## **Martha Quest:**

**Martha Quest** Doris Lessing, 1995-09-01 Martha Quest is a passionate and intelligent young woman living on a farm in Africa feeling her way through the torments of adolescence and early womanhood to marriage She is a romantic idealist in revolt against the puritan snobbery of her parents trying to live to the full with every nerve emotion and instinct bared to experience For her this is a time of solidarity reading daydreams dancing and the first disturbing encounters with sex Martha Quest is the first novel in Doris Lessing's classic Children of Violence sequence of novels each a masterpiece in its own right and taken together an incisive all encompassing vision of our world in the twentieth century

**Martha Quest** Doris Lessing, 2009-12-22 I read the Children of Violence novels and began to understand how a person could write about the problems of the world in a compelling and beautiful way And it seemed to me that was the most important thing I could ever do Barbara Kingsolver Intelligent sensitive and fiercely passionate Martha Quest is a young woman living on a farm in Africa feeling her way through the torments of adolescence and early womanhood She is a romantic idealistic in revolt against the puritan snobbery of her parents trying to live to the full with every nerve emotion and instinct laid bare to experience For her this is a time of solitary reading daydreams dancing and the first disturbing encounters with sex The first of Doris Lessing's timeless Children of Violence novels Martha Quest is an endearing masterpiece

**Martha Quest** Doris Lessing, 1993 The opening book in the Nobel Prize for Literature winner's Children of Violence series tracing the life of Martha Quest from her childhood in colonial Africa to old age in post nuclear Britain When we first meet Martha Quest she is a girl of fifteen living with her parents on a poor African farm She is eager for life and resentful of the deadening narrowness of home and escapes to take a job as a typist in the local capital Here in the big city she encounters the real life she was so eager to know and understand As a picture of colonial life Martha Quest succeeds by the depth of its realism alone but always at its centre is Martha a sympathetic figure drawn with unrelenting objectivity Martha's Africa is Doris Lessing's Africa the restrictive life of the farm the atmosphere of racial fear and antagonism the superficial sophistication of the city And both Martha and Lessing are Children of Violence the generation that was born of one world war and came of age in another whose abrasive relationships with their parents with one another and with society are laid bare brilliantly by a writer who understands them better than any other
