Cleon Skousen, There is no period when the distant roar of history can be understandable heard pounding on the pages of the past with greater fury than during the ten savage centuries known as The Fourth Thousand Years This was the age of the first world empires the days when Assyria Babylon Greece and Rome each displayed

their passion for power It was an age which demanded the resounding and inspired voices of many of God s greatest spokesmen The turbulent chaos of these centuries brought forth many mighty prophets of God Elijah Elisha Isaiah Jeremiah Ezekiel Jonah Lehi Nephi Daniel Zechariah and many others The lives and times of all these men are in these pages This is the third and final volume of this series dealing with the Old Testament The volumes which preceded it were entitled The First 2 000 Years which covered the period from Adam to Abraham and The Third Thousand Years which covered Bible history from Abraham to David This present volume deals with the exciting scriptural epic which emerged between the time of David and the coming of Christ For those who find the Old Testament arduous reading these three books should prove especially inspirational and helpful This eBook includes the original index illustrations footnotes table of contents and page numbering from the printed format Saints Herald ,1883 May Blossoms Ruth May Fox,1923 Semi-annual Conference of the Church of Jesus Christ of Latter-Day Saints Church of Jesus Christ of Latter-Day Saints,1899 Vols for 1905 include also the proceedings of the general conference of the Deseret Sunday School Union
