The Gospel of Mark Ben Witherington, 2001-01-08 This book offers the first sustained attempt to read the Gospel of Mark both as an ancient biography and as a form of ancient rhetoric Ben Witherington applies to Mark the socio rhetorical approach for which he is well known opening a fresh new perspective on the earliest Gospel Written when the fledgling Christian faith was experiencing a major crisis during the Jewish war Mark provides us with the first window on how the life and teachings of Jesus were presented to a largely non Jewish audience According to Witherington the structure of Mark demonstrates that this Gospel is biographically focused on the identity of Jesus and the importance of knowing who he is the Christ the Son of God This finding reveals that Christology stood at the heart of the earliest Christians' faith It also shows how

important it was to these earliest Christians to persuade others about the nature of Jesus both as a historical figure and as the Savior of the world

Film Moments James Walters, Tom Brown, 2019-07-25 Film is made of moments In its earliest form the cinema was a moment mere seconds recorded and projected into the darkness Even as film has developed into today's complex and intricate medium it is the brief temporary and transitory that combines to create the whole Our memories of films are composed of the moments we deem to be crucial touchstones for our understanding and appreciation Moments matter The 38 specially commissioned essays in Film Moments examine a wide selection of key scenes across a broad spectrum of national cinemas historical periods and genres featuring films by renowned auteurs including Alfred Hitchcock Jean Renoir and Vincente Minnelli and important contemporary directors such as Pedro Costa Zhang Ke Jia and Quentin Tarantino addressing films including City Lights Gone with the Wind The Wizard of Oz The Night of the Hunter Wild Strawberries 8 1 2 Bonnie and Clyde Star Wars Conte d t United 93 and Lord of the Rings Return of the King Film Moments provides both an enlightening introduction for students to the diversity of approaches and concerns in the study of film and a dynamic and vibrant account of key film sequences for anyone interested in enhancing their understanding of cinema

The Greatest Players and Moments of the Philadelphia Flyers Stan Fischler, 1998-10 Call em the Broad Street Bullies the Ferocious Flyers or Bobby Clarke's Bashers Philadelphia's icemen have been among the most exciting athletes in sports Bursting onto the big league hockey scene in 1967-68 the Flyers became the first expansion team to win the Stanley Cup Combining guts goals and glamour in equal proportions the Flyers captured the imagination of a city as well as the National Hockey League

Magical Moments of Change Lenore Terr, 2008 Why and how therapy with even the most challenging kids can work Terr presents highly effective child psychotherapeutic styles and techniques and demonstrates them in three ways by relating moments from at least six of her own cases by conveying and comparing moments from 33 of her distinguished colleagues cases and by watching her wild child patient little Cammie develop her own eight magical moments over a period of fifteen years These moments are rare But by pooling them together or by looking at how they develop over a long period of time in a single individual readers are able to achieve further understanding of the process of change in child and adolescent psychotherapy

Ethics Moments in Government Donald C. Menzel, 2009-09-25 Ethical concerns are among the most common problems public administrators face yet the issues are often complex and the correct choices are not always clear Living up to the public trust is much more than just an act of compliance It also involves perceiving preventing avoiding and resolving accusations of illegal or unethical behavior including appearances of inappropriate behavior Ethics Moments in Government Cases and Controversies examines how to identify assess and resolve the ethical issues and dilemmas that often confront those who govern the cities counties states and federal agencies throughout America Real Situations Real Advice Providing a one stop resource for all those who must contend with thorny ethical issues this volume presents case studies that vary in complexity and context and are based on real situations Each

case scenario is followed by discussion questions and case assessments by expert practitioners who describe how they would handle the situation Using a total immersion technique the book encourages readers to be reflexive and analytical in addressing the problems presented and arriving at appropriate solutions A supplemental CD is included which contains PowerPoint slide presentations articles workshop programs tests and links to organizations For many of the scenarios presented in this volume there are no easy answers Practical guidance on reasoning through difficult decision making situations enables public administrators to acquire the ethical knowledge skills abilities and instincts that will ultimately help them gain the trust of their citizens and advance in their careers

The Power of Moments Chip Heath,Dan

Heath,2017-10-03 The New York Times bestselling authors of Switch and Made to Stick explore why certain brief experiences can jolt us and elevate us and change us and how we can learn to create such extraordinary moments in our life and work While human lives are endlessly variable our most memorable positive moments are dominated by four elements elevation insight pride and connection If we embrace these elements we can conjure more moments that matter What if a teacher could design a lesson that he knew his students would remember twenty years later What if a manager knew how to create an experience that would delight customers What if you had a better sense of how to create memories that matter for your children This book delves into some fascinating mysteries of experience Why we tend to remember the best or worst moment of an experience as well as the last moment and forget the rest Why we feel most comfortable when things are certain but we feel most alive when they re not And why our most cherished memories are clustered into a brief period during our youth Readers discover how brief experiences can change lives such as the experiment in which two strangers meet in a room and forty five minutes later they leave as best friends What happens in that time Or the tale of the world s youngest female billionaire who credits her resilience to something her father asked the family at the dinner table What was that simple question Many of the defining moments in our lives are the result of accident or luck but why would we leave our most meaningful memorable moments to chance when we can create them The Power of Moments shows us how to be the author of richer experiences
