Married To The Church:

Marriage Herbert O'Driscoll,1998-02 Part of Herbert O Driscoll s Pastoral Series based on the Book of Common Prayer this booklet provides meditations for those interested in what it means to be married in a Christian church and in what the church s expectations and hopes are for those starting a life together Marriage in the Western Church Philip Lyndon Reynolds,2001 Author Philip Reynolds examines how marriage acquired a specifically Christian identity in the Latin West during the first millennium after Christ Beginning with Jesus everything the Christians did including getting married began a process of differentiation Reynolds offers three themes for theological reflection and interpretation Jesus teaching Paul s Letter to the Ephesians and Paul s justification of marriage as a solution to the problem of sexual desire Reynolds insights into the Christianization of marriage make this a valuable book at both the scholarly and the practical level **Marriage and Divorce, 1867-1906** United States. Census Office,1909 **The Gospel & Marriage** Russell D. Moore,Andrew T. Walker,2017 While the culture has never been more confused about the definition of what marriage is those who are married have never been more hopeless about how marriage should be lived The times have never been more crucial for digging deeper past the definition of marriage to the structure of marriage the blessings of marriage and the opportunity for living out the image of the gospel that s embodied within marriage *Marriage* David Engelsma,2014 Although this book s controversial contention that marriage is an unbreakable bond for life gets the most attention today the book is a mainly positive explanation and application of the Bible s teaching about marriage in all of marriage s aspects Marriage is a Reformed pastor s instruction and exhortation to married couples especially young married couples with the purpose that they glorify God in their marriages and enjoy the bliss of this blessed communion of life The timeliness of the book is evident simply from the rate of divorce not alone in North America in the early twenty first century but also in Reformed churches throughout the world The second section is a history of the church s doctrine and practice of marriage from Augustine and the early church through Calvin and the Reformation to the contemporary chaos **Marriage and Divorce, 1867-1906** United States.
