Martin Kippenberger's Magical Misery Tour, 2018 The Magical Misery Tour is an artist tour Kippenberger collects material and interacts with the urban structures resulting in numerous actions in public space B ckler s job is to document all of this More than 150 pictures are taken in which both her personal gaze and the visions of the legendary artist flow together Kippenberger poses in front of modernist sculptures and buildings Taped on a giant advertising beer bottle kneeling on the beach of Macei imitates the oak planter of the 50 pfenning piece with a small palm tree Martin gives public sculptures new names or signs them with his mark The trip also includes the legendary purchase of the Martin Bormann petrol station We stop at a petrol station that Martin wants to buy in full and baptizes it with the name Petrol station Martin Bormann He explains to me that Bormann was a high ranking Nazi who escaped to South America and now runs a gas station somewhere in Brazil

Martin Kippenberger Chris Reitz, 2023-06-06 An illuminating study of the work of artist Martin Kippenberger whose art expressed the enthusiasms and frustrations of the West German middle class Martin Kippenberger Everything Is Everywhere is the first scholarly monograph in English on West German artist Martin Kippenberger 1953 1997 one of the most prominent German artists of the 1980s In this book Chris Reitz shows that the condition of Kippenberger s art was an endless enthusiastic searching constrained by the impossibility of fulfillment A child during West Germany s Wirtschaftswunder the economic miracle of the 1950s and 1960s and a young adult during the economic recession and political tumult of the 1970s Kippenberger belonged to the first truly postwar generation But largely uninterested in the legacy of National Socialism that had occupied his predecessors Kippenberger instead pursued a hyperproductive artistic practice that reflected the dreams and fears of the ascendent 1980s West German middle class Kippenberger s ambitions took him everywhere he founded a museum in Greece invested in a fashion business and a restaurant and even bought a gas station in Brazil He made art in a dizzying range of genres from paintings to poetry from posters to stickers He made art out of his appetites too producing art on the theme of his own alcoholism Intensely entrepreneurial Kippenberger carried out an artistic practice in which his diverse endeavors and the people who joined him in them were all connected in a sprawling network Reitz deftly presents Kippenberger s career as an allegory of the neoliberal networks of capital technology and culture that spanned Europe and America in the 1980s
