Marriage To A Difficult Man The Uncommon Union Of Jonathan Sarah Edwards:

Marriage to a Difficult Man Elisabeth D. Dodds,1971 **The Silent and Soft Communion** Sue Lane

McCulley,Dorothy Zayat Baker,2005 Conversion narratives were one of the earliest forms of public expression for American women writers sanctioned and indeed welcomed for their personal first hand testimonies about seasons of religious grace Two eighteenth century women Sarah Pierpont Edwards and Sarah Prince Gill wrote conversion narratives of remarkable craft and insight These pieces collected for the first time in *The Silent and Soft Communion* represent two generations of Calvinist evangelism addressing the social implications of spiritual regeneration and presenting full fascinating accounts of Calvinist religious life Sarah Pierpont Edwards is best known as the wife of Jonathan Edwards one of the most renowned theologians in eighteenth century New England Asked by her husband to draw up an exact statement of her rebirth in Christ she complied creating in 1742 a work that was of considerable interest to both her husband s constituency and now to modern scholars A rich and revealing document her narrative expresses her immense joy in the presence of God and the intimacy of her relationship with God Both a private and public statement her testimony is remarkable for its position on the social imperative of spiritual regeneration and speaks to the social and political issues facing her Northampton community The companion conversion narrative by Sarah Prince Gill never before published offers the perspective of the next generation of Calvinist women whose religious orientation was inflected by Enlightenment values Gill an educated Bostonian and close friend of the Edwards family documents in her 1742 narrative the dramatic story of her struggle for spiritual enlightenment A private document Gill s journal offers a striking contrast to Edwards s more public writings Featuring scholarly annotations and an extensive introductory essay *The Silent and Soft Communion* is an invaluable historical and theological resource

Eighteenth-Century Conservatism in Christianity and Islam Ralph A. Leo, 2024-06-28 This book examines the world of religious conservatism in Christianity and Islam through a comparison of two eighteenth century traditionalist icons Jonathan Edwards and Mu ammad Ibn Abd al Wahh b Spanning the globe from America to Arabia this book explores the major themes in the lives and works of these most unlikely of bedfellows the Reverend and the Shaykh In many ways Edwards and Ibn Abd al Wahh b are about as far apart as two figures could possibly be Without minimizing their very real differences however this comparative study finds numerous parallels that beckon even the most conservative of Christians and Muslims to take a second look at their own faith as well as the faith of the other The numerous surprising congruences in the worlds of the Reverend and the Shaykh as well as in their conceptions of God humanity and the faith of the other suggest that we stand much to gain from a reassessment of long held views that could lead to wholly new patterns of engagement With implications in diverse fields such as politics law philosophy theology history warfare and anthropology this book unearths striking parallels in Edwards and Ibn Abd al Wahh b that have heretofore gone unnoticed or largely ignored **The Study of**

Spirituality Cheslyn Jones, Geoffrey Wainwright, Edward Yarnold, 1986-12-11 Written by contributors representing the Anglican Roman Catholic Free Church and Orthodox traditions this collection examines the nature and form of individual Christian devotion throughout the centuries Petrus van Mastricht (1630-1706): Text, Context, and Interpretation Adriaan C. Neele, 2020-01-20 Petrus van Mastricht 1630 1706 Text Context and Interpretation is not just a statement of the state of the art on Mastricht studies It also points the way forward for further exploration of Mastricht s thought and the history of Reformed Orthodoxy in general from the Preface by Carl R Trueman This volume presents collected essays from scholars around the world on various aspects of Petrus van Mastricht 1630 1706 theology philosophy and reception in the context of the challenges of orthodoxy in his day This book then locates Mastricht s ideas in the context of the theological and philosophical currents of his day The pre Revolutionary status of theology and philosophy in the wake of the Enlightenment had many of the same problems we see in theology today as relating to the use and appropriation of classical theology in a 21st century context Ideas about the necessity of classical primary sources of Christianity in sustaining Reformed theology are once again becoming important and Mastricht has many insights in this area The last thirty years have witnessed a remarkable revolution in the study of Reformed Orthodoxy that broad movement of theological consolidation which took place in the two centuries between the early breakthroughs of the Reformation and the reorganization of intellectual disciplines within the university world heralded by the arrival of the various intellectual and cultural developments known collectively as the Enlightenment The old models which tended to prioritize one or two figures in the Reformation In place of

this older scholarship we now have a growing number of studies which seek to place Reformed thinkers of the period in a much wider context One of the results of this is that serious scholarly attention is now being directed at figures who were previously neglected such as Petrus van Mastricht a German Dutch theologian who has emerged as significant voices in shaping the Christianity of his day He was the author of a major system of divinity This work is in the process of being translated into English two volumes are available at the time of writing Mastricht is also the subject of a growing body of literature in English of which this volume is a fine example The essays contained in book work represent precisely the range of scholarly interests that the new approach to Reformed Orthodoxy has come to embody Dealing specifically with the areas of theology philosophy and reception this book points toward three critical areas of study

Jonathan Edwards on the Experience of Beauty Dr. Louis J. Mitchell, 2016-07-29 Jonathan Edwards on the Experience of Beauty relates Edwards idea of beauty to his understanding of the psychology of religious experience In his vocabulary of the language of beauty Edwards articulates a traditional understanding of beauty in the various relations that constitute primary and secondary beauty All beauty however is ultimately founded on the beauty of God s Trinitarian being Edwards concept of the sense of the heart related to his psychology of religious experience is articulated as an infusion of God s beauty This experience results in a new perception and manifestation of holiness and beauty in the lives of the saints both individually and corporately True believers are to be proportioned Christians showing forth beauty in their affections Edwards explicated this perspective in sermons treatises especially *Religious Affections* and in a number of cases he presented including the religious experiences of David Brainerd Sarah Edwards and his own awakening and conversion In these cases the language of beauty plays a prominent descriptive role In summary Jonathan Edwards on the Experience of Beauty shows the importance of Edwards idea of beauty for his understanding of genuine religious experience Edwards defines true or genuine religion as an experience of God s beauty that becomes manifested in the beauty of the affections Further in articulating that understanding he utilized the vocabulary of his language of beauty For Jonathan Edwards beauty is the structure of genuine religious experience

Lane, 2011-04-21 In this novel exploration of Reformed spirituality Belden C Lane uncovers a green theology that celebrates a community of jubilant creatures of all languages and species Lane reveals an ecologically sensitive Calvin who spoke of himself as ravished by the earth's beauty He speaks of Puritans who fostered a lusty spirituality in which Christ figured as a lover who encouraged meditation on the wonders of creation He presents a Jonathan Edwards who urged a sensuous enjoyment of God's beauty as the only real way of knowing God Lane argues for the double irony of Reformed spirituality showing that Calvinists who often seem prudish and proper are in fact a people of passionate desire Similarly Reformed Christians who appear totally focused on divine transcendence turn out at times to be closet nature mystics exulting in God's glory everywhere Lane also demonstrates however that a spirituality of desire can be derailed ending in sexual excess and pantheism Ecologically holy longing can be redirected from a contemplation of God's splendor in the earth's beauty to a craving for land itself resulting in disastrous misuse of its resources Between the major chapters of the book are engaging personal essays drawn from the author's own love of nature as a Reformed Christian and providing a thoughtful discussion of contemporary issues of species diversity and the honoring of an earth community *Ethics, Religion, and the Good Society*
