Poughkeepsie 1898-1998 Joyce C. Ghee, Joan Spence, 1999 One hundred years ago the city of Poughkeepsie was a bustling marketplace for the mid Hudson Valley while the town of Poughkeepsie was essentially rural and substantially smaller than the city Two world wars and the arrival of IBM reversed the roles at least in part The town grew larger than the city and soon became the center of retail business for the county Four and six lane highways replaced trolleys and trains The city however remained the center of county government Poughkeepsie 1898 1998 A Century of Change explores not only how South Road became the new main street but also the whole history of Poughkeepsie from the end of the nineteenth century to the present Moving through this time period were incoming waves of Irish Jewish Italian Polish Greek and Mexican immigrants The railroads flourished and foundered and civic cultural and social organizations grew **Poughkeepsie** Joyce C. McLeod,2011-11-01 This long overdue biography of the nation s first African American woman judge elevates Jane Matilda Bolin to her rightful place in American history as an activist integrationist jurist and outspoken public figure in the political and professional milieu of New York City before the onset of the modern Civil Rights movement Bolin was appointed to New York City s domestic relations court in 1939 for the first of four ten year terms When she retired in 1978 her career had extended well beyond the courtroom Drawing on archival materials as well as a meeting with Bolin in 2002 historian Jacqueline A McLeod reveals how Bolin parlayed her judicial position to impact significant reforms of the legal and social service system in New York Beginning with Bolin s childhood and educational experiences at Wellesley and Yale Daughter of the Empire State chronicles Bolin s relatively quick rise through the ranks of a profession that routinely excluded both women and African Americans Deftly situating Bolin s experiences within the history of black women lawyers and the historical context of high achieving black New Englanders McLeod offers a multi layered analysis of black women s professionalization in a segregated America Linking Bolin s activist leanings and integrationist zeal to her involvement in the NAACP McLeod analyzes Bolin s involvement at the local level as well as her tenure on the organization s national board of directors An outspoken critic of the discriminatory practices of New York City s probation department and juvenile placement facilities Bolin also co founded with Eleanor Roosevelt the Wiltwyck School for boys in upstate New York and campaigned to transform the Domestic Relations Court with her judicial colleagues McLeod s careful and highly readable account of these accomplishments inscribes Bolin onto the roster of important social reformers and early civil rights trailblazers
