

The book cover features a central illustration of an elderly man with a long white beard and hair, wearing a red robe over a white tunic. He is seated and writing with a quill pen on a long, unrolled scroll. The background is a stylized, colorful scene with blue and yellow tones, suggesting a celestial or historical setting with architectural elements like columns and a distant city. The title is prominently displayed at the top in a mix of serif and script fonts.

The Political Trial of

Benjamin Franklin Kenneth Lawing Penegar,2011 Benjamin Franklin it seems was a reluctant revolutionary In tracing the course of his political transformation this book will explore the social and political understandings and misunderstandings that both sustained and divided Britain and its colonies in North America At the center of the story is Benjamin Franklin s decision in late 1772 to use a cache of personal letters that had fallen in his lap in London for revelation in Massachusetts essentially a Wikileaks for 1772 and the consequences of that decision for himself and for the cause of an amicable settlement of differences between the colonies and the British government The personal side of Franklin s life in London is explored fully enough for the reader to appreciate both his strong attachment to the place and the inevitable sense of loss from which he reluctantly retreated in the spring of 1775 upon his departure from Britain and return to Philadelphia In the tradition of narrative history this book combines two main stories each one complementing the other Woven into the chronological and social history is a tale with an air of genuine suspense and mystery about it revolving around Franklin s publication of private correspondence with political ramifications The leak was a shock to all and had consequences for the prospect of avoiding a deeper rift with Britain a cause Franklin pursued with increasing frustration in the last few years before the American Revolution There are notable editorial innovations in the book The appendices contain full transcripts of significant documents of the time a first as well as a thorough exploration of the mystery over the identity of Franklin s source for the Hutchinson letters A practical time line is included showing major correlative events This work will fill a partial void in the late colonial period in American history and will deepen our understanding of the role of the American with the most extensive experience of British political and cultural sensibilities of the time Our Fathers John Chabot,1999 When Matt Carlsberg is found dead in a cottage on Connor Beach the police must find not only who killed him but why The investigation is conducted by Harry Chervenik a detective with too much experience and his sometime partner Mickie Wilder young and ambitious They find Matt s older brother who still remembers an old grudge and his sister whose lover is the family attorney They learn of the murder years earlier of the victim s father and of Matt s leaving home shortly after A cab driver gives them clues to Matt s mysterious financial dealings and a former lover tells of his past Complicating the case is a note left for Matt s nephew and nieces inviting them to join in a sort of treasure hunt the prize unspecified While investigating the murder Harry is forced to deal with ghosts from his own past The hunt for the killer the hunt for the prize and the twenty two year old murder all draw together to lead to the final climax If you like this one youOll like the sequel Now Mourn the Space Cadet Boson Books also offers a collection of short stories by John Chabot entitled Quite Contrary For an author bio and photo reviews and a reading sample visit bosonbooks com **Tale of the Orphan Deer** Leon G. Yap,2021-02-03 Liza Roselynn is a young female doctor who grew up in Iron Harbour She then met a boy who was found

floating unconscious near the docks After treating the boy the boy discovered he had false memory syndrome He remembers coming from a different world where smart phones and technology were the hype When Liza explained to him that there was no such thing as technology and the possibility of him diagnosed with False Memory Syndrome the boy decided to go on a journey to search for his true past

The Hollywood Sequel Stuart Henderson,2019-07-25 This illuminating study charts the changing role of the Hollywood film sequel over the past century Considering a range of sequels in their industrial historical and aesthetic contexts from *The Son of a Sheik* 1926 to *Toy Story 3* 2010 this book provides a comprehensive history of this critically neglected yet commercially dominant art form

The Grandeur and Twilight of Radical Universalism Ágnes Heller,Ferenc

FÃ©hÃ©r,1991-01-01 This volume provides theoretical construction to the extraordinary events that resulted in the collapse of communism worldwide The authors attribute a great deal of the problems of totalitarianism to its blind acceptance of a Marxist philosophy of practice With the failure of communist practice the collapse of the Marxist paradigm was quick to follow At its roots this volume is a critique of the idea that we can have scientific knowledge of the social and political future

The 360° Gaze Christian Stiegler,2021-05-25 A comprehensive study of the pervasive role of immersion and immersive media in postmodern culture from a humanities and social sciences perspective Virtual reality augmented reality mixed reality and other modes of digitally induced immersion herald a major cultural and economic shift in society Most academic discussions of immersion and immersive media have focused on the technological aspects In *The 360 Gaze* Christian Stiegler takes a humanities and social science approach emphasizing the human implications of immersive media in postmodern culture Examining characteristics common to all immersive experiences he uncovers dominant metaphors such as the rabbit hole and prevailing ideologies He raises fundamental questions about opportunities and risks associated with immersion as well as the potential effects on individuals communities and societies

The Lost Tribes #1 Christine Taylor-Butler,2015-04-14 Five friends are in a race against time in this action adventure story involving ancient tribal artifacts that hold the fate of the universe in the balance None of these trailblazers imagined their ordinary parents as scientists on a secret mission But when their parents go missing they are forced into unfathomable circumstances and learn of a history that is best left unknown for they are catalysts in an ancient score that must be settled As the chaos unfolds

opportunities arise that involve cracking codes and anticipating their next moves This book unfolds sturdy accurate scientific facts and history knowledge where readers will surely become participants *Freemason's Monthly*, 1875 *Ben's Story; A Present-Day Hanukkah Miracle* Anne Marie Margaritondo, 2019-12-05 Imagine yourself an eleven year old boy lost and alone at night in a land full of towering mountains surging rivers and thick uninhabited forests Wild animals still claim the territory as their own and when their food source is scarce you discover that to them any meat will do To make matters worse it s the middle of winter snow is falling and any familiar path has disappeared under snow As the hours pass you helplessly wander deeper into unknown territory all in search for your missing puppy the very reason you bolted out into the forest in the first place Now you re in desperate need of help yourself Such was the position Ben found himself in one cold Hanukkah night in December Home now seemed more than a miracle away for Ben Only the help of a God whose power and existence Ben has begun to question could possibly save him from an imminent and certain end **Reading Walter Benjamin**

Richard Lane, 2024-06-04 Reading Walter Benjamin explores the persistence of absolute in Benjamin s work by sketching out the relationship between philosophy and theology apparent in his diverse writings from the early youth movement essays to the later books essays and fragments The book examines Benjamin from two main perspectives a history of ideas approach situating Benjamin in relation to the new German Jewish thinking at the turn of the twentieth century as well as the German youth movements Surrealism and the Georgekreis and a conceptual approach examining more critical issues in relation to Benjamin and Kant modern aesthetics and narrative order Chapters cover Kulturpessimismus and the new thinking metaphysics of youth Wyneken and Rausch history surreal Messianism Goethe and the Georgekreis Kant s experience casting the work of art disrupting textual order and exile and the time of crisis The book uses new translations of Benjamin s essays fragments and his Arcades Project and makes substantial reference to previously untranslated material Lane s text allows the non specialist entry into complex areas of critical theory simultaneously offering original readings of Benjamin and twentieth century arts and literature **Exploring Jewish Literature of the Second Temple Period** Larry R. Helyer, 2002-07-05

Larry R Helyer provides an introduction and historical context for the wealth of Jewish literature outside the Hebrew Bible and he explores the pressures realities questions and dreams that nurtured and provoked these written works *Account*

Books Kept by Benjamin Franklin ... Benjamin Franklin, 1929 **ARKANE Thrillers Books 1-3** J.F. Penn, 2018-08-11

Escape into three ARKANE adventures *STONE OF FIRE* An ancient power A desperate quest The clock is ticking When psychologist and religious expert Dr Morgan Sierra s sister and niece are kidnapped she s thrust into a deadly race against time to find twelve ancient stones that could unleash unimaginable power With only days until Pentecost and the kidnapper s deadline Morgan must use all her knowledge and resources to track down the artifacts She s not alone in the hunt Jake Timber an enigmatic agent of ARKANE a secret British agency investigating the supernatural has his own orders to retrieve the stones at any cost Torn between her desperate need to save her family and Jake s mission to secure the stones lines blur

as Morgan and Jake forge an uneasy partnership From the holy sites of Israel and the Vatican to the desert of Tunisia and the Sonoran wilderness of Arizona Morgan and Jake face sinister forces ancient traps and a fanatical enemy determined to use the stones power for their own dark purposes Danger betrayal and a growing attraction complicate their quest With Pentecost approaching and a storm of apocalyptic proportions brewing Morgan must confront her past and unearth long buried secrets to have any hope of saving her family and preventing global catastrophe Emotions run high and faith is tested as the clock ticks down Can Morgan stop the stones from falling into the wrong hands or will she have to choose between saving her family and saving the world

CRYPT OF BONE Two billion people are about to die and they re the lucky ones When a man in a hospital gown jumps to his death from the Western Wall in Israel the authorities think it s just another victim of Jerusalem Syndrome a religious psychosis triggered by a visit to the holy city But when a second victim ritually disembowels himself it s the sign of much worse to come Thanatos a fanatical group dedicated to the destruction of the world is on the move again Last time Morgan and Jake worked together to stop Thanatos from bringing about a dark version of Pentecost This time Thanatos is mixing science with sacrilege combining the Devil s Bible with mind control technology to murder a quarter of the human race Together Morgan and Jake will travel from the hallowed halls of Oxford to the labs of a biotech company with a dark agenda to a chapel made of human bones They ll go anywhere do anything to stop Thanatos But they have to hurry Thanatos is on the rise Apocalypse is at the gates And the only way to save a quarter of the world is for Morgan to uncover the secrets of her past at the cost of her own future Death awaits in a Crypt of Bone

ARK OF BLOOD It is the seat of judgment The pinnacle of holiness It is the Ark of the Covenant and it s the most dangerous weapon in existence A group of fanatics wearing masks of Egypt s gods slaughter the curator of Cairo s most famous museum A cleaner in Washington DC discovers a decapitated head on top of a replica of the Ark of the Covenant And someone is sharing videos of the deaths with extremists all over the world It s a job too big and too strange for the normal authorities but it s right up the alley of **ARKANE** the British agency tasked with investigating mysteries on the edge of the supernatural Jake is in a coma nearly killed on a previous mission so Morgan will have to go it alone Pursued by vicious mercenaries bent on revenge hunted by assassins willing to do anything for their cause Morgan can t stop because the Ark of the Covenant is the prize and it may be more than a simple religious artifact It may be the secret to ancient alchemy and the unlocking of a scientific breakthrough that could save the world or end it
