ECONOMY OF KARL MARX Angus Walker,1979 *Marx's Theory of Ideology (RLE Marxism)* Bhikhu Parekh,2015-04-17

Although Marx s concept of ideology has been a subject of considerable discussion much of the debate has proved to be rather disappointing There has been no systematic attempt to examine why Marx needed the concept of ideology why it was an important concept for him and how it related to his views on truth and objectivity This book first published in 1982 considers these and other neglected questions It explains why Marx continued to use the term ideology throughout his life to mean both idealism and apologia and traces the complex ways in which according to Marx such talented writers as Hegel became apologists In conclusion the book outlines the lessons Marx learnt from his investigations into the nature and mechanism of ideology and discusses his theories of objectivity and truth **Karl Marx and the Philosophy of Praxis**

Gavin Kitching,2015-04-17 In this major study first published in 1988 Professor Kitching builds on recent scholarship on Marx and Wittgenstein to provide an incisive readable account and critique of the whole of Marx s work He presents the philosophical economic and political Marx as one thinker and argues that the key to understanding Marx is his commitment to a philosophy of praxis This sees thought as just part of that purposive activity or praxis which distinguishes human beings from other creatures This is the first book to analyse all of Marx s thought from a Wittgenstein perspective in doing so it clarifies and deepens our understanding of Marx Marx's Concept of Money Anitra Nelson,2012-11-12 This work relates Marx s theory of money to his overall political economy and places it firmly within the wider context of his political and philosophical thought It has for some time been held that there exists an epistemological break between the early humanist

and later scientific Marx However in this ground breaking study Anitra Nelson links Marx s conecept of money to his early key concepts with particular reference to alienation *The A to Z of Marxism* David Walker, Daniel Gray, 2009-08-13
