Quarter Of Mankind:

The Kingdom of the Beast and the End of the World J. C. Alexander, 2005-04 Authoritative bold and different The final word on prophecy Written in everyday language It s not often that a book comes along that causes you to reexamine everything that you have ever learned on a particular subject In a manner reminiscent of The Prayer of Jabez and The Purpose Driven Live The Kingdom of the Beast takes you on a journey of enlightenment that will leave you satisfied that you finally understood what the end time prophecies are all about There are no magic formulas for interpreting the prophecies other than accepting what is written This book convincingly and scripturally moves the reader beyond some of the traditional man made ideas that have confused the Church and kept it from coming to a unified understanding of the prophecies and then opens things up with a down to earth simplicity *The Mankind Quarterly* ,1998 *Three-quarter Man* Sam
