Nutricide Llaile O. Afrika, 2000 A Pioneer work in the field of health Nutricide gives bold insights into holistic health and clearly is a brilliant fire for African nutritional liberation *Nutricide* Llaile Afrika, 2010-10-20 Afrikan Mind Reconnection & Spiritual Re-Awakening Dr. Lumumba Umunna Ubani, 2011-01-17 The need for Afrikan mind regeneration and spiritual reawakening A people who have lost these two principal inner qualities of mind can hardly find their through selves in life This book is an attempt to begin the processes of African self rediscovery The ending of slavery and colonialism removed only our physical agony but the trauma of long and extended torture left deep rooted anguish within the psyche of African race The effects of this imprint legacy will continue until we start addressing these negative effects In an effort to do this the book has provided several suggestions Some of the program are being provided at the Institute of Mind Talk Afrika

**Nutricide** Llaile O. Afrika, 1995 **Contemporary Esotericism** Egil Asprem, Kennet Granholm, 2014-09-11 The study of contemporary esoteric discourse has hitherto been a largely neglected part of the new academic field of Western esotericism Contemporary Esotericism provides a broad overview and assessment of the complex world of Western esoteric thought today Combining historiographical analysis with theories and methodologies from the social sciences the volume explores new problems and offers new possibilities for the study of esoterica Contemporary Esotericism studies the period since the 1950s but focuses on the last two decades The wide range of essays are divided into four thematic sections the intricacies of esoteric appeals to tradition the role of popular culture modern communication technologies and new media in contemporary esotericism the impact and influence of esotericism on both religious and secular arenas and the recent de marginalization of the esoteric in both scholarship and society **Feminist Animal and Multispecies Studies: Critical Perspectives on**

**Food and Eating**, 2023-12-04 This book develops critical feminist animal and multispecies studies across various societal and environmental contexts The chapters discuss timely questions broadly related to food and eating stemming from connections drawn between critical animal studies feminist theory and multispecies studies The themes explored include trans inclusive ecofeminism decolonial perspectives to veganism links between the critique of ableism and animal exploitation alternatives to dominant Western masculinities invested in meat consumption and the politics of sex and purity in factory farming The book explores responses to interlinked forms of exploitation by focusing on sites such as sanctuaries educational institutions social media and animal advocacy Integral Community Enterprise in Africa Anselm Adodo, 2017-04-03 At a time of global economic crisis and disillusionment with capitalism Adodo offers refreshing and positive insight into a more integral way of business management enterprise and community development as well as holistic healing in Africa For over three decades Africa was the recipient of billions of dollars in aid funds that were meant to catapult the continent from undeveloped to developed status Yet the more the aid poured in the poorer African countries became The devastating effect of western economic models in Africa that followed is well documented Integral Community Enterprise in

Africa exposes the limitations of existing theories such as capitalism socialism and communism and shows how western theories were imposed on Africa Such imposition of concepts and ideas is not only demeaning but also unsustainable serving only the interest of the elite Father Anselm Adodo argues for the need to have a southern theory to serve as an alternative to western theories The majority of African intellectuals and activists while criticizing existing theories often do not provide alternative theories to address the prevalent inadequacies entrenched in conventional social political and economic systems This revolutionary book aims to address this lapse and proposes the theory of communitarism as a more indigenous sustainable and integral approach to tackling the social political economic and developmental challenges of today s Africa There is an African alternative to capitalism socialism and communism a surer path to sustainable development in and from Africa This is a book that is positioned at the very core of a much needed African Renaissance A profoundly new approach to development in Africa this is essential reading for anyone concerned with authentic development in Africa and in the world

Ashcraft,Eugene V. Gallagher,2006-10-30 Most new or alternative religious are gravely misunderstood by members of the religious mainstream Labeled cults or sects groups and their members are often ridiculed or otherwise disregarded as weird and potentially dangerous by the populace at large Despite their efforts at educating the general public the various anti and counter cult activists have in fact promoted much more mis understanding than accurate understanding of the religious lives of some of their fellow citizens Consequently they have helped to create a very hostile environment for anyone whose religious practices do not fit within a so called mainstream This set rectifies the situation by presenting accurate comprehensive authoritative and accessible accounts of various new and alternative religious movements that have been and are active in American society and it addresses ways of understanding new and alternative religions within a broader context Determining what actually constitutes a new or alternative religion is a subject of constant debate Questions arise as to a new faith s legitimacy beliefs methods of conversion and other facets of a religious movement s viability and place in a given culture How a religion gains recognition by the mainstream which often labels such new movements as cults is fraught with difficulty tension and fear Here experts delineate the boundaries and examine the various groups beliefs movements and

other issues related to new faiths and alternative beliefs Readers will come away with a fuller understanding of the religious landscape in America today Volume 1 History and Controversies discusses the foundations of new and alternative religions in the United States and addresses the controversies that surround them This volume helps readers better understand what makes a new or alternative belief system a religion and the issues involved Volume 2 Jewish and Christian Traditions explores the various new religions that have grown out of these two Abrahamic faiths Groups such as the Shakers the People s Temple the Branch Davidians Jehovah s Witnesses and others are examined Volume 3 Metaphysical New Age and Neopagan Movements looks at Shamanism Spiritualism Wicca and Paganism among other movements as they have developed and grown in the U S These faiths have found new and devoted followers yet are often misunderstood Volume 4 Asian Traditions focuses on those new and alternative religions that have been inspired by Asian religious traditions From Baha i to Soka Gakkai from Adidam to the Vedanta Society contributors look at a full range of groups practicing and worshiping in the U S today Volume 5 African Diaspora Traditions and Other American Innovations examines the various traditions linked to the African diaspora such as Rastafarianism Santeria and the Nation of Islam alongside traditions that are truly American incarnations like Scientology UFO religions and Heaven s Gate Some of the new and alternative religions covered in these pages include Shamanism Wicca Black Israelites Santeria Scientology Elan Vital Hare Krishna Soka Gakkai and many more
