

Martin Van Buren Presidents

Steven Wallace

Martin Van Buren Presidents:

The Presidency of Martin Van Buren Major L. Wilson, 1984 Martin Van Buren eighth president of the United States has been judged harshly by some historians as a politician by trade and a spoilsman without principles a little magician who was interested only in his own advancement This volume provides a thorough recounting of the events and decisions of Van Buren s White House years 1837 1841 and adds to the positive reappraisal of Van Buren as an able statesman and effective chief executive Wilson stresses that Van Buren faced the major problems of his presidency with courage and consistency and that he brought repose to a nation wrenched both by sectional differences and by the violent fluctuations of economic expansion and contraction Wilson discusses Van Buren s close relationship with Andrew Jackson and substantially qualifies the persistent interpretation of the Van Buren presidency as the third term of Jackson Van Buren a pragmatic Jeffersonian with a statesmanlike concern for order reversed Jackson s priorities Wilson describes how Van Buren resolved the crisis with Mexico and succeeded in keeping peace with Britain at a time when incidents arising out of rebellion in Canada and the disputed Maine boundary might have precipitated war The most distinctive contribution of this volume is its in depth analysis of the economic and political aspects of Van Buren s domestic policy especially the Independent Treasury the issue that gave basic shape to his entire presidency Jackson had divorced the Treasury from the national bank Van Buren took one further step and rendered the operations of the Treasury independent of the state banks as well By the end of his term debate on the issues of currency and enterprise had brought the second party system in the U S to maturity In 1840 Van Buren s views in this area would cost him reelection This study sheds lights on a turbulent period in American history and contributes to our understanding of Martin Van Buren s achievements He kept the nation out of war reduced sectional tensions and established the basis for a fiscal policy which he believed would bring greater stability to economic development **Martin Van Buren** Ted Widmer, 2005-01-05 The first president born after America s independence ushers in a new era of no holds barred democracy The first professional politician to become president the slick and dandyish Martin Van Buren was to all appearances the opposite of his predecessor the rugged general and Democratic champion Andrew Jackson Van Buren a native Dutch speaker was America s first ethnic president as well as the first New Yorker to hold the office at a time when Manhattan was bursting with new arrivals A sharp and adroit political operator he established himself as a powerhouse in New York becoming a U S senator secretary of state and vice president under Jackson whose election he managed His ascendancy to the Oval Office was virtually a foregone conclusion Once he had the reins of power however Van Buren found the road quite a bit rougher His attempts to find a middle ground on the most pressing issues of his day such as the growing regional conflict over slavery eroded his effectiveness But it was his inability to prevent the great banking panic of 1837 and the ensuing depression that all but ensured his fall from grace and made him the third president to be denied a second term His many years of outfoxing his opponents finally caught up with him Ted Widmer a veteran of the Clinton White House

vividly brings to life the chaos and contention that plagued Van Buren's presidency and ultimately offered an early lesson in the power of democracy. Widmer Young America paints a brief but elegant portrait of our eighth president who Widmer says created the modern political party system for which he deserves our grudging respect. Publishers Weekly **Martin Van Buren** Caroline Evensen Lazo, 2005-01-01 Traces the life and career of the eighth president who led the United States through its first economic depression **Martin Van Buren** Ted Widmer, 2005 Martin Van Buren Biography, 2008-03-01 Martin Van Buren Old Kinderhook is the biography of Martin Van Buren the eighth President of the United States serving in office from 1837 to 1841. Before his presidency Van Buren served as the eighth Vice President 1833-1837 and the 10th Secretary of State under President Andrew Jackson. He was also a key organizer of the Democratic Party. Van Buren was the first President in history who did not experience the American Revolution firsthand. Martin Van Buren Old Kinderhook is highly recommended for those interested in reading more about the life of President Martin Van Buren **Martin Van Buren** Lesli J. Favor, 2003 Examines the life of the lawyer politician who became the eighth president of the United States and led the country through its first serious depression The autobiography of Martin Van Buren. Van Buren, Martin, 1920-01-01

Martin Van Buren BreAnn Rumsch, 2009-01-01 The United States president preserves, protects and defends the U.S. Constitution. Each president's term influences events in America and around the world for years to come. This biography introduces young readers to the life of Martin Van Buren beginning with his childhood in Kinderhook, New York. Information about Van Buren's early career as a lawyer is discussed. In addition, his family and personal life as well as his retirement years at Lindenwald is highlighted. Easy to read text details Van Buren's political career as a New York state senator, member of the Albany Regency, U.S. senator where he served as chairman of the Committee on the Judiciary, governor of New York and secretary of state and member of the Kitchen Cabinet under President Andrew Jackson. Finally, students will explore key events from Democratic president Van Buren's administration including the Trail of Tears, the Second Seminole War and passage of the Independent Treasury Act. Beautiful graphics showcase the primary source documents and photographs. A timeline, fast facts and sidebars help put essential information at students' fingertips. In addition, a quick reference chart provides easy access to facts about every U.S. president. Checkerboard Library is an imprint of ABDO Publishing Company.

Martin Van Buren and the Emergence of American Popular Politics Joel H. Silbey, 2002 Martin Van Buren was a one-term president whose public life has long been overshadowed by the more fiery personalities of his day: Andrew Jackson, Henry Clay, Daniel Webster and John C. Calhoun. Nevertheless, Van Buren was a transforming political figure in American history, one of the first of the new republic's professional politicians. In the early part of the nineteenth century, America was skeptical of popular politics, distrustful of political parties and disdainful of political management. However, as prominent historian Joel H. Silbey demonstrates, Martin Van Buren took the lead among his contemporaries in remolding the old political order as he captured the New York state governorship, a seat in the United States Senate and ultimately the Presidency. Silbey argues

that Van Buren recognized the need for effective national political organization and in the process helped remake America's political culture. Martin Van Buren and the Emergence of American Popular Politics takes a fresh look at the life and political career of one of America's most often overlooked yet most influential public figures. **The Life of Martin Van Buren** Davy Crockett, Augustin Smith Clayton, 1835 **Martin Van Buren** Anne Welsbacher, 2001 A simple biography of an United States president Martin Van Buren Innovating History, 2019-06-03 Martin Van Buren was the eighth President of the United States. He was the first US citizen to become President. He was also a capable politician, a shrewd negotiator, and the first politician to create an administrative infrastructure to support his election campaigns. He served as Governor of New York City and Vice President in the Andrew Jackson administration before he easily won the Presidential election of 1836. Yet Martin Van Buren has been almost completely forgotten by history. Why is that? Van Buren was no less able than many of his contemporaries yet they are remembered while he is not. Perhaps it was because he lacked the flamboyant personality of many early US politicians. Perhaps it was because The Little Magician liked to work his magic behind the scenes rather than in the glare of publicity. Perhaps it is simply that he is considered a failed President because he was unable to deal with the financial crisis which engulfed America during his Presidency. This book looks at the life and work of one of the least known and appreciated Presidents of the United States. It also highlights some intriguing facts about Van Buren's life including the surprising omissions in his autobiography, his part in the scandalous Petticoat Affair, and the little known link between President Van Buren and The Legend of Sleepy Hollow. Rediscover America's forgotten President in this book which covers Early Life in New York State, Entry into State politics, National politics, and the emergence of the Sly Fox Presidency and the Financial Crisis, Later life, Legacy. **The Life and Political Opinions of Martin Van Buren** William M. Holland, 1835

Martin Van Buren Steven Wallace, 2021-01-13 Martin Van Buren: A Fascinating Biography of the 8th United States President showcases the life and political career of a man who championed for the expansion of voting rights and would later overcome an attempt to rig the Presidential election by the opposing party to take his place in American history. In his continuing series on American presidents, Steven Wallace presents the lifelong biography of the patriotic eighth President of the United States. Before the Panic of 1837, the second worst depression in American history, poisoned his career and term as president, Martin Van Buren was a passionate politician who hoped to move America forward. Born just six years after the founding of the United States, Martin Van Buren seemed destined for politics. Known throughout his career as Little Van for his short stature, his impact on America was certainly not minimal. From the age of fourteen, the democratic Van Buren began a political career as an apprentice. He would later go on to fulfill several positions including senator for New York state, a brief stint as Governor, Andrew Jackson's Secretary of State, and eventually President. His incredible life also led him to become directly involved in intriguing events such as the War of 1812 and the Petticoat Affair. Enjoy this concise and interesting biography about the eighth President of the United States whose impressive political career was overshadowed by

the second worst depression in the nation s history Martin Van Buren Hourly History,2017-06-07 Martin Van Buren

Martin Van Buren the eighth president of the United States was the first president who was born an American and not a British citizen a change in demographic which reflects his modern influence upon the office he held His rise to political power began in the humble setting of Kinderhook New York where he was born to Dutch parents who ran a tavern frequented by the Empire State s political elite including Alexander Hamilton and Aaron Burr Inside you will read about An American is Born The Little Magician Van Buren Enters the National Stage President Jackson s Right Hand Man Van Buren s Turn In and Out of the White House The Legacy of the Little Magician And much more From his earliest involvement in government Van Buren was committed to the nurturing of political parties as a way to deliver the most effective leadership to the American people He was a loyal supporter of President Andrew Jackson but when Van Buren took office he inherited the financial crisis that Jackson s policies had helped to create The Panic of 1837 brought the economic prosperity of the country to a screeching halt and ultimately Van Buren who was not re elected for a second term paid the price Whatever his failings as a president he was a pre eminent politician and when the story of America is told Van Buren s contribution to the political process must be highly ranked **Martin Van Buren** Steven Ferry,2001-08 Discusses the early life family political career and contributions of the eighth president of the United States **Martin Van Buren** John Niven,1983 Biography of the 8th president Emphasis on political aspects of his life *Biography of Martin Van Buren, Vice President of the United States* William Emmons,1835 **Martin Van Buren, to the End of His Public Career** George Bancroft,1889 **Sketches of the Life of Martin Van Buren, President of the United States** Moses Dawson,1840
