Catechumenal Pathways for Married Life Dicastery of Laity, Family and Life, 2023-05-22. In every age, the Church must proclaim anew the beauty and abundance of grace contained in the Sacrament of Marriage. Married couples constitute the majority of the faithful, and they are often pillars of support in parishes, schools, apostolates, volunteer groups, and almost every other Catholic institution. Beginning with his apostolic exhortation *Amoris Laetitia*, Pope Francis has expressed his desire for the Church to offer a better and more thorough preparation of engaged couples for marriage. The Holy Father has called for a relatively broad approach inspired by the baptismal catechumenate that would enable couples to celebrate the Sacrament of Marriage with greater awareness, beginning with an experience of faith and personal encounter with Jesus. *Catechumenal Pathways for Married Life* provides pastoral guidelines for dioceses and parishes in strengthening preparation for the Sacrament of Marriage. By investing renewed energy toward this effort, the Church can help couples understand the gift of the Sacrament of Marriage, the meaning of spousal love, and marriage as their authentic vocation.
