*The Chymical Wedding of Christian Rosenkreutz, Anno 1459* Christian Rosencreutz,Johann Valentin Andreä,2011

In the twenty first century The Chymical Wedding by Johann Valentin Andreae continues to be acknowledged as a literary gem an exceptional story written in the Western esoteric tradition The story follows the narrator Christian Rosenkreutz on his path toward spiritual knowledge and inner transformation The whole experience of what he first witnesses then in which he participates and finally for which he takes responsibility profoundly challenges him This is an important book for the present critical time of change that is facing humanity We are witnessing the dazzling development of scientific and technological thought yet modern thinking is ill equipped to solve the deeper human mysteries and the social questions The Chymical Wedding invites the reader to

transform the power of scientific thinking into new and more positive ways of viewing the world without losing one's clarity and certainty. The illuminating illustrations by David Newbatt along with the text which has been adapted to modern English bring a fresh approach to this important alchemical tale. This beautifully illustrated edition can help awaken a better understanding of the Rosicrucian initiation path and the spirit and philosophy behind it. Beneath the veil of fascinating imagery in this book is a guide for developing a more meaningful inner life today.     The Chymical Wedding of Christian Rosenkreutz E. E. Pfeiffer, 1947     The Chymical Wedding of Christian Rosenkreutz Johann Valentin Andreae, 2017-01-30

About The Book The Chymical Wedding is an allegoric story divided into Seven Days or Seven Journeys and which tells us how Christian Rosenkreuz was invited to go to a wonderful castle full of miracles in order to assist the Chymical Wedding of the king and the queen. The story is symbolic of alchemy, the Sacred Marriage being the goal. Very esoteric stuff going on here. Excerpt: But inasmuch as this and the like from the Devil who had done me many a spite was no new thing to me I took courage and persisted in my meditation till somebody in an unusual manner touched me on the back whereupon I was so hugely terrified that I dared hardly look about me yet I showed myself as cheerful as in such occurrences human frailty would permit. Now the same thing still twitching me several times by the coat I looked back and behold it was a fair and glorious lady whose garments were all sky coloured and curiously like Heaven bespangled with golden stars in her right hand she bore a trumpet of beaten gold on which a Name was engraved which I could well read but am as yet forbidden to reveal it. In her left hand she had a great bundle of letters of all languages which she as I afterwards understood was to carry to all countries. She also had large and beautiful wings full of eyes throughout with which she could mount aloft and fly swifter than any eagle.

**The Rosicrucian Chemical Marriage: Esoteric Classics** Christian Rosenkreuz, 2020-01-14 The Chemical Marriage appeared anonymously in Germany in 1616. It's one of three primary documents which announced and helped define who the secret society of Rosicrucians were. Presented here is a translated, condensed and modernized version of the original which used heavily veiled language and is difficult to understand at times. The story is told with alchemical symbolism and deals with mystical initiation and it has been the subject of serious occult study for centuries since its first appearance.     A Thousand Years of Yesterdays Harvey Spencer Lewis, 1920     **Light, Life and Love** Rosicrucian, Rosicrucian Editors, 2004-07-01 This is an E-BOOK DOWNLOAD of a rare mystical article extracted from early Rosicrucian magazines.
