Nunavut An Annotated Bibliography:

Nunavut Elaine L. Simpson, Linda N. Seale, Robin L. Minion, 1994-01-01 This volume is aimed at individuals requiring an understanding of the background concepts and issues relating to Nunavut It follows the historical development of the concept of Nunavut since 1867 to the signing of the land claim agreement in 1993 **An Annotated Bibliography of Inuit Art** Richard C. Crandall, Susan M. Crandall, 2015-07-25 Archaeological digs have turned up sculptures in Inuit lands that are thousands of years old but Inuit art as it is known today only dates back to the beginning of the 1900s Early art was traditionally produced from soft materials such as whalebone and tools and objects were also fashioned out of stone bone and ivory because these materials were readily available The Inuit people are known not just for their sculpture but for their graphic art as well the most prominent forms being lithographs and stonecuts This work affords easy access to information to those interested in any type of Inuit art There are annotated entries on over 3 761 articles books catalogues government documents and other publications *Nunavut Generations* Ann McElroy, 2007-10-08 Change in arctic populations has not been a sudden phenomenon but rather a gradual process that has occurred over a number of generations In this longitudinal case study McElroy introduces readers to four Baffin Island communities in the eastern Canadian Arctic and focuses on the challenges and hardships they face in transition from hunting gathering lifestyles to wage employment and political participation in towns Through long term fieldwork historical material and life histories collected from elders Nunavut Generations richly illustrates political and ecological change alongside native stability and self determination **Annotated Bibliography of Quaternary Vertebrates of Northern North America** Donna Naughton, Canadian Museum of Nature, 2003-01-01 This book focuses on highlights species mentioned locality geological age stratigraphic positions etc of nearly 1000 items published between 1821 and 2000 dealing with the remains of vertebrates that lived from about 2 million to 5000 years ago Encyclopedia Americana: Navajo to Opium , 2005 **Canadian Books in Print** , 2003 Historical Dictionary of the Inuit Pamela R. Stern, 2013-09-26 The Inuit do not represent a very large population only 160 000 or so spread over a very large portion of the Arctic region and located in four different countries Although they are a people there are many variations from one group to the next and any study of them must consider both similarities and differences The Historical Dictionary of the Inuit introduces us to the Inuit as they actually are and not as they have been traditionally pictured and some would still like to see them looking after their traditional chores and engaged in time honored practices but rather as a modern people trying to shape their worlds in their own interest This second edition includes an updated chronology as well as an introduction to provide a broader view of who the Inuit are where they live and what they do But it is the dictionary section that is most interesting with many new informative entries on persons places events and institutions shedding light not only on the culture but also on the society economy and politics For those seeking further information there is a considerably expanded bibliography This book is an excellent access point for students researchers and anyone

wanting to know more about the Inuit Encyclopedia of the Arctic Mark Nuttall,2005-09-23 With detailed essays on the Arctic s environment wildlife climate history exploration resources economics politics indigenous cultures and languages conservation initiatives and more this Encyclopedia is the only major work and comprehensive reference on this vast complex changing and increasingly important part of the globe Including 305 maps This Encyclopedia is not only an interdisciplinary work of reference for all those involved in teaching or researching Arctic issues but a fascinating and comprehensive resource for residents of the Arctic and all those concerned with global environmental issues sustainability science and human interactions with the environment *Annotated Bibliography of Canadian Demography, ... Update ,1997* Inuit Women Janet Mancini Billson,Kyra Mancini,2007-04-09 Inuit Women is the definitive study of the Inuit during a time of rapid change Based on fourteen years of research and fieldwork this analysis focuses on the challenges facing Inuit women as they enter the twenty first century Written shortly after the creation of Nunavut a new province carved out of traditional Inuit homelands in the Canadian North this compelling book combines conclusions drawn from the authors ethnographic research with the stories of Inuit women and men told in their own words In addition to their presentation of the personal portraits and voices of many Inuit respondents Janet Mancini Billson and Kyra Mancini explore global issues the impact of rapid social change and Canadian resettlement policy on Inuit culture women s roles in society and gender relations in Baffin Island in the Eastern Arctic They also include an extensive section on how the newly created territory of Nunavut is impacting the lives of Inuit women and their families Working from a research approach grounded in feminist theory the authors involve their Inuit interviewees as full participants in the process This book stands alone in its attention to Inuit women s issues and lives and should be read by everyone interested in gender relations development modernization globalization and Inuit culture Eastern Arctic Study Annotated Bibliography Queen's University (Kingston, Ont.). Centre for Resource Studies,1984 Bibliography of Eastern Arctic Study holdings focussing on government constitutional change and resource development in Canada s eastern arctic **Dependency, Autonomy, Sustainability in the Arctic** Hanne Petersen,Birger Poppel,1999 This is a discussion of issues processes and values which have been of general importance in the 20th century and which have become especially important in the Arctic region during the last few decades of the 20th century The book employs a regional perspective and as such deals with issues of special relevance and pertinence for populations of the Arctic The problems and perspectives are however also of interest for indigenous peoples in general as well as relevant for populations living under different types of self government and home rule regimes The book focuses on the interrelationship between political and economic concepts of dependency and autonomy and the concept of sustainability The Encyclopedia Americana ,2002 The Encyclopedia Americana Grolier Educational Staff,2001-04 **The Oxford Handbook of Indigenous American Literature** James H. Cox,Daniel Heath Justice,2014-07-31 Over the course of the last twenty years Native American and Indigenous American literary studies has experienced a dramatic shift from a critical focus

on identity and authenticity to the intellectual cultural political historical and tribal nation contexts from which these Indigenous literatures emerge The Oxford Handbook of Indigenous American Literature reflects on these changes and provides a complete overview of the current state of the field The Handbook s forty three essays organized into four sections cover oral traditions poetry drama non fiction fiction and other forms of Indigenous American writing from the seventeenth through the twenty first century Part I attends to literary histories across a range of communities providing for example analyses of Inuit Chicana o Anishinaabe and M tis literary practices Part II draws on earlier disciplinary and historical contexts to focus on specific genres as authors discuss Indigenous non fiction emergent trans Indigenous autobiography Mexicanoh and Spanish poetry Native drama in the U S and Canada and even a new Indigenous children s literature canon The third section delves into contemporary modes of critical inquiry to expound on politics of place comparative Indigenism trans Indigenism Native rhetoric and the power of Indigenous writing to communities of readers A final section thoroughly explores the geographical breadth and expanded definition of Indigenous American through detailed accounts of literature from Indian Territory the Red Atlantic the far North Yucat n Amerika Samoa and Francophone Quebec Together the volume is the most comprehensive and expansive critical handbook of Indigenous American literatures published to date It is the first to fully take into account the last twenty years of recovery and scholarship and the first to most significantly address the diverse range of texts secondary archives writing traditions literary histories geographic and political contexts and critical discourses in the field

Nunavut Justice Issues Canada. Department of Justice. Research and Statistics Division, Naomi Giff, 2000 This collection of summarized research reports and articles are intended to shed light on some of the important issues that will shape and direct the delivery and administration of community based justice initiatives in Nunavut

Keyguide to Information Sources on the Polar and Cold Regions William James Mills, P. Speak, 1998 This is the first reference guide to focus on the polar and cold regions of the world as a whole It is divided into three sections Part 1 provides an overview of the literature on polar and cold regions analysing the nature of polar literature which exhibits certain unusual features particularly in the role played by expedition reports Part 2 is a select bibliography and Part 3 is an international directory of organizations related to the subject A detailed index completes the work

International Fisheries Management Stuart Kaye, 2001 Kaye law James Cook U Queensland analyzes two principal approaches to fisheries management with reference to international law The first approach reflected in the 1982 UN Convention on the Law of the Sea aims to maximize the yield of particular fish stocks The second is founded on the precautionary approach and the associated concept of risk assessment which take into account the management of the entire ecosystem Kaye examines the difficulties common to both approaches in the area of compliance and presents suggestions for improving the management of stocks His analysis focuses on the Bering Sea Doughnut Hole Convention and the Convention for the Conservation of Antarctic Marine Living Resources c Book News Inc
