From Wanderer to Warrior Marie A. Bliemeister,2019 Author s abstract Children s fantasy series have been set in the Medieval Era a way to explore contemporary themes This use of the Medieval Era is known as medievalism where authors can explore contemporary issues by comparing them to the past Bradford 3 Brian Jacques the author of the popular children s series Redwall uses many aspects of the Medieval Era such as prophecies glory and battle and visions or dreams to effectively spin a good yarn while commenting on the religious development of England in the late twentieth century English moral was down due to the devastation of World War Two and religious ideals were facing rebuke by the rising notions of secularism To present this in his series Jacques s use of Medieval religion is superficial because his characters do not recognize the Christian God Instead the Redwallers follow the call of Martin the Warrior Redwall Abbey s patron and founder In addition Jacques makes use of Arthurian legend to set Martin apart from the other warriors and woodlanders in the texts Martin the Warrior and By the end of Luke the Warrior Martin has become the spiritual center of the texts and his spirit returns to guide the Redwallers in times of danger The Redwallers do not believe in a heaven or a hell though an afterlife is mentioned in Mossflower and Martin returns to secure earthly paradise and not to grant heavenly salvation Redwall #6: Martin the Warrior Brian Jacques,1994 Captured and enslaved by the corsair stoat Badrang young mouse warrior Martin vows to end the evil beast s plundering and killing

imaginations places filled with mythological characters and magical landscapes where we had stunning experiences punctuated by the harmless pleasures that any child's mind can conjure. These worlds sometimes end up in our childhood fictions which have in turn shaped countless imaginations and childhood adventures. The essays in this book attempt to comprehend the worlds of children's progressive fiction from how they are created to how they affect readers. This book explores what happens when speculative genres fantasy horror and science fiction and imaginative spaces collide headlong with the realities and surrealities of modern childhood. It moves back and forth between Oz Wonderland Redwall and Fear Street and explores series such as Nancy Drew Inkheart The Mortal Instruments the Miss Peregrine series and more. Many of these works feature children who must save the day to stop the bad guy kill the monster complete the quest and rescue adults leading us to wonder if fantastic spaces in children's progressive fiction are really helping kids prepare to save the world rather than helping them temporarily escape it.
