Marriage The Rock On Which The Family Is Built:

Marriage William E. May,1995 **Recovering Intimacy in Love Relationships** Jon Carlson,Len Sperry,2011-01-11

The loss of intimacy is one of the most difficult but also one of the most common factors in the destruction of any relationship. Recovering Intimacy in Love Relationships lays out practical evidence based guidelines on which clinicians can depend as they wade through the intense emotions and fragile bonds of couples in crisis. With care and sensitivity the book's authors analyze the increasingly complex context in which the cycle of intimacy develops, wanes, and recovers. The chapters delve into diverse populations, attitudes toward intimacy, and provide an entire section on cultural, gender, and religious issues. Clinicians looking for a research based practical take on the many facets of intimacy in the twenty first century need look no further than this book.

Where Two Or Three are Gathered Florence Caffrey Bourg,2004 Since its retrieval by the Second Vatican Council the idea of Christian families as domestic churches has slowly but steadily gained favor among Catholics. Striking a balance between academic theology and practical spirituality this book provides analyses of the home and family as authentic and important locations of the faith community.

Marriage: God's Foundation For Family John Nolan,2020-01-01 God set a pattern in the beginning to ensure that our children have the best possible future.

The House That God Built Zebedee King,2016-02-27 By looking at the nightly news and simply observing for themselves the denigration of homes and communities across our country many would agree that family foundations are cracking and shifting out of place. This has resulted in untold devastation within the home and our other social systems. Therefore many households and lives have simply given way and collapsed under the weight of a host of societal pressures. Many believe that a generation of social experimentation along with our culture's fixation at redefining virtually every foundational institution especially the first human institution marriage are responsible for placing the family and society on very shaky ground indeed leaving a very dubious moral and economic legacy for successive generations. When cracks begin to appear upon the walls of a house it may indicate a shifting or damaged foundation which may indicate poor foundation.

work As a result builders typically reexamine the blueprints the master plans to determine the manner and materials with which the house and foundations built in order to pinpoint and repair a weak or damaged foundation It is the authors conviction that in many households within society weak or faulty spiritual and moral foundations have been laid resulting in the cultural cataclysm we witness throughout our land In his book *The House that God Built Gods Master Plan for Marriage and His Blueprint for Blessing Book One of his Strong Foundation for Strong Families series* the author discusses the need for a RE Vision of marriage and the family but not by redefining replacing or removing these honorable foundations and pillars which have supported societies from the beginning of time Rather by employing the word RE Vision he calls for a refocus a fresh new look at Gods original design for the marriage and family This plan is found in Gods Holy Word specially the first two chapters of the Book of Genesis because this he feels is where marriage family and social systems began Therefore the book is a thorough exposition of the first chapters of Genesis which explore the motivations and the methods through which God Himself built His house the heavens and the earth This study provides keen spiritual and practical insights as to how we can build our homes according to Gods plans so as to receive His best blessings upon our homes and upon our communities *Biblical and Cultural Concepts of Marriage and Family Life* Rev. Dr. Ralph W. Huling, 2010-06-02

In these changing times when more than half of all marriages are ending in divorce this book offers Gods blueprint for marriage and how to have a happy fulfilling marriage God can take a marriage that appears headed off course and redirect the course of that marriage for smooth sailing Dr Huling offers wonderful solutions to marriage and family life problems
