Lancelot's Grail author Richard Gattey traveled to the UK to experience for himself the land of his characters. Since Sir Lancelot had an inextricable connection to King Arthur, it seemed logical to start with historic ruins associated with Arthur. With camera and journal in hand, the author set out to visit every site in southwest Britain where King Arthur might have set foot and a few extra places to boot. Stops ranged from Arthur's birthplace to the Iron Age hill fort believed to have been Camelot. He also took side trips to Stonehenge and other Neolithic sites and experienced a mystical waterfall. The journey resulted in two novels and this fascinating travel memoir recalling the many interesting people and far-fetched theories he encountered there. Illustrated with over 90 pages of color photos, the book provides examples of how the author worked details from the trip into his novels and also discusses whether King Arthur was a myth or a historical leader whose feats became exaggerated over millennia. *American Book Publishing Record*, 1985

**The King Arthur Quest** Clayton Donoghue, 2018-10-04 Who was King Arthur? A man or a myth? Was he a living, breathing figure in medieval history or is he merely a timeless literary character in a beloved fairy tale? King Arthur is a monumental figure as we know him, but will the search for the real King Arthur prove the legend or will it undermine his majesty? *The King Arthur Quest* takes a deep look into discovering the true person behind the great legend of King Arthur and whether the man really existed at all. Author Clayton Donoghue investigates a number of sources of the stories behind the man, and it turns out that the legendary king was real all right, but that he may not be as exciting as what some people like Geoffrey Monmouth have made the king out to be. Nevertheless, the real King Arthur lived in the Dark Ages when Britain was being overrun by the Irish, the Picts, and the Anglo-Saxons, and these were desperate times of survival, completely void of knights in shining armour. Yet from this turbulence, clerics and scribes managed to keep records that survive today, revealing Arthur's true identity. King Arthur may not have been part of the age of chivalry or even a king at all. Yet tracing his legacy in both history and in fiction can tell us something about who he was and why he was important both for the people arising out of the Dark Ages and for us today.

**The Publishers Weekly**, 1969

**King Arthur and the Knights of the Round Table** Martin J. Dougherty, 2017-05-08 What's the truth behind the King Arthur legend and why has it endured? Long before the Marvel Universe, there was the universe of Arthurian romance, and *King Arthur and the Knights of the Round Table* examines the fact and the fiction behind Arthur, Lancelot, Merlin, Guinevere, Galahad, among others, as well as the quest for the Holy Grail.

**The Quest for Security in the Caribbean** Ivelaw L. Griffith, 2015-06-11 This comprehensive work on security in the English-speaking Caribbean offers a wealth of information about the history, politics, economics, and geography of the entire region. The author examines security problems in the region as a geopolitical unit, not on a selective case study basis as is usually done. He assesses Caribbean security within a theoretical framework where four factors are critical: perceptions of the political elites, capabilities of the states, the geopolitics of the area, and the ideological orientations of the parties in power. Political and economic issues are judged to be as relevant to security as military factors. The author identifies safeguards which countries

in the region may take in the coming decade      Il Mistero Dei Cerchi Nel Grano Michael Hesemann,1994      **Monsters, Aliens, and Holes in the Ground, Deluxe Edition** Stu Horvath,2023-10-10 A richly illustrated encyclopedic deep dive into the history of roleplaying games When Gary Gygax and Dave Arneson released Dungeons Dragons in 1974 they created the first roleplaying game of all time Little did they know that their humble box set of three small digest sized booklets would spawn an entire industry practically overnight In **Monsters Aliens and Holes in the Ground** Stu Horvath explores how the hobby of roleplaying games commonly known as RPGs blossomed out of an unlikely pop culture phenomenon and became a dominant gaming form by the 2010s Going far beyond D D this heavily illustrated tome covers more than three hundred different RPGs that have been published in the last five decades **Monsters Aliens and Holes in the Ground** features among other things bunnies ghostbusters soap operas criminal bears space monsters political intrigue vampires romance and of course some dungeons and dragons In a decade by decade breakdown Horvath chronicles how RPGs have evolved in the time between their inception and the present day offering a deep and gratifying glimpse into a hobby that has changed the way we think about games and play The deluxe edition will include a foil stamped cover and slipcase with a cloth binding a ribbon gilded edges and an 8 5x11 inch card stock poster of the regular edition      **Lehrbuch des Kreativen Schreibens** Lutz von Werder,2013-09-23 Das Lehrbuch stellt die in Deutschland relativ neue Methode des kreativen Schreibens vor Es besteht zu einem Drittel aus praktischen bungen 200 Schreibspiele 20 Schreibprojekte 40 Schreibmethoden und viele Arbeitstechniken zu einem Drittel aus empirischem Anschauungsmaterial und zu einem Drittel aus einer theoretischen Grundlegung Es leitet zur Durchf hrung und Auswertung kreativer Schreibgruppen an und entwirft Strategien zur Durchsetzung am Markt und in den Institutionen Tausendfach und erfolgreich erprobt      *King Arthur's Battle for Britain* Eric Walmsley,2013-01-01 For the first time convincing locations have been found for all King Arthur s battles The inspiration for *King Arthur s Battle for Britain* came from Eric s discovery of an ancient Latin text in the British Library that listed the twelve battles of King Arthur This presented an immediate challenge because only a few of the battle sites mentioned had been previously identified After a decade searching mountains and moors throughout Britain guided by references from early sources Eric believes he has found convincing locations for all of Arthur s battles By developing an imaginary scenario for each battle in the chronological order of the text a believable storyline has emerged depicting Arthur s struggle to defend his country against nine different enemies including dissident Britons as well as the invading Angles and Saxons Eric has also discovered that it was Arthur s own kith and kin who plotted his demise at the battle of Camlan By linking clues interwoven with early poetry and legendary texts Eric has been able to suggest the name of the Romano British city most likely to have been King Arthur s Camelot and has also identified the site of Arthur s military headquarters in the west His search for new evidence confirms the location of Camlan and reveals the real Isle of Avalon where Arthur was finally laid to rest *King Arthur s Battle for Britain* will appeal to anyone interested in the Arthurian period and the legend of King Arthur Eric has been inspired by Geoffrey Ashe s *The Quest*
