Transformation of My Soul Through My Mother's Prayers Retta Gause, 2007-03 After reading this book you will be convinced that there is a God or power that can change or shape your destiny From childhood through the adolescent ages the author describes the challenges of growing up in the inner city neighborhood You will be amazed with her encounter with powerful forces *The Premarital Counseling Handbook* H. Norman Wright, 1992-04-09 In any endeavor dreams and goals not backed by concrete plans and preparations can result in failure And marriage is no exception claims H Norman Wright In fact without solid planning and forethought by engaged couples we will surely see a continuation of the startling divorce rate among Christians and non Christians alike On the other hand thorough premarital counseling and preparation can result in lifelong marriages that are fulfilling and God honoring That's where the church comes in More and more churches are realizing that their responsibility lies not only in pronouncing men and women husband and wife but also in making sure the proper foundation is laid so that marriages have a better chance of standing strong under pressure Since its introduction in 1977 as *Premarital Counseling* this book has been used by literally thousands of churches throughout the country as both a guide and reference tool Now Dr Wright has added new material to cover some perplexing issues that have come into prominence only recently Among those special concerns are Interracial marriages Second marriages Marriages of persons from dysfunctional families Writing for both pastors and other premarital counselors H Norman Wright sets you at ease about the counseling process even if you've had only limited counseling experience As the author of the popular *Before You Say I Do* and numerous other books on marriage H Norman Wright documents in *The Premarital Counseling Handbook* methods that have proved successful These will help insure that the marriages performed in your church will resist the pressures that are destroying today's married couples *Divorce & Second Marriage* Kevin T. Kelly, 1997 A substantial challenge facing the Church today is to help young married couples grow in the attitudes and skills needed to take seriously the indissolubility of their marriage In a sense Kelly contends young couples must begin to realize that they have to create the indissolubility of their own marriage if it is to exist Kelly also suggests that the Church should develop an effective theology of pastoral care for those who have been through the trauma of marriage breakdown While remarriage is not a panacea for everyone wounded in this way for some it brings real healing and new life This new edition contains a new introduction and a substantial new Appendix

containing a rich collection of articles and book extracts related to divorce and remarriage in the Church A useful and informative resource for those who minister to the married divorced and remarried within the faith community
