Why Celibacy?: Reclaiming the Fatherhood of the Priest Fr. Carter Griffin, 2019-07-01 The Church today demands a profound renewal of celibate priesthood and the fatherhood to which it is ordered Priestly celibacy some say is an outdated relic from another age Others see it as a lonely way of life But as Fr Carter Griffin argues in *Why Celibacy Reclaiming the Fatherhood of the Priest* the ancient practice of celibacy when lived well helps a priest exercise his spiritual fatherhood joyfully and fruitfully Along the way Griffin explores the question of optional celibacy some pitfalls of celibate paternity the selection and formation of candidates for celibate priesthood why biological fathers are also called to spiritual fatherhood the powerful impact of celibacy on the Church and the wider culture In a critical moment for the Catholic priesthood Fr Griffin brings light and hope with a new perspective on the Church s perennial wisdom on celibacy

On Moral Medicine M. Therese Lysaught, Joseph Kotva, Stephen E. Lammers, Allen Verhey, 2012-07-20 In print for more than two decades *On Moral Medicine* remains the definitive anthology for Christian theological reflection on medical ethics This third edition updates and expands the earlier awardwinning volumes providing classrooms and individuals alike with one of the

finest available resources for ethics engaged modern medicine **¿Por qué el celibato?: Reclamando la paternidad del sacerdote** Fr. Carter Griffin, 2019-09-01 La Iglesia hoy en día exige una renovación profunda del sacerdocio cívico y de su paternidad a la cual está orientada. Algunos dicen que el celibato sacerdotal es una reliquia anticuada de otra época. Otros lo ven como una vida solitaria. Pero como lo expone el P. Carter Griffin en *Por qué el celibato. Reclamando la paternidad del sacerdote*, esta antigua práctica del celibato cuando se vive bien le ayuda al sacerdote a ejercer su paternidad espiritual con alegría y con muchos frutos. A lo largo de su exposición el P. Griffin explora la cuestión del celibato opcional, los desafíos de la paternidad cívica, la elección y formación de los candidatos para el sacerdocio cívico por lo que los padres biológicos también están llamados a la paternidad espiritual, el poderoso impacto que tiene el celibato en la Iglesia y en toda la cultura. En este momento crítico para el sacerdocio católico el P. Griffin ofrece luz y esperanza con una nueva perspectiva de la sabiduría perdurante de la Iglesia en torno al celibato.

International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences, 2002 **The Catholic Citizen** Fellowship of Catholic Scholars. Convention, 2004 The Catholic Church today finds herself at the very center of some of the most important and controversial moral and social developments of our day including abortion, capital punishment, cloning, so-called gay marriage, pacifism and the morality of war, the ethics of healthcare in a technologically advanced but morally deficient society and other related subjects. The Fellowship of Catholic Scholars attempts to address issues such as these by inviting the best and most knowledgeable scholars and commentators to speak at its annual conventions. This book brings together the addresses and responses devoted to these topics at the Fellowship's 26th annual convention in 2003. The contributors include the renowned John Finnis of Oxford and Notre Dame, Mary Eberstadt of the Hoover Institution, Christopher Wolfe of Marquette University, William E. May of the John Paul II Institute, Gerard V. Bradley of the Notre Dame Law School, Patrick Lee of Franciscan University, Steven A. Long of the University of St. Thomas, E. Christian Brugger of Loyola University in New Orleans, J. Brian Benestad of the University of Scranton, the Rev. Michael J. Baxter of Notre Dame and not least the well-known moral theologian Msgr. William B. Smith of St. Joseph's Seminary. Nowhere between two covers can there be found a sharper searchlight trained upon some of the principal moral and social issues of our day than in this collection.

Voices of the New Springtime Fellowship of Catholic Scholars. Convention, 2004 What is the future of the Catholic Church in America? This book provides a very informed answer to this question by collecting the various addresses delivered at the 25th annual convention of the Fellowship of Catholic Scholars on the subject of the new springtime of the Catholic faith so tirelessly preached by Pope John Paul II. The conference was keynoted by Avery Cardinal Dulles, S.J., who at this point in his life is surely the dean of contemporary American Catholic theologians. His considered view of the Church's future, the springtime, is ably supplemented by contributions from such veteran scholars as Elizabeth Fox-Genovese of Emory University and Robert P. George of Princeton writing on the subject of women in the Church and religious liberty respectively. Younger figures such as

Pia De Solenni of the Family Research Council and National Review s Kathryn Jean Lopez add different perspectives on women again and on how the Church is impacted by the modern media Among other speakers is the president of the Catholic University of America dealing with Catholic higher education as it is encountered today The book thus features an up to date take on where the Catholic Church is headed today provided by very knowledgeable observers *The British National Bibliography* Arthur James Wells,2005 **The Catholic Periodical and Literature Index** ,2003 American Book Publishing Record ,2001 **Estudios sobre educación** ,2005 **The Justice of the Peace, and Parish Officer ...
