The Church of God as Revealed in Scripture Arlo F. Newell, 1983 *Distinguishing the Church* Greg Peters, Matt Jenson, 2019-06-27 As the Protestant Reformers did so twenty first century Christians also recognize the need to distinguish between the true and false church Thus they find themselves looking closely at the modern church to determine whether it is a true and faithful church Today's Christians know that proper criteria are necessary to discern the true church The most common criteria wrote John Calvin are that the Word of God is rightly preached and heard and that the sacraments are administered according to Christ's institution Moreover Martin Luther said that suffering is a telltale sign of God's people while Anabaptist and Reformed Christians included discipline among the distinguishing marks of the church These standards take on particular poignancy today The global church continues to live under severe persecution and the American church characterized by a lack of discipline has been wounded by its own sins of chasing sex and power In this collection of essays first given at annual meetings of the Evangelical Theological Society the authors take time to reflect on the Reformational marks of the church in order to help reform Christ's bride With contributions from Edward W Klink III Duane Litfin J Stephen Yuille J V Fesko Keith D Stanglin Greg Cochran Jeremy M Kimble Guy Waters Justin L McLendon

The Judgment of God Mark England, 2022-04-02 We live in a world of lawlessness and most people do not understand the importance and consequences of their actions in this life and eternity Our conscience the laws and society will hold us accountable to a

degree but ultimately we will stand before God the great judge to give an account The more we understand God s ways of judgment the more careful we are in life and better prepared for our day in heaven s court Our only hope on that day is to trust in Christ s sacrifice for our sins for forgiveness mercy and his unconditional love One of the reasons that Christ will return to the earth is to judge and that day is quickly approaching Jude 1 14 15 Now Enoch the seventh from Adam prophesied about these men also saying Behold the Lord comes with ten thousands of His saints to execute judgment on all to convict all who are ungodly among them of all their ungodly deeds which they have committed in an ungodly way and of all the harsh things which ungodly sinners have spoken against Him Christians in the Western free countries have been prosperous spoiled and isolated from persecution until now When the pandemic hit the governments of the free world showed their teeth and growled at us They locked down churches and synagogues and issued fines legal challenges social media de platforming and put Pastors in prison When the lock downs were over many churches reopened woke conforming to the new world order but dead to God Prophecy warned us of a great falling away from God and of universal persecution of all Christians in the end times We are in the calm before the storm but times are changing and overnight our world could be completely different Bible prophecy tells us that the worst time in human history is rapidly approaching people will be saying peace and safety and then sudden destruction will hit Israel becoming a nation world wars global lock downs and global food shortages are warnings that the four horsemen of the apocalypse are on their way and getting closer Now is the time to equip ourselves with the word of God to share with others before another lock down or being de platformed or some other concocted restriction closes the door to our freedom Like Joseph in Egypt stored grain during the seven years of plenty so that when the seven years of famine 7 year tribulation came Egypt had food Christians will not go through the great tribulation but can experience severe persecution before the rapture happens The institutional church buildings could be locked down or become so perverted and politically woke that all true believers must flee from them These are the years of plenty and while we have time and freedom we need to study the word of God and share it with others build fellowship groups of sincere believers and be the church This book is part of a set of studies that are foundational that are essential teachings for followers of Christ We call it the toolbox series because it is designed to make you a tool in the hand of God and provides you the knowledge you need for a scriptural foundation for your faith while equipping you to share with others These studies can be a start up kit for a small group Bible study and are downloadable with other resources and it s free Freely you have received freely give go to our website at Ears2Hear online [The Churches of God](#) G. H. Lang, 2012-09 If you ve ever wondered what the churches of the New Testament looked like how they functioned how they were governed how they conducted their evangelistic and missionary enterprises what ordinances they observed what their liturgy consisted of how decisions were made how discipline was administered if you ve ever wondered how far modern churches have drifted from the New Testament pattern if you ve ever wondered what it would take for your church and others like it to return to

the New Testament model or if such a thing is even possible or desirable then this book is for you G H Lang s ability to elucidate Biblical truth was never more evident than in this small treatise on the constitution government discipline and ministry of the church of God His gifts as a diligent Bible student expositor and precise thinker together with his many years of experience as an itinerant Bible teacher in many different countries and cultural settings all combine to make this a go to reference on many issues relating to the local church About the Author G H Lang 1874 1958 was a gifted Bible teacher and prolific author who in his early life was associated with the exclusive branch of the Plymouth Brethren but later affiliated himself with the Open Brethren He traveled widely as an itinerant Bible teacher depending solely on God for his support Although Mr Lang himself was a prolific author it was his belief that no man should write a book until he is 40 He needs to prove his theories in practice before publishing In his own case all but nine of his many books were written after he was 50 Kingsley Press has recently re published Lang s amazing autobiography *An Ordered Life* More information can be found on our web site www.KingsleyPress.com

The Six Symbols of the Gospel Mark Randell McNees, Dr, Mark Randell McNees, John Bickley, 2013-01-05 IF THE GOSPEL IS THE GREATEST STORY EVER TOLD THEN WHY DON T CHRISTIANS TELL THE WHOLE STORY It s all too prevalent in the 21st century American church to find a Gospel that begins and ends with the cross And with it God s whole story is forgotten among Christians who have lost the context of their faith in Jesus This same one dimensional Gospel has kept the Church from embracing its full calling and finding hope in its future This book lays out the whole Gospel in six easy to remember symbols Each symbol reveals part of the whole narrative of God s love for His creation
