Numbers - Women's Bible Study Participant Workbook Melissa Spoelstra, 2017-08-01 Something in us aches for more more hope more joy more freedom All around us people are dancing to the steps of bigger better and faster and we can easily join in without even realizing it Before long complaining and comparing accompany our desire for more yet we're not any closer to filling the ache inside God offers us another way In this study of the Book of Numbers we'll find a group of people that wandered in the desert for forty years unable to enter the Promised Land because of their complaining grumbling and lack of faith The New Testament tells us that their story was written to warn us 1 Corinthians 10:6 so that we would not make the same mistakes and suffer the same consequences God sent his only Son to die to buy our freedom from the sin that leads to discontentment and we find our own promised land of peace and contentment in the life he gives us By exploring Numbers we can come to identify the reasons for our complaining learn contentment while being authentic about the difficulties of life accept short term hardship in light of the greater good of God's ultimate deliverance recognize the relationship between complaining and worry and discover how to realign with God's character and promises Together we will learn contentment as we discover more of our incredible God who truly is more than enough Only God can fill that ache inside and help us focus on his provision and purpose in the midst of life's joys and pains The participant workbook includes five days of lessons for each week combining study of Scripture with personal reflection application and prayer Other components for the Bible study available separately include a Leader Guide DVD with six 20-25 minute sessions and boxed Leader Kit an all inclusive box containing one copy of each of the Bible study's components

**Biblical Studies on the Internet** Roland H.
