## **Martin Luther King Assassination Cassettes:**

**The Man Who Killed Martin Luther King** Mel Ayton, 2023-04-06 Doubts about James Earl Ray Dr Martin Luther King's lone assassin arose almost immediately after the civil rights leader was fatally shot on the balcony of the Lorraine Motel in Memphis on 4 April 1968. From the start his aides voiced suspicions that a conspiracy was responsible for their leader's death. Over time many Americans became convinced the government investigations covered up the truth about the alleged assassin. Exactly what led Ray to kill King continues to be a source of debate as does his role in the murder. However Mel Ayton believes the answers to the many intriguing questions about Ray and how conspiracy ideas flourished can now be fully understood. Missing from the wild speculations over the past fifty-two years has been a thorough investigation of the character of King's assassin. Additionally the author examines exactly how the conspiracy notions came about and the falsehoods that led to their promulgation. *The Man Who Killed Martin Luther King* is the first full account of the life of James Earl Ray based on scores of interviews provided to government and non-government investigators and from the FBI's and Scotland Yard's files plus the recently released Tennessee Department of Corrections prison record on Ray. Most importantly the testimony of Anna Sandhu has often been ignored by writers but her story is crucial in gaining an understanding of Ray's deceptive ways. A courtroom artist who after listening to Ray's story later married him. Also missing from accounts of the alleged conspiracy is the story told to this author by Brushy Mountain State Penitentiary Deputy Warden Rolland H. Cisson which decisively renders Ray's claims of innocence to be bogus. In the short-lived freedom he acquired after escaping from the Missouri State Penitentiary in 1967 following being sentenced to twenty years in prison for repeated offenses he traveled to Los Angeles and decided to seek notoriety as the one who would stalk and kill Dr King who he had come to hate vehemently. From the time of King's murder the reader will follow Ray to solitary confinement in a Nashville prison. Then six years later on 10 June 1977 James Earl Ray again escaped from prison this time with five others. Ray was the last to be recaptured having survived only on wheatgerm. Finally the book relays Ray's stabbing by several black inmates then his resulting diagnosis with Hepatitis C which caused his death twelve years later in 1998. *The Conspiracy Behind the Murder of Martin Luther King, Jr.* Various Authors, 2020-06-16 Martin Luther King Jr was an American Christian minister and activist who became the most visible spokesperson and leader in the Civil Rights Movement from 1955 until his assassination in 1968. King is best known for advancing civil rights through nonviolence and civil disobedience inspired by his Christian beliefs and the nonviolent activism of Mahatma Gandhi. FBI Director J. Edgar Hoover considered him a radical and made him an object of the FBI's COINTELPRO from 1963 on. FBI agents investigated him for possible communist ties, recorded his extramarital liaisons and reported on them to government officials and in 1964 mailed King a threatening anonymous letter which he interpreted as an attempt to make him commit suicide. Before his death King was planning a national occupation of Washington D.C. to be called the Poor People's Campaign when he was assassinated on April 4 in Memphis Tennessee. His

death was followed by riots in many U S cities Allegations that James Earl Ray the man convicted of killing King had been framed or acted in concert with government agents persisted for decades after the shooting In December 1993 decades after the murder Loyd Jowers a white man from Memphis asserted that the Mafia and the U S government were involved in a conspiracy against Martin Luther King Jowers claimed that he participated in a conspiracy to kill Dr King along with an alleged Mafia figure Memphis police officers and a man named Raoul For 30 years others have similarly alleged that Ray was Raoul s unwitting pawn and that a conspiracy orchestrated Dr King s murder These varied theories have generated several comprehensive government investigations regarding the assassination none of which confirmed the existence of any conspiracy United States Department of Justice has examined all allegations and presented its findings in this report *The Murder of Martin Luther King* United States Department of Justice,2018-03-21 This eBook has been formatted to the highest digital standards and adjusted for readability on all devices Martin Luther King Jr was assassinated at the Lorraine Motel in Memphis TN on April 4 1968 In December 1993 decades after the murder Loyd Jowers a white man from Memphis asserted that the Mafia and the U S government were involved in a conspiracy against Martin Luther King Jowers claimed that he participated in a conspiracy to kill Dr King along with an alleged Mafia figure Memphis police officers and a man named Raoul For 30 years others have similarly alleged that Ray was Raoul s unwitting pawn and that a conspiracy orchestrated Dr King s murder These varied theories have generated several comprehensive government investigations regarding the assassination none of which confirmed the existence of any conspiracy United States Department of Justice has examined all allegations and presented its findings in this report *Investigation of the Assassination of Martin Luther King, Jr* United States. Michael Martinez, 2017-11-14 The long dark history of political violence in the United States Violence has been employed to achieve political objectives throughout history Taking the life of a perceived enemy is as old as mankind Antiquity is filled with examples of political murders such as when Julius Caesar was felled by assassins in 44 BCE While assassinations and assassination attempts are not unique to the American way of life denizens of other nations sometimes look upon the US as populated by reckless cowboys owing to a Wild West attitude about violence especially episodes involving guns In this book J Michael Martinez focuses on assassinations and attempts in the American republic Nine American presidents Andrew Jackson Abraham Lincoln James A Garfield William McKinley Harry S Truman

John F Kennedy Richard Nixon Gerald Ford and Ronald Reagan have been the targets of assassins President elect Franklin D Roosevelt was also a target shortly before he was sworn into office in 1933 Moreover three presidential candidates Theodore Roosevelt Robert F Kennedy and George Wallace were shot by assailants In addition to presidents and candidates for the presidency eight governors seven U S senators nine U S House members eleven mayors seventeen state legislators and eleven judges have been victims of political violence Not all political assassinations involve elected officials Some of those targeted such as Joseph Smith Malcolm X and Martin Luther King Jr were public figures who influenced political issues But their cases are instructive because of their connection to and influence on the political process No other nation with a population of over 50 million people has witnessed as many political assassinations or attempts These violent episodes trigger a series of important questions First why has the United States a country constructed on a bedrock of the rule of law and firmly committed to due process been so susceptible to political violence Martinez addresses these questions as he examines twenty five instances of violence against elected officials and public figures in American history
