**Degeneratively Happy** Azelia P. Stokes, 2013-01-18 Degeneratively Happy is the story of Azelia Penny Stokes a biracial woman whose life was a challenge from birth Her parents were loving from the day she entered their lives There was so much love as she was growing up not only from her mom dad and grandmother but also from other close relatives and friends of the family Azelia believed people outside of her home was also kind and genuine until around middle school where she was faced with reality What seemed to bother her most was how some individuals were just mean for no apparent reason Azelia's teen years however would be nothing compared to the rude awakening she would experience as a woman Two of the men who told her they loved her would abuse her This book will take the readers through some of her journey A journey most described as an

**Recipe for a Happy Life** George Chichester, 2010-02 In this world we grow up and become a certain kind of person based on family influence and peer pressure as well as the choices we make. God sent Jesus Christ to teach the world how to live. His desire is for us to follow His rules. His way will get all of us into heaven when our time comes through Him. Jesus Christ He gave us the freedom to make choices and shows us how we should follow Him. I feel the need to tell all who read my story how very simple life can be when we follow these rules. I was the 11th born in a family of 12 children. This story gives most of the details in regard to the way I grew up and the choices I made. I also tell about the influence of my brothers and sisters. For the most part my family thought I turned out to be a rather unusual individual. I believe very strongly that I was led by God in the choices that I made. I do not profess to be perfect by any means but I did have a beautiful and happy life. To this very day I still feel the same way. All I can say is read my story and give it a try. I think you will be very happy with your choice. However it's not like trying on clothes to see how they fit. You need the Bible to give you all the rules and regulations. My story is only the map.

**If It Makes You Happy** Claire Kann, 2019-06-04 Claire Kann's *If It Makes You Happy* is a coming of age novel about a young girl learning to embrace her cultural and sexuality identity. Winnie is living her best fat girl life and is on her way to the best place on earth. No, not Disneyland. Her Granny's diner. Goldeen's in the small town of Misty Haven. While there she works in her fabulous 50's inspired uniform twirling around the diner floor and earning an obscene amount of tips. With her family and ungirlfriend at her side she has everything she needs for one last perfect summer before starting college in the fall until she becomes Misty Haven's Summer Queen in a highly anticipated matchmaking tradition that she wants absolutely nothing to do with. Newly crowned Winnie is forced to take center stage in photoshoots and a never ending list of community royal engagements. Almost immediately she discovers that she's deathly afraid of it all: the spotlight, the obligations, and the way her Merry Haven Summer King wears his heart, humor, and honesty on his sleeve. Stripped of Goldeen's protective bubble to salvage her summer, Winnie must conquer her fears, defy expectations, and be the best Winnie she knows she can be regardless of what anyone else thinks of her.
