Independencia, independencias y espacios culturales. Diálogos entre historia y literatura Carmen Elisa, Acosta Peñaloza, César Augusto, Ayala Diago, Henry Alberto, Cruz Villalobo, 2009-02-28 Cientos de ficciones sociales de Europa Norteamérica y América Latina siguen con interés el proceso histórico colombiano. Nuestro devenir cotidiano dramático y traumático hace que los ojos del mundo se fijen en nosotros. Esta compilación presenta ensayos que giran alrededor de la historia, la narrativa y la poesía colombianas abarcando temas culturales políticos, económicos, artísticos y de crítica literaria y política y escrituras femeninas. Ciudades escritas Luz Mery Giraldo B., 2001 Este estudio a través de algunas obras de la narrativa colombiana invita a recorrer no sólo las ciudades que se nombran sino las que se han construido, destruido o reconstruido en la realidad o la fantasía confirmando que ellas son estructuras eminentemente culturales y que quien las habita es alguien que puede escuchar sus ruidos ocultos. Fuente **Manuel De Terminos Literarios** Joe Bas, George Iwanaga, 1987-11-11 Proposes definitions for the literary terms most commonly utilized in the study and analysis of Hispanic letters. It contains more than 1200 entries, many of them with examples drawn from outstanding authors and works. Included are terms related to figures of speech and figures of style, theater, poetry, prose, the Classics, literary trends and movements, and schools. *Aves sin nido* Clorinda Matto de Turner, 1994 *The Fortunes of the Novel* Robert Ter Horst, 2003 The Fortunes of the Novel examines the early emergence of the novel as a genre in Spain and its subsequent rise in England. Until the sixteenth century, poetic space had never been occupied by material concerns such as hunger, which had in fact been disvalued and rigorously excluded from literature. The consequent combat between poetic, anti-material morality and an almost irresistible new economic motivation played itself out in Spain in a great preparatory triad composed of Lazarillo de Tormes, Alemán's Guzmán de Alfarache, and Cervantes's La gitanilla. The novel floundered as a result of undercapitalization but was revived in England by Daniel Defoe's transposition of the Hispanic fictive inheritance. Ultimately, Walter Scott was the one to establish the novel as a genre that is legally conveyable and inheritable and passed it on to Dickens, who in Our Mutual Friend finally produced a sufficient capital that is both poetic and good. **RELATOS DE VIAJES CONTEMPORÁNEOS por España y Portugal** Geneviève Champeau, 2004-01-01 La literatura de viajes escrita por autores españoles y portugueses ha gozado de una gran vitalidad a lo largo del último siglo y a pesar de las interrogantes que suscita el mundo contemporáneo acerca de su viabilidad presente y futura, se sigue practicando. Por lo demás, el género despierta últimamente entre los críticos un interés renovado. Este libro, dedicado a los relatos de viajeros españoles y portugueses por la Península ibérica desde finales del siglo XIX, es una

contribución a la reflexión actual sobre este género fronterizo en consonancia con un postmoderno cuestionamiento de las fronteras por articular diferentes formas de discursos genéricos y formas así como de los saberes constituidos ya que propone un ir sabiendo forjado al compás de una experiencia sensible y de su transformación literaria **Páginas olvidadas** José de Espronceda, 1873 **El niño-pícaro literario de los siglos de oro** Antonio A. Gómez Yebra, 1988 *El Jarama* Rafael Sánchez Ferlosio, 2023-10-26 La publicación de *El Jarama* premio Nadal 1955 de Rafael Sánchez Ferlosio supuso en España uno de los acontecimientos literarios más importantes del siglo XX Paradigma de la narración objetivista y estmulo tanto para la novela social como para múltiples interpretaciones contextuales y simbólicas esta obra narra de un domingo anodino en la vida de unos personajes a los que no conocemos más que por sus diálogos ha merecido brillantes páginas por parte de numerosos estudiosos que la consideran una de las creaciones más sobresalientes y complejas de la literatura española como pretende confirmar esta edición Por lo que respecta a su autor y aunque renegó de una parte de su obra que podríamos llamar de ficción Industrias y andanzas de Alfonso El Jarama y El testimonio de Yarfoz puede afirmarse sin ninguna duda que se trata de un escritor exigente y magistral un pensador crítico y un ensayista lúcido e insobornable entregado a la palabra en su sentido más pleno y quizá menos popular todo lo cual se vio reconocido entre otros galardones con el Premio Cervantes **Gabriel García Márquez** Gerald Martin, 2009-05-05 In this exhaustive and enlightening biography nearly two decades in the making Gerald Martin dexterously traces the life and times of one of the twentieth century's greatest literary titans Nobel Prize winner Gabriel García Márquez Martin chronicles the particulars of an extraordinary life from his upbringing in backwater Colombia and early journalism career to the publication of *One Hundred Years of Solitude* at age forty and the wealth and fame that followed Based on interviews with more than three hundred of García Márquez's closest friends family members fellow authors and detractors as well as the many hours Martin spent with Gabo himself the result is a revelation of both the writer and the man It is as gripping as any of García Márquez's powerful journalism as enthralling as any of his acclaimed and beloved fiction **Revista iberoamericana**, 1999
