The Mexican Filmography, 1916 through 2001 David E. Wilt, 2024-10-17 Mexican cinema has largely been overlooked by international film scholars because of a lack of English language information and the fact that Spanish language information was difficult to find and often out of date This comprehensive filmography helps fill the need Arranged by year of release and then by title the filmography contains entries that include basic information film and translated title production company genre director cast a plot summary and additional information about the film Inclusion criteria a film must be a Mexican production or co production feature length one hour or more silent films excepted fictional documentaries and compilation films are not included unless the topic relates to Mexican cinema some docudramas and films with recreated or staged scenes are included and theatrically released or intended for theatrical release **Latin American Popular Culture Since Independence** William H. Beezley, Linda Ann Curcio, 2012 This unique reader offers an engaging collection of essays that highlight the diversity of Latin America's cultural expressions from independence to the present Leading historians explore funerals dance and music letters and literature spectacles and monuments and world's fairs and food These themes and events highlight the ways in which a wide range of individuals with copious at times contradictory motives attempted to forge identity turn the world upside down mock their betters forget their troubles through dance express love in letters and altogether enjoy life The authors analyze case studies from Argentina Brazil the Dominican Republic Ecuador Mexico Nicaragua Peru and Trinidad Tobago tracing how their examples resonate in the rest of the region They show how people could and did find opportunities to escape if only occasionally their daily drudgery making lives for themselves of

greater variety than the constant quest for dominance drive for profits or knee jerk resistance to the social or economic order so often described in cultural studies Instead this rich text introduces the complexity of motives behind and the diversity of expressions of popular culture in Latin America Contributions by Sal Acosta Thomas L Benjamin John Charles Chasteen Dari n J Davis Lauren Robin H Derby Matthew D Esposito Ingrid E Fey Stephen Jay Gould Graham E L Horton Fanni Mu oz Cabrejo Blanca Muratorio Jeffrey M Pilcher Janet Sturman and Pamela Voekel Federal Register ,1997-08 Catalog of Copyright Entries Library of Congress.
