Martha Washington:

Martha Washington Patricia Brady, 2006-05-30 With this revelatory and painstakingly researched book Martha Washington the invisible woman of American history at last gets the biography she deserves In place of the domestic frump of popular imagination Patricia Brady resurrects the wealthy attractive and vivacious young widow who captivated the youthful George Washington Here are the able landowner the indomitable patriot who faithfully joined her husband each winter at Valley Forge and the shrewd diplomat and emotional mainstay And even as it brings Martha Washington into sharper and more accurate focus this sterling life sheds light on her marriage her society and the precedents she established for future First Ladies

Martha Washington Helen Bryan, 2007-08-03 A contemporary anecdote not only confirms that Martha commanded respect in her own right during her lifetime but also suggests an awkward truth later historians have preferred to ignore that without Martha and her fortune George might never have risen to social military and political prominence Toward the end of his life George Washington war hero retired president and object of universal fame and veneration was negotiating to purchase a plot of land in the new capital city to be named in his honor The seller an aged veteran of the Revolution was reluctant to part with the plot even to so distinguished a purchaser Washington persisted until the veteran s patience snapped You think people take every grist that comes from you as the pure grain What would you have been if you hadn t married the Widow Custis from the Introduction to Martha Washington First Lady of Liberty From the glittering social life of Virginia s wealthiest plantations to the rigors of winter camps during the American Revolution Martha Washington was a central figure in some of the most important events in American history Her story is a saga of social conflict forbidden love affairs ambiguous wills mysterious death heartbreaking loss and personal and political triumph Every detail is brought to vivid life in this engaging and astonishing biography of one of the best known least understood figures in early American life

George and Martha Washington Flora Fraser, 2016-11-03 An enthralling revealing portrait of the marriage of George and Martha Washington from bestselling biographer Flora Fraser George and Martha tells the story of a couple a family and country with sympathy and huge skill Sunday Telegraph George and Martha Washington of Mount Vernon Virginia were America s original first couple From the 1750s when young soldier George wooed and wedded Martha Dandridge Custis a pretty and rich young widow to the forging of a new nation Flora Fraser traces the development both personal and political of an historic marriage The private sphere their love of home and country the two children Martha brings to this union from a previous marriage and the confidence she instilled in her beloved second spouse forms the backdrop to an increasingly public partnership The leading role played by Virginia in the resistance to British taxation

galvanised the pair radicalising their politics and in 1775 George Washington was appointed commander in chief of the American rebels In the eight harsh years of the American War of Independence which followed Martha's staunch support for her husband never wavered But the eventual victory at Yorktown in 1781 and Washington's retirement which followed were overshadowed by the death of her son Jacky Interweaving the progress and reversals of war the siege of icebound Boston the loss of New York and the crossing of the Delaware with George and Martha's private joys and sorrows this is a mesmerizing rendering of two formidable characters Flora Fraser's revealing account is the first scholarly portrait of a union which owed its strength in equal measure to both parties in a narrative enhanced by a close reading of personal military and presidential papers Fraser brings George and Martha Washington to life afresh he a man who aspired to greatness and she a woman who when tested proved an ideal spouse to commander and president alike **Martha Washington** Anne Hollingsworth Wharton,1897 *Martha Washington* Jean Brown Wagoner,1986-10-31 A biography stressing the childhood of America's first First Lady **Martha Washington** Joanne Mattern,2007-08-15 This book introduces young readers to the life of Martha Washington beginning with her childhood in Virginia Readers will become familiar with her steadfastness as they learn about her first marriage to Daniel Custis as a young girl and later her second marriage to George Washington The book details Mrs Washington's life at Mount Vernon her courage during the American Revolution and her time as First Lady acting as hostess both in New York City New York and Philadelphia Pennsylvania Informative sidebars and full color photos accompany easy to read engaging text Includes timeline fun facts index and glossary **Martha Washington** Ellen McCallister Clark,2002 A line from an Alexandria newspaper's obituary for Martha Washington aptly summarizes the essential role she played She was the worthy partner of the worthiest of men **Martha Washington** Sally Lee,2010-07 Simple text and photographs describe the life of Martha Washington Provided by publisher **Martha Washington** Suzanne Slade,2007-09 Married to the first president of the United States Martha Washington was a model of respect and grace Find out how the brave girl from Virginia created high standards for other first ladies *Martha Washington* Wharton Anne Hollingsworth,1901 **Martha Washington** Stephanie Sammartino McPherson,1998 This book traces the life of the wife of first president George Washington from her childhood in Virginia to her marriage to Daniel Parke Custis and her years as a wealthy widow through her marriage to Washington It highlights her role in supporting Washington through the years of the American Revolution showing how she set standards to be followed by future First Ladies throughout American history **Martha Washington** Benson John Lossing,1864 *Power Couple : George and Martha Washington | Historical Biographies Grade 4 | Children's Biographies* Dissected Lives,2020-12-31 In this book you will read about the intertwined lives of George and Martha Washington You will also learn about the pre-existing socio-economic situation present during their era which led to the decisions and actions made Reading about the lives of those who lived before you will influence how you view modern times Go ahead and start reading today **Martha Washington** Patricia Brady,2008-05-22
