Yet few have a marketing department and many have serious challenges in meeting their communications and marketing goals. This multi-award-winning book will help in-house communications staff be more effective while sticking to their budgets. Addressed to the Marketing Communications manager in small to medium-sized nonprofits, this book assumes that the reader has little formal knowledge of marketing. In plain language, it provides a hands-on reference that can be referred to frequently, providing checklists and actionable tips to make marketing easier and more effective. This second edition adds a new chapter on crisis communications management as well as updated information on social media and new tips on marketing automation. It also adds a full index. *Wine Marketing & Sales, Second edition* Janeen Olsen, Paul Wagner, Liz Thack, 2016-02-01 How can a small winery possibly compete with the marketing of massive wine companies? How can it hope to capture the over-stimulated mindshare of the modern consumer? By being strategic. This revised and updated edition to the bestselling book puts the vast bank of wine marketing knowledge within reach of industry novices and fresh practical and powerful strategies into the hands of veteran brand managers and marketing professionals. With 100 pages of new and expanded material, this book addresses such topics as importing and exporting, logistical management, marketing your tasting room, and wine region as a prime tourist destination, how to generate greater retail sales, and how to grab the benefits while avoiding the dangers of social networking and viral marketing. **The Bare Bones Introduction to Integrated Marketing Communication** Robyn Blakeman, 2009 This small, inexpensive text is an in-depth yet simply stated discussion on the business and structure of integrated marketing communication (IMC).
