**Marriage Wanted** Debbie Macomber, 1993      Sex and Marriage Cynthia McGill, 2009-10 If you are thinking of filing for divorce because your husband squeezes the toothpaste tube in the middle and stuffs his clean shirts into the drawer without folding them then you need to read Sex and Marriage Myths Uncovered Dr Cynthia L McGill exposes ten myths that she feels are pure fiction that have grown out of television movies and magazines She also lays out the important ingredients of a healthy marriage and explains how to make sex more exciting Yes she does get specific Readers will certainly know what she does with whipped cream And with prayer Dr McGill clearly wants to save your marriage      Country Bride Debbie Macomber, Raeanne Thayne, 2016-02-23 Woodrose Mountain Hoping for a quieter life in Hope s Crossing physical therapist Evie Blanchard instead finds herself despite her better judgment getting involved with single dad Brodie Thorne and his injured daughter Taryn      **Marriage Material** Abigail Ocobock, 2024-11-19 A cutting edge study of marriage s transformative effects on same sex relationships It is no secret that marriage rates in the United States are at an all time low Despite this significant decline the institution of marriage endures in our society amid historic changes to its meaning and practice How does the continuing strength of marriage impact the relationships of same sex couples after the legalization of same sex marriage Drawing on over one hundred interviews with LGBTQ people Marriage Material reveals the transformative impact marriage equality has had on same sex relationships Sociologist Abigail Ocobock looks to same sex couples across a wide age range to illuminate the complex ways institutional mechanisms work in tandem to govern the choices and behaviors of individuals with different marriage experiences Ocobock examines both the influence of marriage on the dynamics of same sex relationships and how LGBTQ people challenge heteronormative assumptions about marriage highlighting the complex interplay between institutional constraint and individual agency Marriage Material presents a bold challenge to dominant scholarly and popular ideas about the decline of marriage making clear that gaining access to legal marriage has transformed same sex relationships both for better and for worse      **Queering Marriage** Katrina Kimport, 2013-11-21 Over four thousand gay and lesbian couples married in the city of San Francisco in 2004 The first large scale occurrence of legal same sex marriage these unions galvanized a movement and reignited the debate about whether same sex marriage as some hope challenges heterosexual privilege or as others fear preserves that privilege by assimilating queer couples In Queering Marriage Katrina Kimport uses in depth interviews with participants in the San Francisco weddings to argue that same sex marriage cannot be understood as simply entrenching or contesting heterosexual privilege Instead she contends these new legally sanctioned relationships can both reinforce as well as disrupt the association of marriage and heterosexuality During her deeply personal conversations with same sex spouses Kimport learned that the majority of respondents did characterize their marriages as an opportunity to contest heterosexual privilege Yet in a seeming contradiction nearly as many also cited their desire for access to the normative benefits of matrimony including social

recognition and legal rights Kimport s research revealed that the pattern of ascribing meaning to marriage varied by parenthood status and in turn by gender Lesbian parents were more likely to embrace normative meanings for their unions those who are not parents were more likely to define their relationships as attempts to contest dominant understandings of marriage By posing the question can queers queer marriage Kimport provides a nuanced accessible and theoretically grounded framework for understanding the powerful effect of heterosexual expectations on both sexual and social categories
