Question Of Consent:

Lacan and the Question of Consent Clotilde Leguil, 2025-08-22 Clotilde Leguil explores the boundary between consenting and yielding from a Lacanian standpoint Starting from the definition Lacan gave to psychical and sexual trauma this book makes the distinction between the ambiguity of consent and the experience of coercion Clotilde Leguil refers to the MeToo movement campaigns against femicides and Vanessa Springora's book *Le Consentement* Consent elaborating on the various degrees of coercion to demonstrate that desire is not drive and that forcing leaves an indelible mark on the individual Beyond the legal and contractual approach of consent this book elaborates on the crucial stakes both clinical and ethical that this distinction entails *Lacan and the Question of Consent* will be of interest to psychoanalysts and psychoanalytic theorists It will be relevant for academics and scholars of Lacanian studies gender studies feminism and human rights *The Question of Previous Consent Discussed* Gentleman of the Bar, 1756 Concerned with the national debt bill controversy *100 Questions (and Answers) About Research Ethics* Emily E. Anderson, Amy Corneli, 2017-12-05 *100 Questions and Answers About Research Ethics* is an essential guide for graduate students and researchers in the social and behavioral sciences It identifies ethical issues that individuals must consider when planning research studies as well as provides guidance on how to address ethical issues that might arise during research implementation Questions such as assessing risks to protecting privacy and vulnerable populations obtaining informed consent using technology including social media negotiating the IRB process and handling data ethically are covered Acting as a resource for students developing their thesis and dissertation proposals and for junior faculty designing research this book reflects the latest U S federal research regulations to take effect mostly in January 2018 Date Rape and Consent Mark Cowling, 2018-12-17 First published in 1998 this book Mark Cowling attempts to make sense of this massive discrepancy much of which is now based on how date rape is understood After a review of the way rape is dealt with in Britain he examines the survey evidence One major issue he identifies is that of the boundary between rape and normal sex Arguing this cannot be sharply defined he uses philosophical techniques to look at the issues involved particularly those of communicative sexuality and of the imbalance of power between men and women The implications for philosophy the law and psychological research are considered *Discursive Constructions of Consent in the Legal Process* Susan Ehrlich, Diana Eades, Janet Ainsworth, 2016-01-04 As a linguistically grounded critical examination of consent this volume views consent not as an individual mental state or act but as a process that is interactionally and discursively situated It highlights the ways in which legal consent is often fictional at best due to the impoverished view of meaning and the linguistic ideologies that typically inform interpretations and representations in the legal system The authors are experts in linguistics and law who use diverse theoretical and analytical approaches to examine the complex ways in which language is used to seek negotiate give or withhold consent in a range of legal contexts Authors draw on case studies or larger research corpora or a wider sociolegal approach in investigations of police citizen interactions in the street

police interviews with suspects police call handlers rape and abduction trials interactions with lay litigants in a multilingual small claims court a restorative justice sentencing scheme for young offenders biomedical research and legal disputes over contracts
