Que Sera Sera:

Que Sera Sera Sohrab Khandelwal, 2021-10-21 Adapted into a Multiple Award Winning BAFTA Qualifying Film Two strangers Kabir the poet and Lucia the ballerina meet on their last day in Mumbai In a world that has little time for real conversations the two find comfort in each other's company as they explore the city But they also discover that not all is well as it appears to be Each carries a storm within hidden under the personas just like little whirlpools that run beneath the surface of seemingly calm waters What will become of them Que sera sera Que sera sera is a story about love set in the fast paced world of hook ups and one night stands A transformative journey about two lost souls finding their way just as we all are The characters in the book are purely imaginary And if they find any resemblance to some personality of the reader then it won't be merely a coincidence

Quechua de Huarás, en Español e Inglés: Glosario Menandra Mosquera,2012-11-30 This glossary has been prepared in order to leave a record of the Quechua spoken by the people of Huar s and surrounding areas in the mid 20th century Huar s capital of the Region Department of Ancash Peru has a distinct form of Quechua That dialect was endangered due to a massive earthquake on May 31 1970 Tens of thousands of people died and the city was destroyed Many of the survivors left the area Once rebuilt Huar s was repopulated with people new to the area who use Spanish or a different dialect to communicate Since then technological influences such as the Internet also reinforce the use of Spanish to the detriment of the local Quechua Born in Huar s I was raised in a bilingual environment Spanish and Quechua Although I left the area to attend the university I could always feel at home upon returning until that earthquake Since then it seems strange to return to an unfamiliar city due to people language and environment I hope this glossary will help the newer generations better understand not only their grandparents and ancestors but the culture from which they come Language and culture are intimately tied and much more than words is lost when a language dies The Inca Empire Tahuantinsuyo was invaded by Spain in 1532 At that time Quechua was spoken never written throughout the Inca civilization with many dialects Since then the Spanish language has been imposed but in Huar s never did it replace Quechua to the extent that it did in 1970 This glossary contains words several verb forms and phrases It is written with the expectation that it may help to preserve the inherited Quechua so that Huar s may remain bilingual It is written for huarasinos the people of Huar s If others find it useful better yet The glossary is in Quechua To facilitate access to the Quechua indices in Spanish and in English are included M Mosquera
