**Love & Light** Clayten Tylor, 2017-05-20 This book examines Swedenborg's spiritual experiences of Heaven and Hell from an esoteric perspective as a feeling the language of angels and spirits To perceive this spiritual feeling begins the regeneration process that develops an inner perception of celestial love as spiritual light When we can perceive love and light as a feeling as it expresses through our physical senses we can start to affect our own psycho-spiritual development to evolve from a sensual to a spiritual feeling of conjugal love As we examine love and light as a spiritual feeling through heaven and hell we too begin to experience a deeper spiritual awareness which can initiate a personal communication with the Divine as a Conjugal Love experience With creative self-expression as our goal we can take regeneration into our own hands to speed up our own evolution while we transmute the forces that block the spiritual feeling of the Brotherhood of Mankind and thereby together manifest the feeling of Heaven on Earth     Engaging the Doctrine of Marriage Matthew

literature students approaching Shakespeare for the first time or looking for a new angle on the plays      Studies in the Psychology of Sex Havelock Ellis, 1911      *Love* Tom Inglis, 2013-03-05 Love is a dominant theme in Western popular culture. It has become central to the meaning of everyday life propagated through the media and the market. Being in love has become idealised. With the demise of institutional religion in the West, romantic love has become the dominant form of inner worldly salvation. In Foucault's terms, it has become a key component in the arts of existence and the care of self. In this highly accessible introduction to love of all kinds, Tom Inglis gives a clear, concise picture of how love shapes and is shaped by society. How is romantic love linked to capitalism? What is the difference between romantic love and loving? How is love connected to separation, loss, and grief? Inglis addresses all these questions and looks at how today's changing circumstances, globalisation, mobile lives, and a new rugged individualism have changed our perceptions of love and relationships. Love is an engaging, thoughtful introduction to the subject for students, academics, and general readers alike.
