Marriage The Mystery Of Christ And The Church:

Marriage David Engelsma, 1975-09-01 Marriage and the Mystery of the Gospel Ray Ortlund, 2016-10-13 This mystery is profound and I am saying that it refers to Christ and the church Ephesians 5 32 Marriage reveals something of eternal significance From the beginning God designed marriage to convey a greater reality the passionate unfailing redeeming love of God for sinners the eternal romance between Christ and his bride In this volume Ray Ortlund traces marriage throughout Scripture from the first marriage in the garden of Eden to the ultimate marriage in the book of Revelation laying out a transcendent vision of marriage that dignifies our own imperfect unions as a display of the gospel This book offers insight and hope to every married person today Part of the Short Studies in Biblical Theology series **Marriage, the Mystery of Christ and the Church** David Engelsma, 1998 **Marriage** Dietrich Von Hildebrand, 1984 Before we examine the nature the meaning and the beauty of Christian marriage which St Paul calls a great mystery in Christ and the Holy Church we shall examine the essence and meaning of marriage in the realm of nature and its specific character in reference to all other fellowships and communities Only in this way can we understand what was so gloriously exalted by Jesus Christ and thus dispel the misinterpretations of the nature of marriage so frequently encountered Why does Holy Scripture choose this particular relationship as an image It is chosen because marriage is the closest and most intimate of all earthly unions in which more than in any other one person gives himself to another without reserve where the other in his complete personality is the object of love and where mutual love is in a specific way the theme that is to say the core of the relationship

The Mystery of Marriage: A Theology of the Body and the Sacrament Perry J. Cahall, 2014-12-01 This remarkable study offers a comprehensive explanation of the Catholic Church's teaching on the sacrament of marriage Incorporating the rich insights found in St John Paul II's Theology of the Body Dr Cahall presents a theology of marriage that incorporates the biblical systematic pastoral and historical traditions which have shaped our understanding of this sacrament **Mystery and Sacrament of Love** Marc Cardinal Ouellet, 2015 An internationally respected Roman Catholic leader on the mystery sacrament of marriage Marriage and the family are at the forefront of the burning questions being debated by civil society and the church today Cultural changes in our increasingly secularized society have dire consequences in the family sphere requiring a Christian response that is faithful to the Church's tradition says Marc Cardinal Ouellet In *Mystery and Sacrament of Love* Ouellet clearly expounds a theology of marriage and the Catholic Church's understanding of the sacrament celebrated between spouses and God Developed with influences from Pope Francis the theological intuitions of Vatican II the contributions of Saint John Paul II the pope of the family and the innovative thought of Hans Urs von Balthasar Ouellet's study lays the foundations for a faithful resurgence of well being for families in our contemporary day and age **The Letter to the Ephesians** Peter Thomas O'Brien, 1999 From a foremost authority on the New Testament comes a major new commentary on Ephesians a letter of truth love and unity to our superficial world This newest volume in the Pillar New

Testament Commentary series provides a rich exposition of Ephesians one of the most significant documents ever written Using the fruits of recent biblical research Peter O'Brien shows how Ephesians sums up God's magnificent plan of salvation in Christ and spells out his divine purpose for believers today A model of the scholarly excellence characteristic of the entire PNTC series which now features a striking new jacket design O'Brien's Ephesians will become the standard work on this profoundly influential book Publisher **The Mystery of Christian Marriage through the Ages** Anna M.

Silvas, 2020-05-15 Deep prayer Cleaving to our Lord Jesus Christ Immersion in the Scriptures Baptismal and eucharistic faith in quest of ever deeper understanding Historical unnaivety A theological care for the truth that abides An interest in diagnosing cultural and civilizational shifts Attention to the words and teachings of the Church Fathers Linguistic sensitivity All these operational elements come together in this book which seeks to search out the Nuptial Mystery of the human condition from the beginning when we were first created through the dramatic damage contracted in the Fall as it plays itself out in the struggles of human history towards the beckoning fulfillment of all things in the world that is to come This is not just another book on marriage but an education in a way of theologically seeing the Mystery of Christ written into our human vocation as male and female called to spousal covenant open to the primacy of God fruitful with a fruitfulness coming from God and leading us to the bridegroom on the cross come to espouse his bride the church *The Sexual Person* Todd A.

Salzman, Michael G. Lawler, 2008-05-21 Two principles capture the essence of the official Catholic position on the morality of sexuality first that any human genital act must occur within the framework of heterosexual marriage second each and every marriage act must remain open to the transmission of life In this comprehensive overview of Catholicism and sexuality theologians Todd A. Salzman and Michael G. Lawler examine and challenge these principles Remaining firmly within the Catholic tradition they contend that the church is being inconsistent in its teaching by adopting a dynamic historically conscious anthropology and worldview on social ethics and the interpretation of scripture while adopting a static classicist anthropology and worldview on sexual ethics While some documents from Vatican II like *Gaudium et spes* the marital act promotes self-giving by which spouses enrich each other gave hope for a renewed understanding of sexuality the church has not carried out the full implications of this approach In short say Salzman and Lawler emphasize relationships not acts and recognize Christianity's historically and culturally conditioned understanding of human sexuality *The Sexual Person* draws historically methodologically and anthropologically from the best of Catholic tradition and provides a context for current theological debates between traditionalists and revisionists regarding marriage cohabitation homosexuality reproductive technologies and what it means to be human This daring and potentially revolutionary book will be sure to provoke constructive dialogue among theologians and between theologians and the Magisterium **Sexual Ethics** Stanley James Grenz, 1997-01-01 In this biblically grounded study Stanley Grenz synthesizes theology ethics and current medical research to offer an evangelical perspective on the profound role that sexuality does and should play in our lives today He calls for

Christians to live a biblical sexual ethic in the contemporary world at the same calling on the church to recognize that its mandate includes being a reconciling community one that proclaims God's grace to all Theology of the Body Explained Christopher West, 2003 Christopher West makes John Paul II's theology of the body available for the first time to people at all levels within the Christian community Love sexuality and human flourishing are inseparable Those who doubted this will find West's book a transforming experience and those who have been wounded will find liberation and peace A wonderful education on the meaning of being human Christopher West teaches the theology of the body and sexual ethics at St John Vianney Theological Seminary in Denver He is also visiting faculty member of the John Paul II Institute for Studies on Marriage and Family in Melbourne Australia

This Present Triumph Richard M. Cozart,2013-09-17 The author of Ephesians shows an interest in the Isaianic new exodus INE in facilitating his focus on the present triumph of the people of God The recipients required both insight and confidence especially in regard to the certainty of their salvation its mysterious nature Jewish Gentile relations and their former manner of life In the face of these challenges the author maintains that victory is secured through God s choice of them and the working of his redemptive program which inevitably leads to triumphal blessings As with the exodus era Hebrews the readers participate in paschal redemption now embodied in Christ along with his resurrection and ascension as the triumphant new exodus warrior over principalities and powers In addition and as predicted by OT writers Gentile proselytes share the blessings of the new exodus but now on equal footing and access as Jewish Christians creating a new eschatological temple Triumphant Christ distributes gifts facilitates Spirit endowed living and enables Christian warfare that mirrors Yahweh and his servant The recipients of the epistle appear to be called to view INE triumph as above below now and not yet while not discarding current applications on earth

The Poetics of Grace: Christian Ethics as Theodicy Jeph Holloway,2013-04-09 What is God doing about a world marked by conflict and division What about a world in which our technologies promise great good but also threaten our existence What is God doing in a world where the demands for accumulation and acquisition create division and despair Can Christians hope to be of positive influence in a world that does not always support reflect or even understand Christian commitments Christian ethics often raises such questions as these and the possible answers vary widely Paul s Letter to the Ephesians is a tremendous resource for exploring a faithful response to perhaps the toughest question of all what is God doing about evil The role of Christian ethics is to take seriously the challenge that whatever God is doing God calls us to participate in a distinctive task that embraces our own commitments and labors within the divine purpose Ephesians says that God has taken the initiative to pursue that purpose and remarkably offers that we ourselves are part of the answer to the question what is God doing about evil
