mild eyes for all that But we must tell how Queenie Marriott became a teacher at Miss Titheridge s in the select establishment for young ladies at Granite Lodge where her little sister Emmie was a sort of foundation scholar or demi semi boarder as one witty young lady described her with reference to the somewhat scanty scholastic privileges eked out by Miss Titheridge in return for unmitigated drudgery on Queenie s part and a trifling stipend paid out of Queenie s poor little purse the contents of which barely sufficed to find them in decent clothing Her own and part of Emmie s board were all the wages Queenie received for her endurance and patient labor and half of the miserable little pittance of forty pounds a year left to her by her mother was paid quarterly into Miss Titheridge s hand invariably received by Miss Titheridge in the same stony manner and acknowledged in the same words I hope you and Emily will always be grateful to us Miss Marriott for the handsome and gratuitous manner in which my poor sister and myself have befriended you the second Miss Titheridge had been dead fifteen years but it was Miss Titheridge s way always to associate the deceased as though she were still the partner of her labors There would have been very few in this mercenary world who would have acted as generously but as Caroline always beautifully puts it we do it not to be seen of men After which speech it was odd that the visitors to Granite Lodge when they were ushered into the school room always gazed curiously at the young teacher and then at a certain closely cropped head in the darkest corner and went out whispering to themselves of Miss Titheridge s Christianity and magnanimity of soul In more than one case the story turned the scale in the mind of a dubious parent who after such a recital could not but trust their darlings under the care of so good a creature as Miss Titheridge My dear she actually supports those two poor orphans she assured me that a few pounds are all she receives and that is pressed upon her Can you conceive such generosity went on one warm hearted visitor the mother of seven female hopes at least to Miss Titheridge a poor hard working school mistress and treats them as though they were her own daughters *People Person Candice*
