important to them as the articles *Poultry, Garden and Home* ,1908 **House & Garden** ,1999 **Of Gardens** Paula Deitz,2011-11-29 Paula Deitz has delighted readers for more than thirty years with her vivid descriptions of both famous and hidden landscapes Her writings allow readers to share in the experience of her extensive travels from the waterways of Britain s Castle Howard to the Japanese gardens of Kyoto and home again to New York City s Central Park Collected for the first time the essays in *Of Gardens* record her great adventure of continual discovery not only of the artful beauty of individual gardens but also of the intellectual and historical threads that weave them into patterns of civilization from the modest garden for family subsistence to major urban developments Deitz s essays describe how people over many centuries and in many lands have expressed their originality by devoting themselves to cultivation and conservation During a visit to the Abby Aldrich Rockefeller Garden in Seal Harbor Maine Deitz first came to appreciate the notion that landscape architecture can be as intricately conceived as any major structure and is indeed the means by which we redeem the natural environment through design Years later as she wandered through the gardens of Versailles she realized that because gardens give structure without confinement they encourage a liberation of movement and thought In *Of Gardens* we follow Deitz down paths of revelation viewing A Bouquet of British Parks Liverpool Edinburgh and London the parks and promenades of Jerusalem the Moonlight Garden of the Taj Mahal a Tuscan style villa in southern California and the rooftop garden at Tokyo s Mori Center among many other sites Deitz covers individual landscape architects and designers including Andr Le N tre Frederick Law Olmsted Beatrix Farrand Russell Page and Michael Van Valkenburgh She then features an array of parks public places and gardens before turning her attention to the burgeoning business of flower shows The volume concludes with a memorable poetic epilogue entitled A Winter Garden of Yellow **Old-House Journal** ,2006-07 Old House Journal is the original magazine devoted to restoring and preserving old houses For more than 35 years our mission has been to help old house owners repair restore update and decorate buildings of every age and architectural style Each issue explores hands on restoration techniques practical architectural guidelines historical overviews and homeowner stories all in a trusted authoritative voice **Garden of Graves** Keary Taylor,2017-06-27 The King has arrived in Boston Lexington confessed to a crime he didn t commit to save Elle s life Now she s summoned the one and only person who can spare him but it comes at a dangerous price confessing every one of her secrets to the King That she is the one who has been curing the Bitten and who the true father of her unborn child is Trying to do good comes with unforeseen consequences a cured Bitten one who should have just walked away and tried to forget wants revenge The cycle must stop and the only way to do it is to expose all vampires to the world The decree has been made the fate of Charles Allaway is sealed he will die But first they have to find him No more hiding Elle is ready to take her fate and that of her child into her own hands *Sunnyside Gardens* Jeffrey A. Kroessler,2021-04-06 The first book devoted to this landmark of architecture urban planning and social engineering Situated in the borough of Queens New York Sunnyside Gardens has been an icon of urbanism and planning

since its inception in the 1920s Not the most beautifully planned community nor the most elegant and certainly not the most perfectly preserved Sunnyside Gardens nevertheless endures as significant both in terms of the planning principles that inspired its creators and in its subsequent history Why this garden suburb was built and how it has fared over its first century is at the heart of Sunnyside Gardens Reform minded architects and planners in England and the United States knew too well the social and environmental ills of the cities around them at the turn of the twentieth century Garden cities gained traction across the Atlantic before the Great War and its principles were modified by American pragmatism to fit societal conditions and applied almost as a matter of faith by urban planners for much of the twentieth century The designers of Sunnyside Clarence Stein Henry Wright Frederick Ackerman and landscape architect Marjorie Cautley crafted a residential community intended to foster a sense of community among residents Richly illustrated throughout with historic and contemporary photographs as well as architectural plans of the houses blocks and courts Sunnyside Gardens first explores the planning of Sunnyside beginning with the English garden city movement and its earliest incarnations built around London Chapters cover the planning and building of Sunnyside and its construction by the City Housing Corporation the design of the homes and gardens and the tragedy of the Great Depression when hundreds of families lost their homes The second section examine how the garden suburbs outside London have been preserved and how aesthetic regulation is enforced in New York The history of the preservation of Sunnyside Gardens is discussed in depth as is the controversial proposal to place the Aluminaire House an innovative housing prototype from the 1930s on the only vacant site in the historic district Sunnyside Gardens pays homage to a time when far sighted and socially conscious architects and planners sought to build communities not merely buildings a spirit that has faded to near invisibility     Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954 ,1990
