Meet Your Mother Dr. Mark Miravalle, 1957 Ever wonder why so many people pay so much attention to Mary the Mother of Jesus From the most ancient traditions of Mary in Christianity to the Hail Mary pass in American football the Mother of Jesus has pervaded most world cultures for the last two thousand years But could the Mother of Jesus also be your mother That's the question explored in the exciting new book *Meet Your Mother* This easy read pocket book on Mary covers

all the major teachings about the Mother of Jesus but is particularly written for the person who has little or no background knowledge about her. Authored by Dr Mark Miravalle a professor who has taught and written about Mary for over 25 years. Meet Your Mother is the perfect little book to introduce someone to the life and truth about Jesus Mother but also to renew a person's existing knowledge and love for the woman believed to have brought Jesus into the world and who Jesus gave personally to every human being with his dying words. This is your mother. Here's an excerpt from the Introduction of Meet Your Mother. This little book is about your Mother. I know you might not see her as that right now but that's the point of the book to meet her if you do not already know her and if you do already know her to love her more. Now please consider reading on even if you do not consider Jesus to be your best friend and or if you don't presently believe Mary the Mother of Jesus is your spiritual mother. I would be honored if you would at least give me the chance to try to explain why I believe you do in fact have the most beautiful and the most perfect mother in the world a maternal gift of love and sacrifice from the dying Jesus personally to you. If nothing else you may have a new understanding of why well over 1.5 billion people living today do believe they have the Mother of Jesus as their own spiritual mother as well. And beyond Catholics and Orthodox Christians there are millions and millions of other members of our human family including many Protestant Christians Muslims and other world religions who give a special place of honor to the Mother of Jesus. *Look at the Son ,*

Medjugorje: A Message from the Queen of Peace , *Be Not Afraid to Follow the Footprints from Heaven* John Carpenter,2016-07-21 Does God really exist Is there really any evidence for that Can science prove that the Communion wine and bread actually turn into the flesh and blood of Jesus Christ Does the Shroud of Turin validate the mystical resurrection of

Christ through careful expert scrutiny How can statues weep real human tears How can the bodies of deceased holy persons not decay for centuries What are angels and what roles do they play Want to hear how Heaven and Hell are described And historically hundreds of people worldwide have documented appearances by the Virgin Mary This just cannot be real or is it Psychiatric therapist John Carpenter takes you where few researchers have gone before Like a logical detective amassing the supernatural evidence for your consideration he presents historical accounts and miraculous events along with recent medical and scientific research to develop a credible and stunning conclusion His evidence may bring you to a refreshing new spiritual awareness at a time when doubt distraction materialism violence and self indulgence seem prevalent The implications are both joyful and chilling as Carpenter slowly seduces the reader into following him through the labyrinth of divine mysteries created by those footprints from heaven Be not afraid to take this journey and discover the Truth that could change your life
