Married To The Foreign Service An Oral History Of The American Diplomatic

Harish C. Mehta

Married To The Foreign Service An Oral History Of The American Diplomatic:

Married to the Foreign Service Jewell Fenzi, 1994 Drawn from 170 interviews with the spouses of U S diplomats Married to the Foreign Service offers a compelling account of spirited and courageous women caught up in the dramatic events of this century s global politics **The Best American History Essays 2007** NA NA, 2016-04-30 This second annual volume from the Organization of American Historians containing the best American history articles published between the summers of 2005 and 2006 provides a quick and comprehensive overview of the topwork and the current intellectual trends in the field of American history With contributions from a diverse group of historians this collection appeals both to scholars and to lovers of history alike **Realities of Foreign Service Life** Associates of the American Foreign Service Worldwide, 2002-10-08 Mention a diplomatic career and most people imagine high level meetings formal dress and cocktail parties Few stop to think that behind the occasional glitter of official functions are thousands of families facing all the routines and crises of life births deaths childrearing divorce far from home relatives and friends in an unfamiliar and sometimes unfriendly country and culture This book provides reflections and perspectives on the realities of Foreign Service life as experienced by members of the Foreign Service community around the world The writers share their unvarnished views on a wide variety of topics they care about maintaining long distance relationships raising teens abroad dealing with depression coping with evacuations readjusting to life in the United States and many others These are stories from the diplomatic trenches true experiences from those who have lived the lifestyle and want to share their hard learned lessons with others If you are new to the Foreign Service this book will offer insights and practical information useful in your overseas tours and when you return home Even if you are a seasoned veteran of the Foreign Service the reports and reflections of others may encourage you to compare and evaluate your own experiences If you or your partner are contemplating joining the Foreign Service this book can serve as a reality check giving you honest personal perspectives on both the positive and negative aspects of Foreign Service life If you are a student wondering what the Foreign Service is all about this book will broaden your knowledge and provide you with an insider s view not found in any textbook *People's Diplomacy of Vietnam* Harish C. Mehta, 2019-08-20 This is the first full length book on the concept of People s Diplomacy promoted by the president of North Vietnam Ho Chi Minh at the peak of the Vietnam War from 1965 1972 It holds great appeal for historians international relations scholars diplomats and the general reader interested in Vietnam A form of informal diplomacy people s diplomacy was carried out by ordinary Vietnamese including writers cartoonists workers women students filmmakers medical doctors academics and sportspersons They created an awareness of the American bombardment of innocent Vietnamese civilians and made profound connections with the anti war movements abroad People s diplomacy made it difficult for the United States to prolong the war because the North Vietnamese together with the peace movements abroad exerted popular pressure on the American presidents Lyndon Johnson and Richard Nixon to end the conflict It was

much more effective than the formal North Vietnamese diplomacy in gaining the support of Westerners who were averse to communism. It damaged the reputation of the United States by casting North Vietnam as a victim of American imperialism.

Doing Oral History : A Practical Guide Donald A. Ritchie, 2003-08-07 Oral history is vital to our understanding of the cultures and experiences of the past. Unlike written history, oral history forever captures people's feelings, expressions, and nuances of language. But what exactly is oral history? How reliable is the information gathered by oral history? And what does it take to become an oral historian? Donald A. Ritchie, a leading expert in the field, answers these questions and, in particular, explains the principles and guidelines created by the Oral History Association to ensure the professional standards of oral historians. *Doing Oral History* has become one of the premier resources in the field of oral history. It explores all aspects of oral history, from starting an oral history project, including funding, staffing, and equipment, to conducting interviews, publishing, videotaping, preserving materials, teaching oral history, and using oral history in museums and on the radio. In this second edition, the author has incorporated new trends and scholarship, updated and expanded the bibliography and appendices, and added a new focus on digital technology and the Internet. Appendices include sample legal release forms and information on oral history organizations. *Doing Oral History* is a definitive step-by-step guide that provides advice and explanations on how to create recordings that illuminate human experience for generations to come. Illustrated with examples from a wide range of fascinating projects, this authoritative guide offers clear, practical, and detailed advice for students, teachers, researchers, and amateur genealogists who wish to record the history of their own families and communities.

Preparing the Next Generation of Oral Historians Barry A. Lanman, Laura M. Wendling, 2006-05-11 *Preparing the Next Generation of Oral Historians* is an invaluable resource to educators seeking to bring history alive for students at all levels. Filled with insightful reflections on teaching oral history, it offers practical suggestions for educators seeking to create curricula.

Explaining the History of American Foreign Relations Michael J. Hogan, Thomas G. Paterson, 2004-01-19 Originally published in 1991, *Explaining the History of American Foreign Relations* has become an indispensable volume not only for teachers and students in international history and political science but also for general readers seeking an introduction to American diplomatic history. This collection of essays highlights a variety of newer, innovative, and stimulating conceptual approaches and analytical methods used to study the history of American foreign relations, including bureaucratic dependency and world systems theories, corporatist and national security models, psychology, culture, and ideology. Along with substantially revised essays from the first edition, this volume presents entirely new material on postcolonial theory, borderlands history, modernization theory, gender, race, memory, cultural transfer, and critical theory. The book seeks to define the study of American international history, stimulate research in fresh directions, and encourage cross-disciplinary thinking, especially between diplomatic history and other fields of American history, in an increasingly transnational, globalizing world.

Doing Oral History Donald A. Ritchie, 2003-08-07 Oral history is vital to our

Oral History Association Newsletter Oral History Association,1994 **Foreign at Home and Away** Margaret Bender,2002-05-07 An Indian born foreign service officer killed in the U S embassy bombing in Nairobi Kenya An Austrian born doctor who volunteered her medical skills in Japan South Vietnam and Iran A French speaking woman from a remote village in Gabon These are just three of the women whose stories are told in this book women born in other countries who through their marriages to American diplomats became representatives of the United States While they experience immigrant life in a unique way they share the challenges faced by other women in cross cultural marriages away from their own countries *Veterans History Project* ,2002 *Breaking Protocol* Philip Nash,2020-01-21 An in depth history of the Big Six the first six female ambassadors for the United States It used to be soon to be secretary of state Madeleine K Albright said in 1996 that the only way a woman could truly make her foreign policy views felt was by marrying a diplomat and then pouring tea on an offending ambassador's lap This world of US diplomacy excluded women for a variety of misguided reasons they would let their emotions interfere with the task of diplomacy they were not up to the deadly risks that could arise overseas and they would be unable to cultivate the social contacts vital to success in the field The men of the State Department objected but had to admit women including the first female ambassadors Ruth Bryan Owen Florence Daisy Harriman Perle Mesta Eugenie Anderson Clare Boothe Luce and Frances Willis These were among the most influential women in US foreign relations in their era Using newly available archival sources Philip Nash examines the history of the Big Six and how they carved out their rightful place in history After a chapter capturing the male world of American diplomacy in the early twentieth century the book devotes one chapter to each of the female ambassadors and delves into a number of

topics including their backgrounds and appointments the issues they faced while on the job how they were received by host countries the complications of protocol and the press coverage they received which was paradoxically favorable yet deeply sexist In an epilogue that also provides an overview of the role of women in modern US diplomacy Nash reveals how these trailblazers helped pave the way for more gender parity in US foreign relations Praise for *Breaking Protocol* Here at last is the long neglected story of America's pioneering women diplomats *Breaking Protocol* reveals the contributions of six trailblazers who practiced innovative statecraft in order to surmount all kinds of obstacles including many posed by their own employer the U S State Department Philip Nash's illuminating study offers an invaluable foundation for our understanding of contemporary foreign policy decision makers Sylvia Bashevkin author of *Women as Foreign Policy Leaders* National Security and Gender Politics in Superpower America Diplomacy is the one field of public political life that has been relatively open to women we need only think of Hillary Clinton Condoleezza Rice and Madeleine Albright In *Breaking Protocol* Philip Nash reminds us of the history of their achievements with an enduring and enticing record of the much longer surprising history of female diplomats and their individual efforts to shape American and international politics Glenda Sluga University of Sydney

The Second Red Scare and the Unmaking of the New Deal Left Landon R.Y. Storrs, 2013 The loyalty investigations triggered by the Red Scare of the 1940s and 1950s marginalised many talented women and men who had entered government service during the Great Depression seeking to promote social democracy as a means to economic reform Their influence over New Deal policymaking and their alliances with progressive labour and consumer movements elicited a powerful reaction from conservatives who accused them of being subversives Landon Storrs draws on newly declassified records of the federal employee loyalty program created in response to fears that Communists were infiltrating the U S government to reveal how disloyalty charges were used to silence these New Dealers and discredit their policies Because loyalty investigators rarely distinguished between Communists and other leftists many noncommunist leftists were forced to leave government or deny their political views Storrs finds that loyalty defendants were more numerous at higher ranks of the civil service than previously thought and that many were women or men with accomplished leftist wives Uncovering a forceful left feminist presence in the New Deal she shows how opponents on the Right exploited popular hostility to powerful women and their effeminate spouses The loyalty program not only destroyed many promising careers it prohibited discussion of social democratic policy ideas in government circles narrowing the scope of political discourse to this day Through a gripping narrative based on remarkable new sources Storrs demonstrates how the Second Red Scare undermined the reform potential of the New Deal and crippled the American welfare state Jacket *A Covert Affair* Jennet Conant, 2011-04-05 By bestselling author Jennet Conant a stunning account of Julia Child's early life as a member of the OSS in the Far East during World War II and the tumultuous years when she and Paul Child were caught up in the McCarthy witch hunt and behaved with bravery and honor Bestselling author Jennet Conant brings us a stunning account of Julia and Paul Child's experiences

as members of the Office of Strategic Services OSS in the Far East during World War II and the tumultuous years when they were caught up in the McCarthy Red spy hunt in the 1950s and behaved with bravery and honor It is the fascinating portrait of a group of idealistic men and women who were recruited by the citizen spy service slapped into uniform and dispatched to wage political warfare in remote outposts in Ceylon India and China The eager inexperienced six foot two inch Julia springs to life in these pages a gangly golf playing California girl who had never been farther abroad than Tijuana Single and thirty years old when she joined the staff of Colonel William Donovan Julia volunteered to be part of the OSS s ambitious mission to develop a secret intelligence network across Southeast Asia Her first post took her to the mountaintop idyll of Kandy the headquarters of Admiral Lord Louis Mountbatten the supreme commander of combined operations Julia reveled in the glamour and intrigue of her overseas assignment and lifealtering romance with the much older and more sophisticated Paul Child who took her on trips into the jungle introduced her to the joys of curry and insisted on educating both her mind and palate A painter drafted to build war rooms Paul was a colorful complex personality Conant uses extracts from his letters in which his sharp eye and droll wit capture the day to day confusion excitement and improbability of being part of a cloak and dagger operation When Julia and Paul were transferred to Kunming a rugged outpost at the foot of the Burma Road they witnessed the chaotic end of the war in China and the beginnings of the Communist revolution that would shake the world A Covert Affair chronicles their friendship with a brilliant and eccentric array of OSS agents including Jane Foster a wealthy free spirited artist and Elizabeth MacDonald an adventurous young reporter In Paris after the war Julia and Paul remained close to their intelligence colleagues as they struggled to start new lives only to find themselves drawn into a far more terrifying spy drama Relying on recently unclassified OSS and FBI documents as well as previously unpublished letters and diaries Conant vividly depicts a dangerous time in American history when those who served their country suddenly found themselves called to account for their unpopular opinions and personal relationships **Foreign Service Journal** ,2002

Meatpackers Rick Halpern,Roger Horowitz,1996 The interviewees speak for themselves with power intelligence and emotion They reveal the importance of the packinghouse employment to midwestern black communities and offer insights into the work experience and family relationships of African Americans **Alice** Stacy A. Cordery,2007 A portrait of Teddy Roosevelt s daughter relates such facts as her tempestuous teen years and flouting of social conventions in order to promote women s rights her infidelity tested marriage to Nicholas Longworth and her criticism of FDR s New Deal prog **Oral**

Married To The Foreign Service An Oral History Of The American Diplomatic Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Married To The Foreign Service An Oral History Of The American Diplomatic PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making

research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Married To The Foreign Service An Oral History Of The American Diplomatic PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Married To The Foreign Service An Oral History Of The American Diplomatic free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Married To The Foreign Service An Oral History Of The American Diplomatic Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Married To The Foreign Service An Oral History Of The American Diplomatic is one of the best book in our library for free trial.
