## **Queen Kelly:**

**Queen Kelly** Erich Von Stroheim, 2002-08-20 This book contains the complete screenplay including two radically different endings of Erich von Stroheim's thwarted near masterpiece. Less than half the script had been shot when the extravagant and controversial production was halted. In addition to the extensively annotated 230 page shooting script, this volume also includes 90 pages from an earlier draft, photos and full production credits, thus providing a richly detailed picture of what would have been one of the last great spectacles of the silent era. A must read for silent film enthusiasts and anyone with an academic or personal interest in film history and classic movies. **Sweet Reality** Laura Heffernan, 2021-06-15

Enjoy this witty charming romantic comedy series from award winning author Laura Heffernan. Life after TV is looking up. Jen moved to Florida and her themed bakery is prepared to open with a bang. Then a major competitor threatens to put Sweet Reality out of business before they sell their first goodies. She's going to need a smash hit to keep the store afloat. Then she has a brilliant idea. Jen joins a filmed cruise to convince fellow reality star Tammy Rae to give her the secret recipe for her baking show winning cupcakes. Problem is Tammy Rae watched Jen on The Fishbowl and she thinks Jen faked her relationship with Justin to trick the viewers. To get the key ingredient Jen must convince Tammy Rae that their love is real. Right when the Network puts it to the ultimate test. Saving the bakery means nothing if Jen loses Justin. She must find a way to remain true to herself, protect her relationship from her arch nemesis and save the bakery all within the confines of a one week cruise. Because once the ship docks back in Miami, she's sunk. The Reality Star series will appeal to readers who love reality TV, witty romantic comedies and quirky heroines. Fans of Melanie Summers, Becky Monson, Tracie Banister, Whitney Dineen and Annabelle Costa will love this second installment of Jen and Justin's adventure. **Stroheim** Arthur

Lennig, 2000-01-27 Erich von Stroheim 1885-1957 was one of the giants in American film history. Stubborn, arrogant and colorful, he saw himself as a cinema artist, which led to conflicts with producers and studio executives who complained about the inflated budgets and extraordinary length of his films. Stroheim achieved great notoriety and success, but he was so uncompromising that he turned his triumph into failure. He was banned from ever directing again and spent his remaining years as an actor. Stroheim's life has been wreathed in myths, many of his own devising. Arthur Lennig scoured European and American archives for details concerning the life of the actor and director, and he counters several long accepted claims. Stroheim's tales of military experience are almost completely fictitious; the von in his name was an affectation adopted at Ellis Island in 1909, and counter to his own claim, he did not participate in the production of *The Birth of a Nation* in 1914. Wherever Stroheim lived, he was an outsider: a Jew in Vienna, an Austrian in southern California, an American in France. This contributed to an almost pathological need to embellish and obscure his past, yet it also may have been the key to his genius, both behind and in front of the camera. As an actor, Stroheim threw himself into his portrayals of evil men, relishing his epithet *The Man You Love to Hate*. As a director, he immersed himself in every facet of production, including script writing and

costume design In 1923 he created his masterpiece Greed infamous for its eight hour running time Stroheim returned to acting saving some of his finest performances for La Grande Illusion 1937 and Billy Wilder s Sunset Boulevard 1950 a role he hated probably because it was too similar to the story of his own life      Kelly's Directory of Merchants, Manufacturers and Shippers ,1907      Digital Scholarly Editions Beyond Text Tessa Gengnagel,2024-02-07 Scholarly editions contextualize our cultural heritage Traditionally methodologies from the field of scholarly editing are applied to works of literature e g in order to trace their genesis or present their varied history of transmission What do we make of the variance in other types of cultural heritage How can we describe record and reproduce it systematically From medieval to modern times from image to audiovisual media the book traces discourses across different disciplines in order to develop a conceptual model for scholarly editions on a broader scale By doing so it also delves into the theory and philosophy of the digital humanities as such      Von Richard Koszarski,2001 As a revised edition of Koszarski s The Man You Loved to Hate this biography takes into account information unearthed by researchers in France and Austria that had previously been ignored This material enables the biography to bring the pioneering film director into sharper focus      **Gloria Swanson** Tricia Welsch,2013-08-21 Gloria Swanson Ready for Her Close Up shows how a talented self confident actress negotiated a creative path through seven decades of celebrity It also illuminates a little known chapter in American media history how the powerful women of early Hollywood transformed their remarkable careers after their stars dimmed This book brings Swanson 1899 1983 back into the spotlight revealing her as a complex creative entrepreneurial and thoroughly modern woman Swanson cavorted in slapstick short films with Charlie Chaplin and Mack Sennett in the 1910s The popularity of her films with Cecil B DeMille helped create the star system A glamour icon Swanson became the most talked about star in Hollywood earning three Academy Award nominations receiving 10 000 fan letters every week and living up to a reputation as Queen of Hollywood She bought mansions and penthouses dressed in fur and feathers and flitted through Paris London and New York engaging in passionate love affairs that made headlines and caused scandals Frustrated with the studio system Swanson turned down a million dollar a year contract After a wild ride making unforgettable movies with some of Hollywood s most colorful characters including her lover Joseph Kennedy and maverick director Erich von Stroheim she was a million dollars in debt Without hesitation she went looking for her next challenge beginning her long second act Swanson became a talented businesswoman who patented inventions and won fashion awards for her clothing designs a natural foods activist decades before it was fashionable an exhibited sculptor and a designer employed by the United Nations All the while she continued to act in films theater and television at home and abroad Though she had one of Hollywood s most famous exit lines All right Mr DeMille I m ready for my close up the real Gloria Swanson never looked back      The Fitzgeralds and the Kennedys Doris Kearns Goodwin,1991 In its drama and scope this number one bestseller about two families whose ambitions propelled them to unprecedented power and whose passions nearly destroyed them is one of the richest works of biography in the last decade

**The Golden Age** Chris Murray, Elizabeth Rogers, Jeffrey W. Smith, 2016-09-23 This volume investigates the diverse applications and conceptions of the term The Golden Age The phrase resonates with the theme of nostalgia which is popularly understood as a wistful longing for the past but which also denotes homesickness and the unrecoverability of the past While the term Golden Age typically conjures up idealised visions of the past and gestures forward to utopian visions of future golden ages the idea of nostalgia is suggestive of a discontented present The Golden Age and nostalgia are therefore related ideas but are also partly in conflict with one another as many nostalgic sentiments are not idealised and may indeed be dark ironic or self aware There are of course many other ways to characterise the relationship between the Golden Age and nostalgia and the tension between the two can produce myths and romantic idylls or in religious terms images of pre lapsarian innocence or dogmas relating to values associated with childhood The Golden Age is also often used to refer to specific respected periods of cultural production in all kinds of literature and visual media Indeed nearly every period genre nation and cultural form has some kind of mythic often illusory Golden Age against which it is defined and in which nostalgia often plays a part This collection interrogates the notion of the Golden Age and its connection to feelings of nostalgia from a range of interdisciplinary perspectives with a strong focus on the relationship between word and image It will interest scholars working on the subject of the Golden Age nostalgia particularly in English literature film studies comics studies history and the fine arts
