Murder In Mimicry:

Murder in Mimicry Anne Morice,1977 **Murder in Mimicry: A Tessa Crichton Mystery** Anne Morice,2021-04-05
A mystery first published in 1977 **A Novel Approach to Theatre** Linda Sarver,Tom Markus,1997 Contains over 600
entries describing novels that have theatrical settings or in which characters work in the theatre **Mystery Women,**
Volume One (Revised) Colleen Barnett,2011-12-31 Many bibliographers focus on women who write Lawyer Barnett looks at
women who detect at women as sleuths and at the evolving roles of women in professions and in society Excellent for all
women s studies programs as well as for the mystery hound *Sequels* Janet G. Husband,Jonathan F. Husband,2009 A guide
to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read
unnumbered series **Fight, Flight, Mimic** Diego Gambetta,Thomas Hegghammer,2024-07-12 Fight Flight Mimic is the first
systematic study of deceptive mimicry in the context of wars Deceptive mimicry the manipulation of individual or group
identity includes passing off as a different individual as a member of a group to which one does not belong or for a group to
sign its action as another group Mimicry exploits the reputation of the model it mimics to avoid capture flight to strike
undetected at the enemy fight or to hide behind or besmirch the reputation of the model group false flag operations These
tactics have previously been described anecdotally mixed in with other ruses de guerre but the authors show that mimicry is
a distinct form of deception with its own logic and particularly consequential effects on those involved The book offers a
theory and game theoretic model of mimicry an overview of its use through history and a deep empirical exploration of its
modern manifestations through several case studies by leading social scientists The chapters cover mimicry in the context of
the Northern Ireland conflict terrorism campaigns in 1970s Italy the height of the Iraq insurgency the Rwandan genocide the
Naxalite rebellion in India and jihadi discussion forums on the Internet **Hegemonic Mimicry** Kyung Hyun
Kim,2021-09-13 In Hegemonic Mimicry Kyung Hyun Kim considers the recent global success of Korean popular culture the
Korean wave of pop music cinema and television which is also known as hallyu from a transnational and transcultural
perspective Using the concept of mimicry to think through hallyu s adaptation of American sensibilities and genres he shows
how the commercialization of Korean popular culture has upended the familiar dynamic of major to minor cultural influence
enabling hallyu to become a dominant global cultural phenomenon At the same time its worldwide popularity has rendered
its Koreanness opaque Kim argues that Korean cultural subjectivity over the past two decades is one steeped in ethnic rather
than national identity Explaining how South Korea leaped over the linguistic and cultural walls surrounding a supposedly
minor culture to achieve global ascendance Kim positions K pop Korean cinema and television serials and even electronics as
transformative acts of reappropriation that have created a hegemonic global ethnic identity **Mystery Women** Colleen A.
Barnett,1997 *And Then There Were Nine-- More Women of Mystery* Jane S. Bakerman,1985 Within the formulas of crime
fiction this collection ranges from writers Daphne du Maurier and Margery Allingham whose names are synonymous with

conventional subgenres of crime fiction through Patricia Highsmith and Shirley Jackson who deliberately set conventions aside or who moved those conventions into other realms Most important perhaps Jackson Highsmith and E X Ferrars depict civilizations that are not essentially orderly that are not founded upon a commonly understood concept of justice where one must make her own order *Nabokov's Mimicry of Freud* Teckyoung Kwon,2017-05-30 In Nabokov s Mimicry of Freud Art as Science Teckyoung Kwon examines the manner in which Nabokov invited his readers to engage in his ongoing battle against psychoanalysis Kwon looks at Nabokov s use of literary devices that draw upon psychology and biology characters that either imitate Freud or Nabokov in behavior or thought and Jamesian concepts of time memory and consciousness in The Defense Despair Lolita Pale Fire and Ada As Kwon notes the transfiguration of biological mimicry and memory into an artistic form involves numerous components including resemblance with a difference contingency the double riddles games play theatricality transgression metamorphosis and combinational concoction Nabokov as a mimic functions as a poet who is also a scientist while his model Freud operates as a scientist who is also a poet Both writers were gifted humorists regarding art as a formidable vehicle for the repudiation of all forms of totality This book is recommended for scholars of psychology literary studies film studies and philosophy **The Golden Bough: Bibliography and general index** James George Frazer,1915

Frazer s series which attempted to define the shared elements of religious belief and scientific thought discussing fertility rites human sacrifice the dying god the scapegoat and many other symbols and practices whose influences had extended into 20th century culture His thesis is that old religions were fertility cults that revolved around the worship and periodic sacrifice of a sacred king Frazer proposed that mankind progresses from magic through religious belief to scientific thought **The Golden Bough** James George Frazer,1925 The Golden Bough Sir James George Frazer,1920
