their care when working with older people With stories from older people who have had varied experiences of health care and nursing chapters are underpinned by five key principles providing patient centered and dignified care shared decision making involving family and friends multidisciplinary care improving well being through companionship and a sense of value and an appreciation of both the challenges and rewards of working with older people This book offers Stories which reflect the complexity of care and health experienced by older people and their journeys Topic oriented chapters which provide a series of evidence based readings which use the most up to date research evidence merged with national and international policy and practitioner experience Practical tips and key messages for working with older people The volume can be used to help nursing students and practising nurses to understand better how their care might impact positively on older people s health and well being This situates the reader within the world as experienced by older people      *Older People and Mental Health Nursing* Rebecca Neno,Barry Aveyard,Hazel Heath,2008-04-15 *Older People and Mental Health Nursing* provides an evidence based guide to caring for the growing number of older people with mental health issues It focuses on the knowledge and key skills which practitioners require to work effectively with older people who have or are at risk of developing mental health needs Divided into five sections *Older People and Mental Health Nursing* first explores the background historical perspectives and influences on mental health care in later life It then looks at the ethical and legal issues involved therapeutic relationships and the values underpinning support and care Part three focuses on aspects which have traditionally been neglected in mental health care including culture religion and sexuality Part four details specific mental health issues for older people including delirium depression and dementia The final section explores future trends in older people s mental health and offers ideas on how nursing is developing and could develop to address these Offers a practical evidence based guide to the care of older people with mental health conditions Includes thought provoking practice examples throughout Contains guidelines for nursing practice therapeutic interventions Includes case studies and reflective scenarios Written by experts in the field      *Gerontological Nursing* Caroline Vafeas,Susan Slatyer,2020-07-31 This first edition Australian text aligns nursing care principles and practice to the unique requirements of older people Written by leading academics and clinicians *Gerontological Nursing* A holistic approach to the care of older people covers the essential skills of gerontological care with a focus on chronic diseases neurocognitive disorders mental health quality of life and healthy ageing palliative care and bereavement safety issues and the role of the caregiver As nurses play an ever more critical role in supporting the needs of an ageing population this essential text will enable nursing students to navigate the complexities of older people s healthcare promote healthy ageing and help people to live well End of chapter practice scenarios with questions Tips for best practice Focus on contemporary models of care and clinical governance Inclusion of most common chronic diseases affecting older adults including dementia depression and delirium Dedicated chapter on Safety and Security Expert contributors from multiple Australian and New Zealand universities Aligned to the Australian Aged Care Quality

Standards as well as international standards and guidelines An eBook included in all print purchases Additional resources on Evolve eBook on VitalSource Instructor resources PowerPoints MCQs Chapter worksheets

*Nursing Older People* Sally J. Redfern, Fiona Ross, 2006 *Nursing Older People* focuses on evidence based care and the effectiveness of interventions that support independence It takes a person centred approach to understanding and meeting the needs and problems that nurses and other practitioners deal with every day such as the need to reduce the difficulties faced by problems of pain immobility breathlessness eating and drinking and eliminating for example The accessible evidence based information in this book will help to give practitioners the confidence to challenge the status quo and look for ways to improve the quality of care

BOOK JACKET

*Caring for Older People* Christine Brown Wilson, 2012-11-19 *Caring for Older People* is a timely and welcome addition to the nursing and health care literature The book introduces and describes collaborative ways of working with older people ensuring that students and practitioners are better equipped to provide consistently high quality care that can make a positive difference to the lives of older people and their families Providing an accessible evidence based framework and a wealth of practical strategies which can be implemented on a daily basis Christine Brown Wilson takes the reader step by step through different approaches to nursing care and shows clearly how that care can move from being a task focused to a person focused experience Case based scenarios threaded throughout the book also illustrate how the quality of care can be enhanced and how students and practitioners can work effectively with older people while balancing the competing demands of the health and social care system The author also shows how nurses can influence current practice equipping the reader with key skills that can be used to challenge poor ways of working and to identify methods through which inadequate provision can be turned around This book will be indispensable reading for all nursing and healthcare students and practitioners who want to improve the quality of life for older people

**EBOOK: Working With Older People And Their Families** Mike Nolan, Nolan Davies, Gordon Grant, 2001-02-16 Addressing the needs of older people and their carers is an essential element of both policy and practice in the fields of health and social care Recent developments promote a partnership and empowerment model in which the notion of person centred care figures prominently However what person centred care means and how it can be achieved is far from clear *Working with Older People and their Families* combines extensive reviews of specialist literatures with new empirical data in an attempt at a synthesis of themes about making a reality of person centred care Uniquely it seeks to unite the perspectives of older people family and professional carers in promoting a genuinely holistic approach to the challenges of an ageing society *Working with Older People and their Families* is recommended reading for students on health related courses such as nursing medicine and the therapies It is also of relevance to students of social work and social gerontology researchers managers and policy makers

**Older People** Rhonda Nay, Sally Garratt, Deirdre Fetherstonhaugh, 2013-11-07 Now in its fourth edition trusted textbook *Older People Issues and Innovations in Care* provides a unique collection of conversations and commentaries by leading international and

### **Nursing Older People Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Nursing Older People has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Nursing Older People has opened up a world of possibilities. Downloading Nursing Older People provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Nursing Older People has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Nursing Older People. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Nursing Older People. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Nursing Older People, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Nursing Older People has transformed the way we access information. With the

convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## **FAQs About Nursing Older People Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
