The Queen's Dragon Anne Cassidy, 2004-09 When the queen gets tired of her dragon Harry and starts to look for a replacement the royal parrot tries to help him reclaim the queen's affections **The Dragon Queen** Theodoros Mythopoulos, In the realm of Drakmoor where the ancient mountains kissed the clouds and rivers ran silver with starlight there lived a queen whose very presence commanded the respect of both mortals and immortals alike Queen Seraphina Drakeborn had ruled for seven years her reign marked by wisdom and an uncanny ability to communicate with the great dragons that dwelt in the highest peaks of her kingdom The palace of Drakmoor was carved into the living rock of Mount Thyraeth its spires reaching toward the heavens like the fingers of some primordial giant Golden veins of precious metal ran through the dark stone walls catching the light of countless crystal chandeliers that hung like frozen stars throughout the vast halls It was here in the throne room where ancient dragon bones formed archways overhead that Queen Seraphina held court each morning as the sun painted the eastern sky in shades of amber and rose On this particular dawn however something was amiss The queen sat upon her throne a magnificent seat carved from a single piece of obsidian and inlaid with scales shed by the dragon lords themselves Her crown wrought from the purest gold and set with emeralds that gleamed like dragon eyes seemed heavier than usual upon her brow The weight was not physical for the crown was made with magic that rendered it light as a feather but rather the burden of knowledge that pressed upon her soul Seraphina's advisor the wise mage Aldric Stormweaver approached the throne with measured steps His robes of deep blue silk rustled softly in the morning silence and the crystal staff he carried glowed with a gentle inner light Aldric had served the royal family for forty years his knowledge of ancient lore and dragon magic unmatched throughout the kingdom His weathered face bore the lines of countless years spent studying in candlelit libraries and mediating between the human and dragon realms **The Dragon Queen** Elli McCullon, 2014-01-30 Princess Sarma future queen of Dauthe is born with special gifts for healing and for harm Her gifts are born in a rare few and feared throughout the land Following a tragedy and being blamed for a crime she didn't commit she fled to the land of dragons with her most trusted friend Renn There she gives birth to a daughter who will change the course of the world with her friends and save the kingdom that is rightfully hers This book is about the coming of age of a young woman and her daughter Both are blessed or cursed with a gift that can change the course of history forever Follow along as these princesses fight battles within themselves as well as the world around them **Dragon Queen** Stephen Deas, 2013-08-15 Praised by the likes of Joe Abercrombie and Brent Weeks Stephen Deas has made dragons his own In the years before the Dragons laid waste to man's empire the fearsome monsters were used for war and as gifts of surpassing wealth to buy favour in the constant political battles that tore at the kingdoms Notorious in these battles was the Dragon Queen And now she is a prisoner But no one is more dangerous than when caged The critics fellow authors and readers alike are agreed if you love dragons and epic fantasy Stephen Deas is the writer for you The man who brought dragons back to

The Dragon Within The Dragon,2024-09-30 I as author of this book *The Dragon within* has tried to bring to life the reality of things that happens every day somewhere around the world This is an adult book not meant for children under the age of eighteen years old All names were picked at random I do not wish to harm or embarrass any one but if your name matches any of the characters in this book I hope it's one of the better characters in my book but other than that I can only apologize This book is not meant for everyone because of language throughout the book it has adult comedy it has tear jerkers it has war in it it has young lovers and explicit sex dialog in it and some of the dialog was even embarrassing for me to write This book has rape killing and murder in it It also has a comedy with adult dialog commercial in it This book is not just about kings queens and dragons it also about a farm and the people who live on it during the time of the dragon I hope all who read this book enjoys it as much as I enjoyed writing it and I thank all of you who reads this book Simply signed by The Dragon Discovery of a Queen Elizabeth Brown,2021-01-01 My sisters have been in a magical slumber for centuries my mother the last great battle queen is dead leaving me to face the world alone I'm the last of my kind A queen not entirely

shifter and not entirely witch but a perfect blend of both I've been living in hiding for over four hundred years avoiding ties with the supernatural community specifically the Council and the Alpha of all alphas like the plague That is until I find myself challenging for alpha of the New England pack in front of both the shifter and witch communities Now I'm the leader of both Fuck I'm the leader of both I've put myself square in the Council's sight my time in hiding forcibly over But the Council is the least of my problems Malick the oldest Archdemon to walk the earth is still alive despite my mother's best efforts His legion growing in number by the day I may want to keep myself and my new community away from his legion but I know that the only way we'll ever be safe is to kill him Countless queens have tried All of them failing even with their alpha dragon mates and supernatural communities I'm going to have to work with the Alpha Caleb and the Council if I want to end Malick and wipe out his legion for good Unfortunately Caleb also happens to be my mate as in soulmate together forever never to be parted partners in crime I know that he won't let me go after we've finished wiping Malick from the face of the earth But I refuse to be subject to the Council's control I also need to find a way to wake my sisters because what's coming for us is far worse than Malick and there are no guarantees there will be any survivors

The White Dragon Anne McCaffrey, 2025-04-01 NEW YORK TIMES BESTSELLER FINALIST FOR THE LOCUS AWARD The third novel in the legendary and magical series featuring dragons adventure romance and heroism from Hugo and Nebula Award winning author Anne McCaffrey one of my favorite authors of all time Brandon Sanderson Anne McCaffrey's Pern novels are truly foundational books it's hard to imagine the modern day landscape of fantasy and science fiction without them Naomi Novik author of the Temeraire series When Lessa chose a dragon over her birthright the hold she was to have inherited passed to Lord Jaxom instead But Jaxom then muddled generations of Pern tradition by impulsively impressing Ruth the small and singularly unique white dragon as a child From that moment on the debate has raged Is Jaxom now a dragonrider

or a lord holder All anyone agrees on is that he cannot be both But perhaps it is all academic anyway for no one expects Ruth to survive But Ruth not only survives he thrives With Jaxom on the cusp of adulthood the thing the pair most desire is to fight Thread side by side with the larger dragons Jaxom knows what his dragon is capable of and now that he is mostly grown he is determined to buck tradition Fortunately a teenage rebellion may be the key to both Pern s salvation and winning the woman of his dreams Don t miss the original trilogy from Anne McCaffrey s beloved Dragonriders of Pern series DRAGONFLIGHT DRAGONQUEST THE WHITE DRAGON **The Queen of Sheba** Deborah M. Coulter-Harris,2013-05-28 Part I of this book begins with a scriptural study of all Sheba references particularly the origins and genealogy of the name and its connections with Hebrew patriarchs such as Abraham and kings Saul and David it later explores the literature and legends surrounding king Solomon and his trade negotiations with Sheba The text analyzes theories and links between the Queen of Sheba and Pharaoh Hatshepsut and concludes that Sheba may well be the Pharaoh based upon linguistic associations and the related stories from a multitude of regions and countries Part II travels into ancient Arabian Yemeni Ethiopian and Eritrean tales of the Queen of Sheba and examines the mention of Sheba in an array of Jewish Christian and Muslim texts It scrutinizes associations between ancient gods and pharaohs particularly the similarity of their iconographic representations the meaning of their symbols and signs that connect with Sheba legends and Hatshepsut s history the real extent and location of her vast empire *Much Ado About Dragons* Graeme Smith,2021-10-01 Segorian Anderson s an Idiot But that s fine with him It s a well paying job with no heavy lifting Nobody ever remembers Segorian It isn t magic he just has the sort of face his own mother could forget and she s been trying to for years But being forgettable is a job requirement for an Idiot No he s not the Court Jester He doesn t wear motley whatever motley may be That s a different union He s the Idiot In a Queen s castle wine spilt down the wrong dress can lead to war so someone unimportant has to be blamed for it That s the Idiot s job He s the Idiot that did it for any value of it Of course as soon as he s exiled for life out of the castle gate he uses his back door key and sneaks back in But that s not all Someday something really bad will happen Really really bad Badder than a bad thing on a very bad day with extra badness When the world s about to end or the washing up won t get done whichever comes first who you gonna call No not them They haven t been invented yet You call the Idiot someone nobody will miss if things don t work out And now Peladon has a case of dragon But the dragon may be the easy part Segorian has woman trouble and he s the only person in the castle who doesn t know it Because to Segorian women are an open book The problem is he never learned to read Isle of the Dragons Florence Joanne Reid,2016-02-05 Isle of the Dragons Where once there was only one golden dragon now there are twelve golden queen dragons Only half are old enough to mate but over five years they created a covey of nearly two hundred dragons That was enough to have a dozen squadron leaders The war at Thanos is over thank all the Gods but the war at Wylche is heating up Dragons taller than a horse with sharp teeth and breathing fire are used to scare the southern army men into running But skirmishes happen men are killed injured and laid up for a time There is a prophecy

come down from the Seven Gods that Zandrax will do something drastic to cause the Wylche Royal Castle to crumble raise a mountain and the Gods will use it to create a new Royal Castle atop the mountain for the new Dragon Lord Prince Leander fears his father will die and that new Dragon Lord will be him How will Zandrax pull down a castle the Seven Gods installed eons ago Close to the end of the war King Philipi disappeared Where Royal Castle Will Zandrax appear there Can Philipi shoot him full of his tiny poison darts from his mini crossbow Will he have the strength And what will Zandrax do next And will his flying horse Grogan the shape changing demon carry him Deliver him safely Or dump him Will Zandrax be able to carry out his evil diabolical plot The Dragons of Remgeldon Florence Joanne Reid,2015-12-07 The war at Thanos is over but Princess Dariella has been captured Can Lord Darius and two dragons find her in time Because of the lightning strike at Thanos set off by Zandrax half of King Halvards army has been killed Half the population left at Thanos has been killed Where did Zandrax run to after that dastardly blast King Raymon of Heun is having serious trouble with his half brother Gerald who is his advisor Should Raymon send his wife beating brother away dissolve his marriage or is there an alternative Spies are sent out to determine how much of the southern army is still in the northern realm Can Slade and Janatar quietly spy out the southern territory and stay out of trouble And in these troubled times can Jandal and Felyana find happiness Can Kalan and Altina really be in love And what of Lord Darius and Dariella Will they or wont they fall in love How can only eighteen dragons help the war effort King Halvard has the Seven Gods on his side plus Lord Darak and his son Lord Darius And now the dragons Zandrax has called up three demons from the Deep Grogan the shape shifter Karmac the shade or shadow and Whoron the siren enticer Will he too want a dragon And where would he get one *Dragon Worship* Rohan Singh,2025-03-21 Have you ever paused to consider why dragons creatures of myth and legend appear in vastly different cultures across the globe often commanding respect fear or even worship This book *Dragon Worship* delves into the fascinating history of dragons as sacred beings exploring their multifaceted roles in mythology religious traditions and literature worldwide It will analyze the profound impact these mythical creatures have had on shaping human belief systems and cultural practices This exploration is vital because understanding dragon worship provides a unique lens through which to examine ancient belief systems cultural exchanges and the human tendency to project power and meaning onto the natural world By studying dragon veneration we gain insights into the core values fears and aspirations of diverse societies throughout history *Dragon Worship* provides a historical survey of dragon veneration across various cultures from the benevolent water controlling dragons of East Asia to the fearsome fire breathing wyrms of Europe We examine the religious significance of dragons in ancient China where they symbolized imperial power and cosmic harmony contrasting this with their often malevolent portrayal in Western Christian traditions The central argument of *Dragon Worship* is that the reverence for dragons despite its diverse manifestations stems from a universal human impulse to understand and interact with forces beyond our control Dragons as symbols of natural power wisdom and primordial chaos have served as conduits

for this interaction embodying both our deepest fears and our highest aspirations This book demonstrates how cultures have used the symbol of the dragon to define their relationship to the natural world and to each other Dragon Worship unfolds in a structured manner First we lay the groundwork by defining worship in the context of dragon veneration and introducing the key dragon archetypes from around the world Next the book explores specific cultural expressions of dragon worship focusing on ancient China pre Christian Europe and select indigenous cultures of the Americas A major portion is dedicated to exploring the symbolic meanings of dragons in these regions and how those meanings are expressed in art architecture and ritual The book culminates by examining how these ancient traditions have evolved and persisted into modern times and it offers a framework for understanding the enduring appeal of dragons in contemporary popular culture The arguments presented in Dragon Worship are substantiated by a combination of historical texts archaeological findings ethnographic studies and comparative mythological analyses We will examine primary source material such as ancient Chinese imperial records medieval European bestiaries and accounts of indigenous rituals involving dragon like beings Furthermore visual resources artwork iconography are used to support the arguments Dragon Worship also connects meaningfully to other fields of study It intersects with anthropology by examining cultural beliefs and ritual practices with religious studies by analyzing the role of mythical creatures in shaping religious doctrines and with art history by interpreting the symbolic representations of dragons across different artistic mediums The book adopts a comparative and analytical approach offering readers a comprehensive overview of dragon worship This book aims to provide a resource that is both academically rigorous and accessible to a broader audience The intended audience for Dragon Worship includes students of history mythology and religious studies as well as anyone with a general interest in dragons and their cultural significance This book will be valuable as an introductory resource and comprehensive reference for individuals seeking to understand the role dragons have played in the cultural and spiritual lives of humanity The scope of Dragon Worship is global encompassing a wide range of cultural traditions and historical periods It will not delve into fictional dragon lore of more modern works focusing instead on dragons as objects of actual veneration or religious significance The information presented in Dragon Worship can be applied practically by readers seeking to understand cultural differences interpret symbolic representations in art and literature and appreciate the enduring power of myth in shaping human behavior While the existence of real dragons is not a subject of academic debate the interpretation of dragon lore and its influence is This book will discuss various perspectives on the symbolic meaning of dragons and their cultural significance acknowledging the complexities and nuances of these interpretations
