Sergey Brin and Larry Page Michael Dell Steve Jobs Est e Lauder T Boone Pickens Russell Simmons Oprah Winfrey Mark Zuckerberg **Branded Women in U.S. Television** Peter Bjelskou, 2014-12-18 Branded Women in U S Television examines how The Real Housewives of New York City Martha Stewart and other female entrepreneurs create branded televised versions of the iconic U S housewife Using their television presence to establish and promote their own product lines including jewelry cookware clothing and skincare they become the primary physical representations of these brands While their businesses are serious and seriously lucrative especially reality television enables a certain representational flexibility that allows participants to create campy and sometimes tongue in cheek personas Peter Bjelskou explores their innovative branding strategies specifically the complex relationships between their entrepreneurial endeavors and their physical bodies attires tastes and personal histories Generally these branded women speak volumes about their contemporaneous political environments and this book illustrates how they and many other women in U S television history are indicative of larger societal trends and structures **Enterprising Women** Virginia G. Drachman, 2002 An inspiring collection of American women entrepreneurs introduces readers to women who have cared out their own slice of the economic pie from Colonial times to present **The Strange Death of Liberal America** Ralph Brauer, 2006-05-30 Ralph Brauer defines Liberal America as a place where government exists to keep the playing field level The success of the American experiment he argues depends on how well we maintain this equity and its four cornerstones economic justice educational equity voting rights and media fairness His book is both a political and intellectual history examining the various threats to these cornerstones and a social and cultural chronicle Touching on music television movies and sports Brauer s thesis is underscored by a historical discussion that begins with the New Deal and works its way to the present ending with Global Warming and the Iraq War Arguing that the patient is in intensive care Brauer identifies three reasons for the decline of the level playing field 1 a Republican counterrevolution dedicated to rolling back the values of the New Deal 2 an inability of both parties to answer questions raised by decades of Civil Rights revolutions and 3 the transformation of suburban America from a place of opportunity created by government programs to a battleground These three ideas form the basis for the book s three sections Part One follows the development of the Counterrevolutionary Coalition beginning with the Southern Strategy and ending with a chapter on America s politicized media Part Two focuses on questions that have been raised by people of color and by women and treats the Democratic Party s failure to answer those questions as illustrated by events like the Nader LaDuke campaign and the 1964 Atlantic City convention Part Three details the impact of suburban America on the cornerstones **The Post-Truth Era** Ralph Keyes, 2004-10-03 Dishonesty inspires more euphemisms than copulation or defecation This helps desensitize us to its implications In the post truth era we don t just have truth and lies but a third category of ambiguous statements that are not exactly the truth but fall just short of a lie Enhanced truth it might be called Neo truth Soft truth Faux truth Truth lite Deception has become the modern way of life Where once the boundary line

between truth and lies was clear and distinct it is no longer so In the post truth era deceiving others has become a challenge a game a habit High profile dissemblers compete for news coverage from journalists like Jayson Blair and professors like Joseph Ellis to politicians of all stripes executives and creative accountants Research suggests that the average American tells multiple lies on a daily basis often for no good reason Not a finger wagging scolding The Post Truth Era is a combination of Ralph Keyes s investigative journalism and solid science The result is a spirited exploration of why we lie about practically everything and the consequences such casual dishonesty has on society American society has become permeated from top to bottom by deception Its consequences for the nature of public discourse media business literature academia and politics are profound With dry humor passionate fervor and deep understanding Ralph Keyes takes us on a tour of a world where truth and honesty are no longer absolutes but mutable fluid concepts
