Queens Regents And Potentates:

Queens, Regents and Potentates Theresa M. Vann, 1993 This series focuses on the exercise of power influence and authority by particular categories ranks and types of women in medieval societies and by individual women on the limitations restrictions and inhibitions placed or assumed on such activity on the opportunities open to women and on the strategems by which women were able to give effect to these possibilities *Queens Regents and Potentates* concentrates on the theme of women and royal power examining the available information about specific royal women and reassessing their access to and use of power and authority and drawing significant new conclusions about internal politics and international relations in medieval Europe Contents and Contributors PATRICIA HUMPHREY DONALD KAGAY WILLIAM CLAY STALLS PENELOPE ADAIR KAREN NICHOLAS DOUGLAS C JANSEN JOHN CARMI PARSONS THERESA M VANN JENNIFER R GOODMAN

Queens, Regents and Potentates Theresa M Vann, 1993 **Queenship and Political Power in Medieval and Early Modern Spain** Theresa Earenfight, 2017-03-02 Unlike empresses in Germany and queens in England and France the lives and political careers of most Iberian queens remain largely unknown to non specialists In this collection Theresa Earenfight brings together new research on medieval and early modern Spanish queens that highlights the distinctive political culture that resulted in forms of queenship similar to yet also substantially different from that of northern Europe The essays consider three aspects of queenship and politics the institutional foundations and practice of politics the politics of religion and religious devotion and the literary and artistic representations of queenship and power Late medieval queens because they often occupied prominent and powerful offices such as the regency in Castile and Portugal and the Lieutenancy in the Crown of Aragon exemplify a unique form of queenship that can best be described as a political partnership Habsburg queens and empresses often excluded from such official political roles were less publicly visible but their power as partner to the king although shrouded remains potent Their political careers were the result of two forces first military circumstances brought about by territorial expansion conquest and second a political culture that did not explicitly prohibit queens from active participation in the governance of the realm The essays in this collection by both newer and well established scholars demonstrate the range and depth of current research on Iberian queenship and prompt a re examination of long held assumptions about women and the exercise of power in pre modern Spain

The Queens Regnant of Navarre Elena Woodacre, 2013-09-04 The five queens of Navarre were the largest group of female sovereigns in one European realm during the Middle Ages but they are largely unknown beyond a regional audience This survey fills this scholarly lacuna focusing particularly on issues of female succession agency and power sharing dynamic between the queens and their male consorts

Medieval Iberia E. Michael Gerli, 2013-12-04 First published in 2003 [Chaucer's Queens](#) Louise Tingle, 2021-01-04 This book investigates the agency and influence of medieval queens in late fourteenth century England focusing on the patronage and intercessory activities of the queens Philippa of Hainault and Anne of Bohemia as well as the princess Joan of

Kent It examines the ways in which royal women were able to participate in traditional queenly customs such as intercession and whether it was motherhood that gave power to a queen This study focuses particularly on types of patronage and also considers the importance of coronation especially for Joan of Kent who was neither a queen consort nor a dowager yet still fulfilled some queenly duties Crucially the author highlights the transactional nature of the queen's role at court as she accumulated wealth from land rights and traditions which in turn funded patronage activities

Queenship in Medieval Europe Theresa Earenfight, 2017-09-16 Medieval queens led richly complex lives and were highly visible women active in a man's world Linked to kings by marriage family and property queens were vital to the institution of monarchy In this comprehensive and accessible introduction to the study of queenship Theresa Earenfight documents the lives and works of queens and empresses across Europe Byzantium and the Mediterranean in the Middle Ages The book introduces pivotal research and sources in queenship studies and includes exciting and innovative new archival research Highlights four crucial moments across the full span of the Middle Ages ca 300 700 1100 and 1350 when Christianity education lineage and marriage law fundamentally altered the practice of queenship Examines theories and practices of queenship in the context of wider issues of gender authority and power This is an invaluable and illuminating text for students scholars and other readers interested in the role of royal women in medieval society

History Matters Judith M. Bennett, 2010-11-24 Written for everyone interested in women's and gender history History Matters reaffirms the importance to feminist theory and activism of long term historical perspectives Judith M Bennett who has been commenting on developments in women's and gender history since the 1980s argues that the achievement of a more feminist future relies on a rich plausible and well informed knowledge of the past and she asks her readers to consider what sorts of feminist history can best advance the struggles of the twenty first century Bennett takes as her central problem the growing chasm between feminism and history Closely allied in the 1970s each has now moved away from the other Seeking to narrow this gap Bennett proposes that feminist historians turn their attention to the intellectual challenges posed by the persistence of patriarchy She posits a patriarchal equilibrium whereby despite many changes in women's experiences over past centuries women's status vis vis that of men has remained remarkably unchanged Although for example women today find employment in occupations unimaginable to medieval women medieval and modern women have both encountered the same wage gap earning on average only three fourths of the wages earned by men Bennett argues that the theoretical challenge posed by this patriarchal equilibrium will be best met by long term historical perspectives that reach back well before the modern era In chapters focused on women's work and lesbian sexuality Bennett demonstrates the contemporary relevance of the distant past to feminist theory and politics She concludes with a chapter that adds a new twist the challenges of textbooks and classrooms to viewing women's history from a distance and with feminist intent A new manifesto History Matters engages forthrightly with the challenges faced by feminist historians today It argues for the radical potential of a history that is

focused on feminist issues aware of the distant past attentive to continuities over time and alert to the workings of patriarchal power

Eleanor of Aquitaine B. Wheeler, 2016-04-30 Eleanor's patrilineal descent from a lineage already prestigious enough to have produced an empress in the eleventh century gave her the lordship of Aquitaine But marriage re-emphasized her sex which in the medieval scheme of gender power relations relegated her to the position of Lady in relation to her Lordly husbands In this collection essays provide a context for Eleanor's life and further an evolving understanding of Eleanor's multifaceted career A valuable collection on the greatest heiress of the medieval period

Elionor of Sicily, 1325-1375 Donald J. Kagay, 2021-05-19 Elionor of Sicily 1325 1375 A Mediterranean Queen's Life of Family Administration Diplomacy and War follows Elionor of Sicily the third wife of the important Aragonese king Pere III Despite the limited amount of personal information about Elionor the large number of Sicilian Catalan and Aragonese chronicles as well as the massive amount of notarial evidence drawn from eastern Spanish archives has allowed Donald Kagay to trace Elionor's extremely active life roles as a wife and mother a queen a frustrated sovereign a successful administrator a supporter of royal war a diplomat a feudal lord a fervent backer of several religious orders and an energetic builder of royal sites Drawing from the correspondence between the queen and her husband official papers and communiques and a vast array of notarial documents the book casts light on the many phases of the queen's life

María de Molina, Queen and Regent Paulette Lynn Pepin, 2016-03-08 This biography of Queen Mar a de Molina thematically explores her life and demonstrates her collective exercise of power and authority as queen Throughout her public life Mar a de Molina's resilient determination as queen and later as regent enabled her to not only work tirelessly to establish an effective governing partnership with her husband King Sancho IV which never occurred but also to establish the legitimacy of her children and their heirs and their right to rule Such legitimacy enabled Queen Mar a de Molina's son and grandson under her tutelage to fend off other monarchs and belligerent nobles The author demonstrates the queen's ability to govern the Kingdom of Castile Le n as a partner with her husband King Sancho IV a partnership that can be described as an official union A major theme of this study is Mar a de Molina's role as dowager queen and regent as she continued to exercise her queenly power and authority to protect the throne of her son Fernando IV and later of her grandson Alfonso XI and to provide peace and stability for the Kingdom of Castile Le n

Norman to Early Plantagenet Consorts Aidan Norrie, Carolyn Harris, J.L. Laynesmith, Danna R. Messer, Elena Woodacre, 2023-05-16 This book examines the emergence of the queen consort in medieval England beginning with the pre-Conquest era and ending with death of Margaret of France second wife of Edward I in 1307 Though many of the figures in this volume are well known such as Eleanor of Aquitaine and Eleanor of Castille the chapters here are unique in the equal consideration given to the tenures of the lesser known consorts including Adeliza of Louvain second wife of Henry I Margaret of France wife of Henry the Young King and even Isabella of Gloucester the first wife of King John These innovative and thematic biographies highlight the evolution of the office of the queen and the visible roles that consorts played which were

integral to the creation of the identity of early English monarchy This volume and its companions reveal the changing nature of English consortship from the Norman Conquest to today **The King's Other Body** Theresa Earenfight, 2012-02-24

Queen Mar a of Castile wife of Alfonso V the Magnanimous king of the Crown of Aragon governed Catalunya in the mid fifteenth century while her husband conquered and governed the kingdom of Naples For twenty six years she maintained a royal court and council separate from and roughly equivalent to those of Alfonso in Naples Such legitimately sanctioned political authority is remarkable given that she ruled not as queen in her own right but rather as Lieutenant General of Catalunya with powers equivalent to the king s Mar a does not fit conventional images of a queen as wife and mother indeed she had no children and so never served as queen regent for any royal heirs in their minorities or exercised a queen mother s privilege to act as diplomat when arranging the marriages of her children and grandchildren But she was clearly more than just a wife offering advice she embodied the king s personal authority and was second only to the king himself She was his alter ego the other royal body fully empowered to govern For a medieval queen this official form of corulership combining exalted royal status with official political appointment was rare and striking The King s Other Body is both a biography of Mar a and an analysis of her political partnership with Alfonso Mar a s long busy tenure as lieutenant prompts a reconsideration of long held notions of power statecraft personalities and institutions It is also a study of the institution of monarchy and a theoretical reconsideration of the operations of gender within it If the practice of monarchy is conventionally understood as strictly a man s job Mar a s reign presents a compelling argument for a more complex model one attentive to the dynamic relationship of queenship and kingship and the circumstances and theories that shaped the institution she inhabited **Premodern Rulers and Postmodern Viewers** Janice North, Karl C. Alvestad, Elena Woodacre, 2018-02-01

Pop culture portrayals of medieval and early modern monarchs are rife with tension between authenticity and modern mores producing anachronisms such as a feminist Queen Isabel in RTVE s Isabel and a lesbian Queen Christina in The Girl King This book examines these anachronisms as a dialogue between premodern and postmodern ideas about gender and sexuality raising questions of intertemporality the interpretation of history and the dangers of presentism Covering a range of famous and lesser known European monarchs on screen from Elizabeth I to Muhammad XII of Granada this book addresses how the lives of powerful women and men have been mythologized in order to appeal to today s audiences The contributors interrogate exactly what is at stake in these portrayals namely our understanding of premodern rulers the gender and sexual ideologies they navigated and those that we navigate today *Memorialising Premodern Monarchs* Gabrielle Storey, 2021-11-22

This book examines the legacies and depictions of monarchs in an international context focusing on both self representation and commemoration by others Spanning ancient India through to eighteenth century Russia this volume offers several case studies to demonstrate trends and patterns in how different societies chose to commemorate and remember their rulers in a variety of mediums Contributions highlight several lesser known rulers alongside more famous

ones such as Henry VIII of England to develop a deeper understanding of how memory and monarchy functioned when drawn together Memorialising Premodern Monarchs brings to the fore the importance of memory and memorialisation when considering the legacies and records of past rulers and their societies and allows a deeper reflection on how these rulers live on through the historical record and popular culture

The Rule of Women in Early Modern Europe Anne J. Cruz, Mihoko Suzuki, 2009 A transnational comparison of women rulers and women's sovereignty throughout Europe

Royal Childhood and Child Kingship Emily Joan Ward, 2022-08-04 The first comparative study of royal childhood and child kingship revealing the fundamental role they played in medieval rulership

Women's Roles in the Middle Ages Sandy Bardsley, 2007-06-30 Information about women in this truly fascinating period from 500 to 1500 is in great demand and has been a challenge for historians to uncover Bardsley has mined a wide range of primary sources from noblewomen's writing court rolls chivalric literature laws and legal documents to archeology and artwork This fresh survey provides readers with an excellent understanding of how women high and low fared in terms of religion work family law culture and politics and public life Even though medieval women were divided by social class religion age marital status place and period they were all subject to an overarching patriarchal structure and sometimes could transcend their inferior status Numerous examples of these exceptional women and their words are included Chapter 1 examines religion focusing on women's roles in the early Christian church the lives of nuns and other professional religious women such as anchoresses and Beguines the participation of Christian laywomen and the experiences of Jewish and Islamic women in Western Europe The second chapter examines women's work looking in turn at the kinds of work performed by peasant women townswomen and noblewomen Women's roles within the family form the subject of the third chapter This chapter follows women throughout the typical lifecycle from girl to widow examining the expectations and experiences of women at each stage Chapter 4 Women and the Law focuses on the ways in which laws both restricted and protected women It also considers the crimes with which women were most often charged and surveys laws regarding marriage and widowhood Women's roles in creative arts form the basis of the fifth chapter Women and Culture This chapter examines women's roles as artists authors composers and patrons as well as investigating the ways in which women were represented in works produced by men Finally chapter 6 discusses women's experiences in politics and public life While women as a group were typically banned from holding positions of public authority some found ways to get around this stricture while others were able to exercise power behind the scenes The final chapter thus encapsulates a major theme of this book the interplay between broader patriarchal forces that limited women's status and autonomy and the role of individuals who were able to overcome or circumvent such forces Medieval women were as a group subordinate to their husbands and fathers but certain women under certain circumstances evaded subordination

Capetian Women K. Nolan, 2016-04-30 Never before have the women of the Capetian royal dynasty in France been the subject of a study in their own right The new research in Capetian Women challenges old paradigms about

the restricted roles of royal women uncovering their influence in social religious cultural and even political spheres The scholars in the volume consider medieval chroniclers responses to the independent actions of royal women as well as modern historians use of them as vehicles for constructing the past The essays also delineate the creation of reginal identity through cultural practices such as religious patronage and the commissioning of manuscripts tomb sculpture and personal seals

Ennobling Love C. Stephen Jaeger, 1999 *Ennobling Love* is both a reader s pleasure and a scholar s treasure

Eventually, you will categorically discover a further experience and execution by spending more cash. still when? get you understand that you require to acquire those every needs afterward having significantly cash? Why dont you try to acquire something basic in the beginning? Thats something that will guide you to comprehend even more in the region of the globe, experience, some places, when history, amusement, and a lot more?

Queens Regents And Potentates Introduction

Queens Regents And Potentates Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Queens Regents And Potentates Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Queens Regents And Potentates : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Queens Regents And Potentates : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Queens Regents And Potentates Offers a diverse range of free eBooks across various genres. Queens Regents And Potentates Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Queens Regents And Potentates Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Queens Regents And Potentates, especially related to Queens Regents And Potentates, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Queens Regents And Potentates, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Queens Regents And Potentates books or magazines might include. Look for these in online stores or libraries. Remember that while Queens Regents And Potentates, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Queens Regents And Potentates eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Queens Regents And Potentates full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Queens Regents And Potentates eBooks, including some popular titles.

FAQs About Queens Regents And Potentates Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Queens Regents And Potentates is one of the best book in our library for free trial. We provide copy of Queens Regents And Potentates in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Queens Regents And Potentates. Where to download Queens Regents And Potentates online for free? Are you looking for Queens Regents And Potentates PDF? This is definitely going to save you time and cash in something you should think about.
