overview of their reception on stage and by critics and offers fresh insights into the teaching of these plays in the classroom

Tamburlaine to Doctor Faustus his unforgettable masterpiece about making a pact with the devil in exchange for knowledge. Introducing us to Marlowe's transgressive genius in the form of a thrilling page-turner, Stephen Greenblatt brings a penetrating understanding of the literary work to reveal the inner world of the author, bringing to life a homosexual atheist who was tormented by his own compromises, who refused to toe the party line and who was murdered just when he had found love. Meanwhile, he explores how the people Marlowe knew and the transformations they wrought gave birth to the economic, scientific, and cultural power of the modern world, including Faustian bargains with which we reckon still.
