The Stain of Errors on the Self Carl Olson,2024-09-02 Using an interdisciplinary approach to the problem of the self this study focuses on a gap left by previous philosophers This shortcoming is related to the nature of the self to commit errors that become part of the identity of the self These errors stain the self and make I what it is This study shines light on the self that will give the reader a more balanced understanding of it Fictional literature will be invoked to illustrate features of the self associated with errors The book is divided into two parts a review of selected theories of the self and a reconsideration of the self and errors producing being **I've Got John** Sherry Ann White,2013-04-29 Is it possible that I was once a woman who lived first in New Orleans then in New York City in the 1800s The next nine chapters chronicle the life and times of a woman by the name of Sarah Anne Wells who was later in her lifetime known as Sunflower Most of the information within this biography has been given to me through messages in the form of synchronistic coincidence and spiritual readings private prayer and meditation hypnotic past life regression session spirit photographs and through meeting many people in this life whom I am sure were a part of my past lifetime I've had many dreams later come true I've also been given little physical gifts that are difficult to explain as just coincidence These gifts were given to me from someone on the other side of the looking glass Once I accepted the possibility that it was possible to communicate with those on the other side of this reality the memories of Sarah's life came to me quite easily They continue to this day As I wrote each chapter of her life she began to feel very real to me I began to hear her voice feel how her clothing felt next to her skin and see her image in my mind's mirror Born into slavery then sold into prostitution I learned through many messages how difficult it was for her to just survive My reason for putting all of these messages from Spirit into words is simple If by reading my book it

provides some comfort and hope then all the efforts by not only me but all those on the other side of reality has meaning WE ARE ONE

Genesis and The Lamb Lies Down on Broadway Kevin Holm-Hudson,2017-07-05 In 1974 the British progressive rock group Genesis released their double concept album *The Lamb Lies Down on Broadway* The story was described by Genesis s then front man Peter Gabriel as a moral fable about Rael a half Puerto Rican New York City street tough who is engulfed by a solid cloud into a series of strange adventures in a metaphysical realm The album is a

surreal allegory drawing its material from religious literary and psychological themes More than thirty years after its release *The Lamb Lies Down on Broadway* still enthralls listeners earning the distinction of being Genesis's most consistently selling back catalogue release Kevin Holm Hudson analyses *The Lamb* within the context of Genesis's recorded output within the progressive rock genre as a whole and within the context of social and political changes of the mid 1970s *The Lamb* marked a conscious shift in their story setting to America and for the first time the songs were oriented to the present rather than the past or future Significantly while 1974 marked the peak of music industry growth and consolidation through corporate mergers it was also the year in which America was confronted with its limits through the first of the OPEC energy crises the resignation of Richard Nixon the withdrawal from Vietnam and the effects of runaway inflation Genesis's native Britain was also to feel the effects of the energy crisis intensified by a period of economic slowdown that ultimately led to the rise of Thatcherism *The Lamb* is set in New York City during this time of uncertainty Within a few years the economic constraints would affect the industry as a whole and as a result progressive rock would suffer a precipitous drop in industry support *The Lamb Lies Down on Broadway* thus makes a particularly rich subject for detailed study providing compelling intersections between the musical textual and socioeconomic aspects of an album
