hold **Reaching, Teaching and Growing African-American Believers** G. Lovelace Champion, George Champion Sr., 2004-11 Reaching Teaching and Growing African American Believers promotes Christian education in all churches particularly African American churches for adults youth and children Christian Education The Peaceful Wife April Cassidy, 2016-01-27 In today s world women are often rewarded for having type A personalities Driven demanding women achieve higher positions better salaries and praise for their ambition They learn to be confident take charge leaders who can handle anything on their own Yet when it comes to their marriages those same traits can backfire After all no one goes into marriage hoping for a promotion What is a wife to do April Cassidy knows this struggle firsthand She thought she was a great Christian wife and begged God to make her passive husband into a more loving involved godly leader Instead God opened her eyes to changes that she needed to make such as laying down her desire for control and offering genuine unconditional respect not just love to her husband The Peaceful Wife focuses on Cassidy s experience and its life changing properties providing a template for others to follow Cassidy s conclusions may be as shocking to readers as they were to her but she backs up her own tale with stories from her blog readers and also includes recommendations for further study She walks through baby steps on how to change addressing questions such as What is respect How can you show respect How is being respectful different from being loving In the end The Peaceful Wife is a powerful path to God s design for women to live in full submission to Christ as Lord Zion's Herald ,1901 **The Congregationalist and Christian World** ,1904

Redeeming Singleness (Foreword by John Piper) Barry Danylak, 2010-09-01 Though marriage is highly esteemed throughout Scripture the Bible also affirms singleness as an important calling for some Christians Redeeming Singleness expounds a theology of singleness that shows how the blessings of the covenant are now directly mediated to believers through Christ Redeeming Singleness offers an in depth examination of the redemptive history from which biblical singleness emerges Danylak illustrates the continuity of this affirmation of singleness by showing how the Old Testament creation mandate and the New Testament kingdom mandate must both be understood in light of God s plan of redemption through spiritual rebirth in Christ As the trend toward singleness in the church increases the need for constructive theological reflection likewise grows Redeeming Singleness meets this need providing encouragement to those who are single or ministering to singles and challenging believers from all walks of life to reflect more deeply on the sufficiency of Christ
