Marcus Tempus is a writer based in Chicago and he had written a book about Chocolate and how some women preferred it to Sex called Do not get between a Woman and her Chocolate In doing the research for the book he had met Anastasia and they had agreed to go on a Journey of Joy and maybe fall in love The book covers their travel experiences to Greece Paris London Ireland Marrakech and Malaysia The travel writing is believed to be accurate and the places mentioned real The fictional

part of the book relates to the relationship that develops between Marcus and Anastasia as they become closer during their travels. A background theme is developed with Marcus who had recently fallen in love and it had changed his life. The relationship had not developed as he would have liked so he had sought the help of some spiritual advisors and even consulted a Voodoo High Priestess in order to understand why he had fallen in love so strongly and why he remained emotionally lost in this world of unrequited love. The advisors had told him that in a previous life several hundred years ago he had been a warrior named Malin and he had fallen in love with Alesia and that they were Soul Mates destined to meet again. Most of the advisors had told him that when he had fallen in love this was Malin and Alesia trying to connect in another life. The book explores the difficulty Marcus is experiencing in trying to reconcile all of these emotional and spiritual feelings with his no nonsense logical brain. He is left with the main questions: Is Anastasia the latest visitation of Alesia and is she the Soul Mate that he has been seeking all along?

**Landscapes of Gran Canaria** K. C. Nash, 1989 Catering to both French and Dutch sensibilities with a lot of American influences this island is great for those who want a European or American vacation in a tropical location. The wealth of casinos, night spots and restaurants make this a no brainer for Cruise Passengers and Like Travelers. There are a few top end resorts and a lot of French bistros to delight incurable romantics. And with the array of watersports at Orient Beach, the zoo and the Butterfly Farm the families will find it easy to plan outings for the kids. The duty free havens of Phillipsburg and Marigot are enough to send shoppers into absolute ecstasy. Orient Beach with its colorful umbrellas and lounges lined up in rows and the topless sunbathers languishing in the tropical breezes is reminiscent of the French Riviera. Anse Marcel with its collection of luxury hotels is a beautiful harbor area with a tidy marina and a pretty beach. Grand Case is one of the gastronomic centers of the Caribbean with more quality French restaurants per square mile than you could find anywhere outside of Paris. The beaches around the southwestern edge of the island rival any found in the Leewards for powdery sand and gentle waves. And there is always plenty to do as numerous companies offer all sorts of watersports and touring adventures. So if you want an island where you have access to everything the Caribbean offers including beautiful beaches, glitzy casinos, great restaurants and a wide variety of activities this is your place. Everything you need to know about where to stay, where to dine and how to have fun is here. With color photos on every page.

*Gold, Ivory and Slaves* Norman Handy, 2019-11-07 Norman Handy vividly describes travelling down the West Coast of Africa. He writes about the misery of Africans captured and shipped across the Atlantic to be sold into slavery. European manufactured goods were traded in Africa to buy slaves who were then shipped to the Americas to be traded again for tobacco, sugar and rum. More than twelve million Africans were slaves until they were eventually freed. In the scramble for Africa colonial powers competed to grab as much African land as they could. It wasn't about slavery but about despicable economic exploitation. Borders were arbitrarily decided by colonial powers with no regard to local realities. Then came independence and exploitation of the local people by their own people widely known as The African Way. Is it any better today?
