Fresno (California), Directories, 1881 Queenie's Whim: A Novel (Complete) Rosa Nouchette Carey, 1906-01-01 I have always thought the history of the ugly duckling one of the truest and most pathetic of all stories It commences in the sad minor key a long prelude of oppression of misunderstanding The unknown creature sombre of plumage makes no way among its companions its folded up beauties remain hidden The duck pond represents the world Amidst plenty of quackery and folly the weaker goes to the wall By and by the key changes the long neck arches above the weeds amid a burst of triumph the ugly

duckling sails away into fairy land a beautiful swan After all there is a wonderful moral hidden under these quaint old stories Beauty and goodness always go together the ugly sister dropping toads instead of diamonds and roses is only the poetical incarnation of envy and discontent truth and mercy and kindness to the aged always unfold themselves under the garb of a beautiful young girl And so the children glean precious stones of wisdom odd shaped and many colored out of the fanciful borders of fairy land Queenie Marriott once compared herself and her little sister Emmie to the ugly duckling of the fable There must be two of them she said only it was dubious whether either of them would become swans No one at Granite Lodge understood them certainly not Miss Titheridge or the other teachers or the girls unless it were Cathy and even Cathy much as she loved them voted them peculiar Queenie was only speaking metaphorically when she made this droll simile the grave young teacher Madam Dignity as the other girls had nicknamed her was sufficiently alive to her own attractions not to fear unjust comparisons Without being handsome Queenie was woman enough to know that her clear brown complexion white teeth and brown velvety eyes would win a certain amount of commendation Queenie s eyes as she well knew were her strong point they were of singular depth and expression Some one once remarked that they reminded him of brown wells for they had no bottom Somebody was right but they were not mild eyes for all that But we must tell how Queenie Marriott became a teacher at Miss Titheridge s in the select establishment for young ladies at Granite Lodge where her little sister Emmie was a sort of foundation scholar or demi semi boarder as one witty young lady described her with reference to the somewhat scanty scholastic privileges eked out by Miss Titheridge in return for unmitigated drudgery on Queenie s part and a trifling stipend paid out of Queenie s poor little purse the contents of which barely sufficed to find them in decent clothing Her own and part of Emmie s board were all the wages Queenie received for her endurance and patient labor and half of the miserable little pittance of forty pounds a year left to her by her mother was paid quarterly into Miss Titheridge s hand invariably received by Miss Titheridge in the same stony manner and acknowledged in the same words I hope you and Emily will always be grateful to us Miss Marriott for the handsome and gratuitous manner in which my poor sister and myself have befriended you the second Miss Titheridge had been dead fifteen years but it was Miss Titheridge s way always to associate the deceased as though she were still the partner of her labors There would have been very few in this mercenary world who would have acted as generously but as Caroline always beautifully puts it we do it not to be seen of men After which speech it was odd that the visitors to Granite Lodge when they were ushered into the school room always gazed curiously at the young teacher and then at a certain closely cropped head in the darkest corner and went out whispering to themselves of Miss Titheridge s Christianity and magnanimity of soul In more than one case the story turned the scale in the mind of a dubious parent who after such a recital could not but trust their darlings under the care of so good a creature as Miss Titheridge My dear she actually supports those two poor orphans she assured me that a few pounds are all she receives and that is pressed upon her Can you conceive such generosity went on one warm hearted visitor the mother of seven female hopes at least to
