanding of
